Shared Food** Jon Keune, 2021 This book is about the deceptively simple question when Hindu devotional or bhakti traditions welcomed marginalized people women low castes and Dalits were they promoting social equality This the modern formulation of the bhakti caste question It is what Dalit leader B R Ambedkar had in mind when he concluded that the saints promoted spiritual equality but did not transform society While taking Ambedkar's judgment seriously when viewed in the

context of intellectual history and social practice the bhakti caste question is more complex This book dives deeply in Marathi sources to explore how one tradition in western India worked out the relationship between bhakti and caste on its own terms Food and eating together were central to this As stories about saints and food changed while moving across manuscripts theatrical plays and films the bhakti caste relationship went from being a strategically ambiguous riddle to a question that expected and received answers Shared Devotion Shared Food demonstrates the value of critical commensality to understand how people carefully negotiate their ethical ideals with social practices Food's capacity to symbolize many things made it made an ideal site for debating bhakti s implications about caste differences In the V rkar tradition strategically deployed ambiguity and the resonating of stories across media over time developed an ideology of inclusive difference not social equality in the modern sense but an alternative holistic view of society At a Loss for Words Carol Off, 2025-10-07 AN INSTANT 1 NATIONAL BESTSELLER A rallying cry for those who believe truth matters Tanya Talaga The voice of Canada Carol Off delivers a thoughtful yet searing examination of the power of words and the existential need for humanity to communicate with care in these decisive and troubling times General Rom o Dallaire Award winning author and broadcast journalist Carol Off digs deep into six words whose meanings have been distorted and weaponized in recent years including democracy freedom and truth and asks whether we can reclaim their value As co host of CBC Radio s As It Happens Carol Off spent a decade and a half talking to people in the news five nights a week On top of her stellar writing and reporting career those 25 000 interviews have given her a unique vantage point on the crucial subject at the heart of her new book how in these polarizing years words that used to define civil society and social justice are being put to work for a completely different political agenda Or they are being bleached of their meaning as the values they represent are mocked and distorted As Off writes If our language doesn t have a means to express an idea then the idea itself is gone even the range of thought is diminished And as she argues that s a dangerous loss In six wide ranging chapters Off explores the mutating meanings and the changing political impact of her six chosen words freedom democracy truth woke choice and taxes unpacking the forces from right and left that have altered them beyond recognition She also shows what happens when we lose our shared political vocabulary we stop being able to hear each other let alone speak with each other in meaningful ways This means we stop being able to reckon with the complexity of the crises we face leaving us prey to conspiracy theories autocrats and the machinations of greed At a Loss for Words is both an elegy and a call to arms The Wurst of Lucky Peach Chris Ying, 2016 Lucky Peach presents a cookbook as a scrapbook stuffed with curious local specialties like cevapi a caseless sausage that traveled all the way from the Balkans to underneath the M tracks in Ridgewood Queens a look into the great sausage trails of the world from Bavaria to Texas Hill Country and beyond and the ins and outs of making your own sausages including fresh chorizo Amazon com A Writer's Life The Writers' Trust of Canada, 2011-05-24 For anyone who loves great literature or aspires to write it this is an essential collection full of insight wisdom humour and candour from Canada s
