Fools Mad A History Of The Insane In Ireland:

Medicine, Disease and the State in Ireland, 1650-1940 Greta Jones, Elizabeth Malcolm, 1999 A pioneering collection of essays aiming to open up the previously neglected area of the social history of medicine in Ireland **Fools and Mad: a History of the Insane in Ireland** Joseph Robins, 1990 **The Cost of Insanity in Nineteenth-Century Ireland** Alice Mauger, 2017-12-21 This open access book is the first comparative study of public voluntary and private asylums in nineteenth century Ireland Examining nine institutions it explores whether concepts of social class and status and the emergence of a strong middle class informed interactions between gender religion identity and insanity It questions whether medical and lay explanations of mental illness and its causes and patient experiences were influenced by these concepts The strong emphasis on land and its interconnectedness with notions of class identity and respectability in Ireland lends a particularly interesting dimension The book interrogates the popular notion that relatives were routinely locked away to be deprived of land or inheritance querying how often land grabbing Irish families really abused the asylum system for their personal economic gain The book will be of interest to scholars of nineteenth century Ireland and the history of psychiatry and medicine in Britain and Ireland **Social Work in Ireland** Noreen Kearney, Caroline Skehill, 2005 *In Search of Madness* Brendan Kelly, 2022-04-14 Who is Mad Who is Not And Who Decides In this fascinating new exploration of mental illness Professor Brendan Kelly examines madness in history and how we have responded to it over the centuries We travel from the psychiatric institutions of modern India to scientific studies of the brain in Victorian England We discover the beginnings of formal asylum care and witness the experimental therapies of the cavernous psychiatric hospitals of the nineteenth and early twentieth centuries in Ireland England Belgium Italy Germany and the United States Covering lobotomy and the Nazis Aktion T4 campaign as well as Freud psychoanalysis cognitive behavioural therapy and neuroscience *In Search of Madness* examines the shift in recent times from psychobabble to neurobabble This is an all encompassing history of one of the most basic fears to haunt the human psyche madness and it concludes with a passionate manifesto for change four proposals to make mental health services more effective accessible and just *Irish Insanity* Damien Brennan, 2013-08-15 The national public asylum system in Ireland was established during the early nineteenth century and continued to operate up to the close of the twentieth century These asylums mental hospitals were a significant physical and social feature of Irish communities They were used intensively and provided a convenient form of institutional intervention to manage a host of social problems *Irish Insanity* identifies the long term trends in institutional residency through the development of a detailed empirical data set based on an analysis of original copies of the reports of Inspector of Asylums Mental Hospitals in Ireland Damien Brennan explores core social and historical features linked to this data including the political context governance and social policy the relationship between church and state changing economic structures and social deprivation professionalization legislation and systems of admission and discharge categorisation and diagnostic criteria international

developments family dynamics This book demonstrates that the actual rate of asylum utilisation in Ireland was the highest by international standards but challenges the idea that an epidemic of Irish insanity actually existed Offering a historical and sociological insight into an institutional legacy that is unusual within the international context this book will be of particular relevance and interest to scholars within the fields of sociology criminology law history Irish studies social policy anthropology nursing and medicine *Social change and everyday life in Ireland, 1850-1922* Caitriona Clear, 2013-07-19 Men and women who were born grew up and died in Ireland between 1850 and 1922 made decisions to train to emigrate to stay at home to marry to stay single to stay at school based on the knowledge and resources they had at the time This the first comprehensive social history of Ireland for the years 1850 1922 to appear since 1981 tries to understand that knowledge and to discuss those resources for men and women at all social levels on the island as a whole Original research particularly on extreme poverty and public health is supplemented by neglected published sources local history journals popular autobiography newspapers Folklore and Irish language sources are used extensively All recent scholarly books in Irish social history are of course referred to throughout the book but it is a lively read reproducing the voices of the people and the stories of individuals whenever it can questioning much of the accepted wisdom of Irish historiography over the past five decades Statistics are used from time to time for illustrative purposes but tables and graphs are consigned to the appendix at the back There are some illustrations An idea summary for the student loaded with prompts for future research this book is written in a non cliched jargon free style aimed at the general reader *Routledge International Handbook of Critical Mental Health* Bruce Cohen, 2017-09-22 The Routledge International Handbook of Critical Mental Health offers the most comprehensive collection of theoretical and applied writings to date with which students scholars researchers and practitioners within the social and health sciences can systematically problematise the practices priorities and knowledge base of the Western system of mental health With the continuing contested nature of psychiatric discourse and the work of psy professionals this book is a timely return to theorising the business of mental health as a social economic political and cultural project one which necessarily involves the consideration of wider societal and structural dynamics including labelling and deviance ideological and social control professional power consumption capital neoliberalism and self governance Featuring original essays from some of the most established international scholars in the area the Handbook discusses and provides updates on critical theories of mental health from labelling social constructionism antipsychiatry Foucauldian and Marxist approaches to critical feminist race and queer theory critical realism critical cultural theory and mad studies Over six substantive sections the collection additionally demonstrates the application of such theoretical ideas and scholarship to key topics including medicalisation and pharmaceuticalisation the DSM global psychiatry critical histories of mental health and talk therapy Bringing together the latest theoretical work and empirical case studies from the US the UK Australia New Zealand Europe and Canada the Routledge International Handbook of Critical Mental Health demonstrates the continuing

need to think critically about mental health and illness and will be an essential resource for all who study or work in the field

Negotiating insanity in the southeast of Ireland, 1820-1900 Catherine Cox, 2018-04-30 This book explores local medical lay and legal negotiations with the asylum system in nineteenth century Ireland It deepens our understanding of attitudes towards the mentally ill and institutional provision for the care and containment of people diagnosed as insane Uniquely it expands the analytical focus beyond asylums incorporating the impact that the Irish poor law petty session courts and medical dispensaries had on the provision of services It provides insights into life in asylums for patients and staff The study uses Carlow asylum district comprised of counties Wexford Kildare Kilkenny and Carlow in the southeast of Ireland to explore the place of the asylum in the period This book will be useful for scholars of nineteenth century Ireland the history of psychiatry and medicine in Britain and Ireland Irish studies and gender studies A most diabolical deed' Elaine Farrell, 2015-11-01 This book examines the phenomenon of infanticide in Ireland from 1850 to 1900 examining a sample of 4 645 individual cases of infant murder attempted infanticide and concealment of birth Evidence for this study has been gleaned from a variety of sources including court documents coroners records prison files parliamentary papers and newspapers Through these sources many of which are rarely used by scholars attitudes towards the crime the women accused of the offence and the victim are revealed Although infant murder was a capital offence during this period none of the women found guilty of the crime were executed suggesting a degree of sympathy and understanding towards the accused Infanticide cases also allude to complex dynamics and tensions between employers and servants parents and pregnant daughters judges and defendants and prison authorities and inmates This book highlights much about the lived realities of nineteenth century Ireland **Hearing Voices** Brendan Kelly, 2016-11-07 Hearing Voices The History of Psychiatry in Ireland is a monumental work by one of Ireland s leading psychiatrists encompassing every psychiatric development from the Middle Ages to the present day and examining the far reaching social and political effects of Ireland s troubled relationship with mental illness From the Glen of Lunatics said to cure the mentally ill to the overcrowded asylums of later centuries with more beds for the mentally ill than any other country in the world Ireland has a complex unsettled history in the practice of psychiatry Kelly s definitive work examines Ireland s unique relationship with conceptions of mental ill health throughout the centuries delving into each medical breakthrough and every misuse of authority both political and domestic for those deemed to be mentally ill Through fascinating archival records Kelly writes a crisp and accessible history evaluating everything from individual case histories to the seismic effects of the First World War and exploring the attitudes that guided treatments spanning Brehon Law to the emerging emphasis on human rights Hearing Voices is a marvel that affords incredible insight into Ireland s social and medical history while providing powerful observations on our current treatment of mental ill health in Ireland Mental Health Ethics Phil Barker, 2010-11-09 All human behaviour is ultimately a moral undertaking in which each situation must be considered on its own merits As a result ethical conduct is complex Despite the proliferation of Codes

of Conduct and other forms of professional guidance there are no easy answers to most human problems Mental Health Ethics encourages readers to heighten their awareness of the key ethical dilemmas found in mainstream contemporary mental health practice This text provides an overview of traditional and contemporary ethical perspectives and critically examines a range of ethical and moral challenges present in contemporary psychiatric mental health services Offering a comprehensive and interdisciplinary perspective it includes six parts each with their own introduction summary and set of ethical challenges covering fundamental ethical principles legal issues specific challenges for different professional groups working with different service user groups models of care and treatment recovery and human rights perspectives Providing detailed consideration of issues and dilemmas Mental Health Ethics helps all mental health professionals keep people at the centre of the services they offer

The Confinement of the Insane Roy Porter, David Wright, 2003-08-07 The rise of the asylum constitutes one of the most profound and controversial events in the history of medicine Academics around the world have begun to direct their attention to the origins of the confinement of those deemed insane exploring patient records in an attempt to understand the rise of the asylum within the wider context of social and economic change of nations undergoing modernisation Originally published in 2003 this edited volume brings together thirteen original research papers to answer key questions in the history of asylums What forces led to the emergence of mental hospitals in different national contexts To what extent did patient populations vary in terms of their psychiatric profile and socio economic background What was the role of families communities and the medical profession in the confinement process This volume therefore represents a landmark study in the history of psychiatry by examining asylum confinement in a global context

[The Invisible Plague](#) Edwin Fuller Torrey, Judy Miller, 2001 Examines the records on insanity in England Ireland Canada and the United States over a 250 year period concluding through quantitative and qualitative evidence that insanity is an unrecognized modern day plague

Intellectual Disability and Ireland, 1947-1996 David Kilgannon, 2023-10-15 An Open Access edition of this book is available on the Liverpool University Press website and the OAPEN library Intellectual Disability and Ireland 1947 1996 explores the varied experiences of the intellectually disabled during the latter half of the mid twentieth century in Ireland Addressing the evolution of disability policies and provision it shows how a range of different actors became engaged in shaping the disability services landscape during this period Drawing on a variety of sources from government memoranda to RT television programmes David Kilgannon traces the development of disability services on paper and in reality This narrative is marked by instances of both striking transformation and significant continuity as the emergence of new policy thinking occurred in tandem with the consolidation of established approaches The book describes not only how services changed but why offering a unique perspective on the evolution of Irish social policy in the post war years

Asylums, Mental Health Care and the Irish Pauline M. Prior, 2017-02-10 This book is a collection of studies on mental health services in Ireland from the beginning of the nineteenth century to the present day Essays cover overall trends in patient

numbers an exploration of the development of mental health law in Ireland and studies on individual hospitals all of which provide incredible insight into times past and yet speak volumes about mental health in contemporary Irish society Topics include the famous nursing strike at Monaghan Asylum in 1919 when a red flag was raised over the building extracts from Speedwell a hospital newsletter showing the social and sporting life at Holywell Hospital during the 1960s an exploration of diseases such as beriberi and tuberculosis at Dundrum and the Richmond in the 1890s the problems encountered by doctors in Ballinasloe Asylum as they tried to exert their authority over the Governors and the experiences of Irish emigrants who found themselves in asylums in Australia and New Zealand The book also includes a discussion of mental health services in Ireland 1959 2010 the first time such a chronology has been published The editor Pauline Prior and the contributors including Brendan Kelly Dermot Walsh Elizabeth Malcolm and E M Crawford are well known scholars within the disciplines of medicine sociology and history coming together for the first time to present an essential book on the history of mental health services in Ireland

The Transformation Of Ireland 1900-2000 Diarmaid Ferriter, 2010-07-09 A ground breaking history of the twentieth century in Ireland written on the most ambitious scale by a brilliant young historian It is significant that it begins in 1900 and ends in 2000 most accounts have begun in 1912 or 1922 and largely ignored the end of the century Politics and political parties are examined in detail but high politics does not dominate the book which rather sets out to answer the question What was it like to grow up and live in 20th century Ireland It deals with the North in a comprehensive way focusing on the social and cultural aspects not just the obvious political and religious divisions

Mental Health Social Work in Ireland Jim Campbell, Roger Manktelow, 2019-01-15 First published in 1998 this pioneering text examines how social political and organisational changes in Ireland have shaped mental health social work practice in the late twentieth century The co editors have gathered together a range of contributors who provide knowledge and expertise in a variety of disciplines and practice settings which helps reveal the complex relationship between mental health social work the citizen and the state in Ireland North and South The volume includes chapters on a range of current issues facing mental health social workers and practitioners drawing on various sources in Ireland Europe and North America These include psychiatric social work practice mental health policy mental health social work and the law community care policies addictions work and work with older people
