Footprints Of The Soul:

Reason and Dogma, Or, Footprints of a Soul Henry Truro Bray, 1897 **Footprints on My Soul** Monique Markee Mitchell, 2005-02 Footprints on my Soul is a collection of earlier writings and new beginnings It challenges the audience to see life as the author does If we assume that life is grand the extension of a hand or a hug is needed more because life does not come in a pretty little package The words call for people to see that behind the smile is pain and then growth and sometimes more pain Footprints on my Soul are words that people want to say or express but cannot or won't This book invites people to stop thinking believing and acting mainstream however acknowledge that without the blueprints of life handed to you at birth your best bet is to live life well and remember these words could mirror you and it will be then that you want Him to carry you and the words to embrace you with extended hands and hugs Walk gently on everyone's soul

for glory once again perhaps in the form of a Dead Sea Scroll But the team soon stumbles upon ancient puzzles and mystery that could very well end in death The professor might be weaker in body but he is strong in mind and wiser than his younger cohorts As the dig unearths secret after secret he feels a great find is close at hand Yet how far are these scientists willing to go to be the one to make the big discovery Will ambition and intrigue turn to murder in the name of greed **Dead Soul**

James D. Doss, 2025-09-23 When tribal chairman Oscar Sweetwater asks Charlie Moon to look into the murder of a fellow Ute Billy Smoke Charlie agrees but he doesn't expect to find anything After all Billy's boss U S Senator Patch Davidson nearly died in the ambush that night too so the FBI handled the investigation and it's still unsolved The senator does happen to be Charlie's neighbor though their ranches share a fence line so maybe the senator will be more forthcoming with him than he was with the FBI Meanwhile Charlie's aunt Daisy an elderly tribal shaman whose visions are looked upon by Charlie with skepticism even when they ring true has seen a woman desperate for Charlie's help Daisy begins to badger Charlie to look for her even though she can't tell him her name where to look or why she's in trouble All in all it's shaping up to be another season in which the gentleman rancher spends more time being a reluctant investigator than working on his ranch helping with the cattle or in the hunt for Two toes the bobcat who's been sneaking up on his men at work And truth be told he'd rather go after the cat who doesn't seem as dangerous as Senator Davidson's enemies or Billy Smoke's business connections James Doss's novels are consistently acclaimed for their combination of tight suspenseful plotting and lyrical authentic rendering of Native American themes and images and Dead Soul is no exception
