Footprints on the Sands of Time Mary Shaw Baker, 1904 **Footprints in the Mind** James M Bourke, 2010-11-22 Footprints in the Mind is a collection of short stories in two parts I was tempted to call the stories Footprints in the Sand but on reflection I realized that footprints in sand do not last very long whereas the footprints I wish to describe are embedded in my mind I hasten to add however that the stories are fictional I probably have met some people like those in the stories and perhaps at some subconscious level they are real but my stories are a work of fiction I cannot honestly say where they come from They seem to pop up out of nowhere
