Mayumi and the Sea of Happiness Jennifer Tseng, 2015-05-26 Finalist for the 2016 PEN AWARD for Debut Fiction Books may be Mayumi Saito's greatest love and her one source of true pleasure Forty one years old disenchanted wife and dutiful mother Mayumi's work as a librarian on a small island off the coast of New England feeds her passion for reading and provides her with many occasions for wry observations on human nature but it does little to remedy the mundanity of her days That is until the day she issues a library card to a shy seventeen year old boy and swiftly succumbs to a sexual obsession that subverts the way she sees the library her family the island she lives on and ultimately herself Wary of the consequences of following through on her fantasies Mayumi hesitates at first But she cannot keep the young man from her thoughts After a summer of overlong glances and nervous chitchat in the library she finally accepts that their connection is undeniable In a sprawling house emptied of its summer vacationers their affair is consummated and soon consolidated thanks to an explosive charge of erotic energy Mayumi's life is radically enriched by the few hours each week that she shares with the young man and as their bond grows stronger thanks not only to their physical closeness but also to their long talks about the books they both love those hours spent apart seem to Mayumi increasingly bleak and intolerable As her obsession worsens in a frantic attempt to become closer to the young man Mayumi nervously befriends another librarian patron the young man's mother The two women forge a tenuous friendship that will prove vital to both in the most unexpected ways when catastrophe strikes Exquisitely written Mayumi and the Sea of Happiness is part wry confession part serious meditation At its most anxious it's a book about time at its most ecstatic it's a deeply human story about pleasure From the Trade Paperback edition
