God Gametes and The Planet of the Butterfly Queen Robert Jameson,2010-02-08 The God Gametes theory is a refreshing look at what may be both the meaning of life and the reason for its creation It argues that life on earth and in fact our human consciousness are universal entities A model is presented that assumes our universe is a tiny part of a multiverse arguing that the multiverse is a hierarchical structure each level a reproductive system of intelligent living systems on the next higher level We take a fictional look at our parent species on that next higher level to find they are far more complex creatures than us but their universe is older and will soon run out of fuel to then die Parent species know that to preserve their life and the billions of years of heritage they created they must reproduce on a lower multiverse level This we believe is why humans have developed many features such as a large brain that make our survival on earth more difficult Yet these features have evolved because they are needed by the reproductive system of the parent species from lulu.com Buried Planet Marco .S Teixeira,2023-06-22 After a sacred peak suddenly erupted a special group was sent to investigate but they weren't the only ones An opposing faction also answered the call Now as they are pushed ever deeper into the bowels of this battered world by the whims of higher powers they must also learn along the way to work together if they are to successfully

Elton Yutzy,2013-11-08 This book covers Pastor Yutzys thoughts regarding some theological issues from eternity past to eternity future from the creation of the first heaven and earth Genesis 1 1 to the new heaven and new earth Revelation 2122 He rejects evolution but does not agree with the young earth creationists In eschatology he is premillennial but does not accept the doctrine of imminence Today we do not know the day of his coming but he believes if we know what we are to look for we will know the time when it arrives Christs coming will not be as a thief in the night to those who know what to look for regarding the rapture of the church The last part of the book covers his perspective on Gods special purpose for the church Israel and the Gentiles He gives his views on abortion tattoos cremation the lake of fire Gehenna outer darkness heaven the New Jerusalem and other topics relevant for the church today **Brooklyn Daily Eagle Almanac** ,1929 **God's Endgame for Planet Earth** Derek Mailhiot,101-01-01 The Second Coming of Jesus Christ will be the most spectacular event in human history In God s Endgame for Planet Earth the events which precede accompany and come after the Second Coming are thoroughly examined in easy to understand plain language Learn what the Bible actually says about the end time events Who are the Antichrist the False Prophet and the Kings from the East Who are the Two Witnesses and the 144 000 What happens during the Great Tribulation When does the Rapture happen In the aftermath of the Battle of Armageddon Jesus returns as the Warrior Messiah to rule the nations for 1 000 years Jesus finds a world which has been devastated by war famine and disease in utter economic and environmental chaos He literally returns to save mankind from extinction and will rule by force to end war injustice and poverty But the nations ultimately reject Christ s rule and wage war against Him in the infamous Battle of Gog and Magog So is the Millennium really a time of peace and prosperity predicted by so many What really happens during the Millennium What is the purpose of the Millennium And do God s people really spend eternity in Heaven or do they spend eternity on earth in New Jerusalem as the book of Revelation predicts **The Daily Practice of the Hindus, Containing the Morning and Midday Duties** Srisa Chandra Vasu,1918
