For Love and Money Linda Queen, Wanda Zeagler, 1992 Love, Money, and HIV Sanyu A. Mojola, 2014-05-10 How do modern women in developing countries experience sexuality and love Drawing on a rich array of interview ethnographic and survey data from her native country of Kenya Sanyu A Mojola examines how young African women who suffer disproportionate rates of HIV infection compared to young African men navigate their relationships schooling employment and finances in the context of economic inequality and a devastating HIV epidemic Writing from a unique outsider insider perspective Mojola argues that the entanglement of love money and the transformation of girls into consuming women lies at the heart of women s coming of age and health crises At once engaging and compassionate this text is an incisive analysis of gender sexuality and health in Africa Ebony , 1985-10 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *Love for Sale* Elizabeth Alice Clement, 2006-12-08 The intense urbanization and industrialization of America s largest city from the turn of the twentieth century to World War II was accompanied by profound shifts in sexual morality sexual practices and gender roles Comparing prostitution and courtship with a new working class practice of heterosexual barter called treating Elizabeth Alice Clement examines changes in sexual morality and sexual and economic practices Women treated when they exchanged sexual favors for dinner and an evening s entertainment or more tangibly for stockings shoes and other material goods These charity girls created for themselves a moral space between prostitution and courtship that preserved both sexual barter and respectability Although treating as a clearly articulated language and identity began to disappear after the 1920s and 1930s Clement argues that it still had significant lasting effects on modern sexual norms She demonstrates how treating shaped courtship and dating practices the prevalence and meaning of premarital sex and America s developing commercial sex industry Even further her study illuminates the ways in which sexuality and morality interact and contribute to our understanding of the broader social categories of race gender and class *Teen Beauty Queen Finds Real Love* , 2025-08-26 What happens when a teenage beauty queen s perfect facade crumbles revealing the woman she d always meant to be From the glittering stages of Southern beauty pageants to the raw truth of authentic love this transformative story explores what it truly means to find yourself when everything you thought you knew falls apart Shelli McKinnon draws from her own journey through the complex world of competitive beauty and the dynamics of Southern society crafting a narrative that peels back the layers of expectation to reveal the vulnerable heart beneath the crown A stunning beauty queen discovers her picture perfect marriage is built on lies and betrayal forcing her to confront the woman she became in pursuit of security When she returns to her small Southern hometown to care for her dying mother she must face the dreams she abandoned and reckon with a lifetime of performing for others instead of living for herself This captivating tale of second chance romance weaves together the glittering world of beauty pageants with the authentic struggles of a woman discovering her

true self Set against the backdrop of small town Alabama then Paris it s a story of coming of age at any stage of life and the courageous journey toward genuine transformation Watch as facades fall away and real beauty emerges in this unforgettable exploration of what it means to choose love over appearances truth over perfection and authenticity over acceptance Perfect for any reader who appreciates a fictional memoir with heart depth and the promise that it s never too late to rewrite your story Discover Shelli s story the girl behind the diamond crown your heart will thank you for it *The Retail Clerks*
