

TORAH=LOVE

The Scriptures tell us that the entire Torah can be summarized by a single word... LOVE. So what do the Scriptures say will happen if the Torah is disregarded?

"And because LAWLESSNESS will abound, the love of many will grow cold." -Matthew 24:12

For Love Of Torah

For Love Of Torah:

How I Love Your Torah, O LORD! Daniel I. Block, 2011-09-01 Like the book of Romans in the New Testament the book of Deuteronomy provides the most systematic and sustained presentation of theology in the Old Testament And like the Gospel of John it represents mature theological reflection on God's great acts of salvation in this case associated with the exodus of Israel from Egypt Unfortunately for many Christians Deuteronomy is a dead book either because its contents are unknown or because its message is misunderstood The essays in this collection arise from a larger project driven by a passion to recover for Christians the life giving message of the Old Testament in general and the gospel according to Moses in particular The meditations cover a wide range of topics from explorations into the meaning of specific texts to considerations of the ethical and homiletical relevance of the book for Christians today **For Love of Torah** Shimon Finkelstein, 1992-05-01 Stories and insights on the study and the students of Israel's greatest treasure **For Love of Torah** Arthur Hoffnung, 1970 *For Love of Torah* Ts Rosenberg, 1997 Judaism Is About Love Shai Held, 2024-03-26 A profound startling new understanding of Jewish life illuminating the forgotten heart of Jewish theology and practice love A dramatic misinterpretation of the Jewish tradition has shaped the history of the West Christianity is the religion of love and Judaism the religion of law In the face of centuries of this widespread misrepresentation Rabbi Shai Held one of the most important Jewish thinkers in America today recovers the heart of the Jewish tradition offering the radical and moving argument that love belongs as much to Judaism as it does to Christianity Blending intellectual rigor a respect for tradition and the practices of a living Judaism and a commitment to the full equality of all people Held seeks to reclaim Judaism as it authentically is He shows that love is foundational and constitutive of true Jewish faith animating the singular Jewish perspective on injustice and protest grace family life responsibilities to our neighbors and even our enemies and chosenness Ambitious and revelatory Judaism Is About Love illuminates the true essence of Judaism an act of restoration from within *Anthology of the Biblical Revolution Evolution Series* Michael Stansfield, 2020-02-13 As primitive civilization developed society has established cornerstones in our thought and reasoning Things we are told repeatedly as fact from birth and are thus believed instinctively Many of these cornerstones now date back many millennia such as the Bible The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways These books also challenge the church's theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine Thus the goal is to bring an overdue debate to organized religion The hope is to remove the barriers that deny humanity the evolution of our species No topic is out of bounds A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books Love them or hate them you will be unable to put them down and you will never see the World or the Divine the same way again Love As Our Calling The Divine and Human Need for Love in a Broken World Fr. Chadi Ibrahim, 2025-07-09 Love as Our Calling The Divine and Human Need for Love in a Broken World by

Fr Chadi Ibrahim Love is more than just an emotion it is the foundation of human existence and the ultimate calling of every soul In Love as Our Calling Chadi Ibrahim explores the depth and power of love from both divine and human perspectives guiding readers on a transformative journey toward a life rooted in compassion faith and selfless giving Drawing from theology psychology and philosophy this book examines love in its many forms love for God love for others and love that has the power to heal and unite It delves into love as a universal need its role in human development and its expression across major world religions particularly through the life and teachings of Jesus Christ Through profound reflections and practical insights Love as Our Calling challenges readers to embody love in everyday life embracing forgiveness service and kindness Whether you seek to deepen your spiritual journey strengthen your relationships or find purpose through love this book offers wisdom and encouragement to help you answer the greatest calling of all Discover the transformative power of love because love is not just what we seek it is who we are meant to be *Hiraeth* Michael Stansfield,2016-08-10 As human beings we know what home is or for some of us the hope or ideal of what home should be friends family nostalgia all interlaced through love It is an emotional spiritual and physical connection to a place that goes beyond the superficial level In the broad sense I ask you the reader Is this world your home If you are honest with yourself you must confess it doesn't always feel like home This path that you are about embark upon the journey of my soul to discover humanity's home Not a home exclusively for one race religion or political creed but a home for all each accepted as members of one family and one creation **Love, Marriage, and Family in Jewish Law and Tradition** Michael Kaufman,1996-02-01 Love Marriage and Family in the Jewish Law and Tradition is everything you wanted to know about the Jewish view on marriage sexuality and child bearing in clear and concise language This comprehensive book looks to inform the reader about all the Jewish laws concerning family marriage procreation and child rearing The Old Testament and After Claude Goldsmid Montefiore,1923 **The Light and Fire of the Baal Shem Tov** Yitzhak Buxbaum,2006-09-05 This is a life in stories of Rabbi Israel Baal Shem Tov 1700-1760 the founder of Hasidism The Baal Shem Tov or the Besht as he is commonly called led a revival in Judaism that put love and joy at the center of religious life and championed the piety of the common folk against the rabbinic establishment He has been recognized as one of the greatest teachers in Jewish history and much of what is alive and vibrant in Judaism today in all denominations derives from his inspiration Abraham Joshua Heschel who was descended from several illustrious Hasidic dynasties wrote The Baal Shem Tov brought heaven to earth He and his disciples the Hasidim banished melancholy from the soul and uncovered the ineffable delight of being a Jew *The Love of God* Jon D. Levenson,2015-10-20 The love of God is perhaps the most essential element in Judaism but also one of the most confounding In biblical and rabbinic literature the obligation to love God appears as a formal commandment Yet most people today think of love as a feeling How can an emotion be commanded How could one ever fulfill such a requirement The Love of God places these scholarly and existential questions in a new light Jon Levenson traces the origins of the concept to the

ancient institution of covenant showing how covenantal love is a matter neither of sentiment nor of dry legalism The love of God is instead a deeply personal two way relationship that finds expression in God s mysterious love for the people of Israel who in turn observe God s laws out of profound gratitude for his acts of deliverance Levenson explores how this bond has survived episodes in which God s love appears to be painfully absent as in the brutal persecutions of Talmudic times and describes the intensely erotic portrayals of the relationship by biblical prophets and rabbinic interpreters of the Song of Songs He examines the love of God as a spiritual discipline in the Middle Ages as well as efforts by two influential modern Jewish thinkers Martin Buber and Franz Rosenzweig to recover this vital but endangered aspect of their tradition A breathtaking work of scholarship and spirituality alike that is certain to provoke debate The Love of God develops fascinating insights into the foundations of religious life in the classical Jewish tradition **Paul's Covenant Community** R. D. Kaylor,1988-01-01 This theological interpretation demonstrates the covenantal assumptions that underlie Paul s theology and Christology It offers a unique view of Romans and Paul that avoids two previous major problems the anti Jewish polemic of much Protestant interpretation of Paul and recent post Holocaust reaction by Gaston Gager and others who deny tension between Paul and the Torah **Shabuoth Entertainments** Elma Ehrlich Levinger,1924 Discusses the purpose of the holiday entertainment in religious schools and provides model programs and texts of several plays Shabouth Entertainments Elma Ehrlich Levinger,1924 **Kabbalah and the Art of Being** Shimon Shokek,2013-10-23 This new approach introduces Kabbalah as a spiritual Jewish way of living a practical wisdom for living creativity and well being and not merely a religious phenomenon or esoteric theology Professor Shokek suggests that the Kabbalistic theme of Creation is the central ingredient in the spiritual teachings of Jewish mysticism He skilfully reveals the core questions that emerge from the wisdom of the Jewish sages opening up a lively avenue of debate in this increasingly popular area of study **For the Love of God and People** Elliot N. Dorff,2010-01-01 This is obviously the most significant book of the year for Conservative Jews But going further I think it is a must read for any Jew who takes his her relationship to Jewish law seriously Jewish Herald Voice This book is a serious attempt by a serious scholar to address contemporary issues facing Conservative Jews Jewish Book World Every generation of Jews in every denomination of Judaism finds itself facing complex legal questions The status of same sex unions and the plight of the agunah a woman who cannot obtain a divorce are just two of a myriad of thorny questions Jewish legal experts grapple with today These are not esoteric problems but issues with a profound impact on the daily happiness of countless people How do the rabbis who draft responses to these questions reach their conclusions What informs their decisions and their approach to Jewish law Acclaimed writer and legal expert Elliot Dorff addresses these and other questions in this intelligent accessible guide to the philosophy behind Jewish law In his view Jewish law is an expression of the love we have for God and for our fellow human beings This theme permeates his discussion of important aspects of the law For example what motivates modern Jews to follow Jewish law How does Jewish law strike the balance

between continuity and change On what grounds and under what circumstances do human beings have the authority to interpret or even change God's laws Dorff also offers a systematic comparison of Jewish law and U S law based on his course on this subject at UCLA School of Law Whether you are a lawyer or simply interested in the philosophy behind recent rabbinic decisions this is a book that will deepen your understanding of the Jewish legal system and its role in the modern world

Uniter of Heaven and Earth Miles Krassen, 2012-02-01 Uniter of Heaven and Earth explores an important stage in the development of Hasidism the eighteenth century Jewish mystical movement The author presents a clear and penetrating account of the basis of Hasidic mysticism clarifying its basic beliefs and contemplative practices The underlying teachings of Hasidism are elucidated through translations of many authentic Hasidic texts previously unavailable in English Including a wide range of Hasidic texts the book focuses on the writings of a seminal figure in early Hasidic history Rabbi Meshullam Feibush Heller A disciple of Rabbi Yehiel Mikhel the Maggid of Zlotchov perhaps the prototype of the Hasidic Rebbe Heller formulated a version of Hasidic teachings that highly influenced later stages and schools of the movement including HaBaD Hasidism Central to these writings are an argument for faith in Hasidic masters and an account of radical spiritual approaches that enable the masters to transform negative thoughts and emotions into means of discovering God This book clearly explains Hasidic mysticism's use of the Kabbalah discusses the meaning of Jewish holidays in early Hasidism and provides an edifying and insightful account of the ethical basis upon which Hasidism's mystical aspirations depend What emerges is an essential understanding of the mystical experience and distinctiveness of the Hasidic Zaddiq and the controversial spiritual practices which he alone could safely employ
