Old Testament Cosmology and Divine Accommodation John W. Hilber, 2020-04-03 In order to reconcile the discrepancies between ancient and modern cosmology confessional scholars from every viewpoint on the interpretation of the early chapters of Genesis agree that God accommodated language to finite human understanding But in the history of interpretation no consensus has emerged regarding what accommodation entails at the linguistic level More precise consideration of how the ancient cognitive environment functions in the informative intention of the divine and human authors is necessary Not only does relevance theory validate interpretative options that

are inherently most probable within the primary communication situation but the application of relevance theory can also help disentangle the complexities of dual authorship inherent in any model of accommodation The results also make a salutary contribution to the theological reading of Scripture *By the Book* Nomer Bernardino, Special Revelation and Scripture David S. Dockery, Malcolm B. Yarnell, 2024-05-01 In their book *Special Revelation and Scripture* David Dockery and Malcolm Yarnell explore the fundamental elements of divine revelation such as inspiration reliability and authority and how these elements influence and shape the Christian s understanding of theological doctrines ethical teachings and matters concerning worldview **Revelation Hoofbeats** Ron J. Bigalke, 2003-06 A compilation of articles by 18 authorities on Bible prophecy and how it may impact the present and future Contributors to this volume include Dave Breese Dave Hunt Arno Froese Thomas Ice *Telling the Old, Old Story (Larsen)* David L. Larsen, 2000 *One Gospel* Nathan N. Hoff, 2023-12-18 Is faith in Messiah necessary to the content of saving faith in the Old Testament as it is in the New While the dispensational tradition has been clear that salvation in every age includes a common object God a common basis Christ s death and a common requirement faith it has not always agreed on the content of saving faith across the testaments Written within the dispensational tradition *One Gospel* seeks to advance the discussion by looking at Paul s use of the Abraham story in Romans 4 This work contends there is continuity between the Old Testament and the New as illustrated by Abraham and Paul The content of saving faith must always include faith in Messiah who in the progress of revelation is identified as Jesus Christ

Validity in the Identification and Interpretation of Literary Allusions in the Hebrew Bible David R. Klingler, 2021-10-26 Given the present state of affairs in the area of intertextuality along with the multitude of competing interpretations of Scripture *Validity in the Identification and Interpretation of a Literary Allusion in the Bible* seeks to bring a measure of reason and methodological control back into the discussion With that in mind this work is heavily philosophical yet also deeply practical By defining what literary allusions are and how they work David Klingler seeks to provide some interpretive criteria for assessing the various claims about literary allusions in the Bible **Eschatological Relationships and Jesus in Ben F. Meyer, N. T. Wright, and Progressive Dispensationalism** Richard Fountain, 2016-07-29 Modern scholars have varied responses to apocalyptic narrative in the Synoptic Gospels Some ignore it others reinterpret it and don t think that Jesus warning about persecution works in this setting In order to understand apocalyptic in the New Testament we need to understand Jewish apocalyptic and its similarities and differences with Jesus We need to know the key themes and where those themes develop in the Synoptic Gospels *Eschatological Relationships and Jesus* begins by exploring the components of prophetic and apocalyptic eschatology figurative language history sequence and juxtaposition of ideas and then develops some of the major theological themes in Meyer Wright and *Progressive Dispensationalism* from the Synoptic Gospels As readers work through *Eschatological Relationships and Jesus* they begin to see and interpret the various patterns and themes in the eschatological discourses Samples from Mark s Gospel to Matthew and Luke and a table of key eschatological relations
