Davis, 2014-01-09 After we've come to faith in Christ God

leaves us in this world for a very clear purpose his own glory But how are we to glorify God for the rest of our lives The Bible reveals that God has laid before every Christian two infinite journeys which we are to travel every day the internal journey of growth into Christlike maturity and the external journey of worldwide evangelism and missions This book is a road map for the internal journey laying out how we are to grow in four major areas knowledge faith character and action In this book we ll learn how God grows us in knowledge faith character and action We ll also discover that spiritual knowledge constantly feeds our growing faith faith will transform our character our transformed character will result in an array of actions more and more glorifying to God and our actions will feed our spiritual knowledge This upward spiral will lead us to become more and more like Jesus Christ in holiness And not only will this book help us understand Christian growth in detail it will also give us a passion to grow every day for his glory     The Complete New Testament Resource for Youth Workers, Volume 2 Jack Crabtree,2011-02-22 With lessons created written and tested by active experienced youth leaders who work with young people every week never before has there been a resource this comprehensive this practical and this relevant for teaching the New Testament to your students Walking students through the New Testament used to feel like a daunting task especially if you ve tried to create studies that are relevant and engaging to your students Now you have a diverse team of nearly thirty youth ministry practitioners working for you and they ve put together more than 100 studies that will make your job easier while helping your students dig into the Bible Whether you lead them yourself or hand the lessons over to your volunteers each lesson is easy to implement and can be used alone or combined with lessons that have already been planned You ll also find a searchable CD ROM making it easier than ever to find exactly what you need to help lead your students deeper into the life changing books from the New Testament     *Runaway Emotions* Jeff Schreve,2013-07-09 If we pay attention to the alarms in our lives they could save us Worry Anger Loneliness Negative emotions are uncomfortable by design Like any good fire alarm they alert us to a greater danger But they won t help us if we try to cover them up hide them behind excuses or assume they will always plague us The only healthy way to manage negative emotions is to find their source and address the problem that set them off As pastor Jeff Schreve says A specific and compelling message can be found in each of your negative painful emotions God Himself is trying to speak to you through those emotions right now So what is God saying How can we understand our emotions even change them Schreve shows how the truth of the Bible can make sense of our confusion The power of the Holy Spirit can lead us to freedom and Jesus Christ can give us true peace in the midst of any crisis You don t have to let your emotions run away with you your family or your future     **Bank on It** Susan Henderson,2002-12     Jose Vargas,2010-02     Awaken Terry Nance,2015-12-10 We live in a time when the church is failing to live up to its own standards It has tragically been losing the respect of those it tries to win to Christ because it has succumbed to sin pride and corruption In the past a lost world looked to the church as the example of hope and integrity today many people laugh or roll their eyes when the church is mentioned It has largely lost its relevance in the world In

Awaken best selling author Terry Nance has composed a series of letters to younger and newer believers aiming to help them avoid many of the sins and mistakes of their spiritual fathers as they hold high the standard of the kingdom of God with which they have been entrusted We the church must realize that we are called to be kingdom leaders for Jesus Christ not empire builders for ourselves We must awaken to the understanding that we carry Jesus to this world and His spirit within us must be reflected in everything we do Nance s challenge is clear Set a standard of holiness in your own life endure affliction as a good soldier of Christ run your race with patience and persevere until you come to the finish line As you do you will leave behind an army of leaders in the next generation who can take up your banner for Jesus and carry it forward with honor

When the Going Gets Tough... Rev. Curry Pikkaart,2016-08-03 Was Joseph as a spoiled brat who loved to lord it over his brothers and pretty much got what he deserved Was he a wise determined young man who did everything he could to end his familys sad history of deception and dysfunction Was he simply as an innocent victim of the twists and turns of life Were the events in his life chance happenings so all he could do was make the best of it Or were they results of his choices or Gods choices or both Could it be that what happens to us is meant to affect what happens in us Could it be that the events of our lives are invitations from God to enter into partnership with Him Do our choices and Gods choices somehow work in partnership to move us through the tough times into the next chapter of our life story

*Heart of the Living God* Michael G. Maness,2004-06-23 Maness asks us to tie up our sneakers for we are going to have some fun as we hike into the Grand Canyon of Love Love is the treasure of life It is Love all the way Nothing else really matters outside of Love Best of all our Love will only get better in heaven The treasured ability to have loving relationships is Gods gift to us in our Imago Deithe image of God we all share Likewise what we know of Love this side of heaven is but a dusty image of what God experiences I want to get personally involved says Maness Can we have a free will relationship with anyone even God if all of what we do and think is settled I dont think so Love is greater than that and I shall prove that and that is indeed a Grand Canyon Manes brings some of the brain splitting complexities of this to light with good humor introduces dynamic foreknowledge and challenges Classical Theisms avoidance of Love And he exposes some foul play in the process Thats the first half of the book For those wanting to strike out on their own wanting to see more of the depth and diversity of the Grand

Canyon the second half contains reviews of about 60 major authors a 4 000 Abysmal Bibliography and a huge index to just about everything in the book Maness has thrown a gauntlet before the Classical Theists So tie up your sneakers and take a hike with Michael G Maness as he walks with you into the Grand Canyon see more at [www.PreciousHeart.net](http://www.PreciousHeart.net) **His Precious Bride** Jon Bonker,2011-12 Short devotional writings on Christ and the church His beloved bride The book begins with looking at the example of the beloved puritan pastor Christopher Love and his wife Mary their single eyed devotion to Christ and love for one another in the context of martyrdom The ensuing devotionals flesh out the question If husbands are to love their wives as Christ did the church how exactly has Christ loved His bride And secondly What are the duties of the bride of Christ to her heavenly Husband The short work is a melding together of thoughts from the Scriptures upon marriage martyrdom and missions

**Restoring Your Shield of Faith** Chuck D. Pierce,Robert Heidler,2003-12-08 This message from Chuck Pierce and Robert Heidler likens our spiritual defense to that of the children of Israel while in battle Within the ranks there were those who carried huge shields to protect the bulk of the army And just as we fight spiritual battles today there is a mighty shield we can carry to protect us This shield of faith is one of the main ways we can resist our enemy s attacks We are fully capable of resisting the enemy s attacks but we must first be able to recognize how Satan fights His main weapons are to create fear and doubt in us and to tempt us to become complainers and murmurers If we succumb our faith is weakened The keys to increasing our faith are found in knowing the Word of God which engenders praise thankfulness trust and obedience

**A New Vision, a New Heart, a Renewed Call** David Claydon,2005 **Be Prepared** Dr. Ed Fleming,2025-03-07 An important principle in the business world is to be prepared When it comes to suffering in the Christian life being prepared is eminently more important Why In Luke 14 Jesus gives two easily understood scenarios to emphasize this point going out to battle and building a tower Unpreparedness in either realm can prove disastrous To be unprepared in a business deal may cost the loss of a sale or revenue But to be unprepared in the Christian life has eternal consequences This book **Be Prepared** Developing and Implementing a Theology of Suffering is a call to all believers to not be caught off guard as it relates to suffering Despite what many preachers are saying suffering is not the abnormal experience of a child of God Suffering is a normal part of the Christian life Jesus Paul James and Peter all make this abundantly clear As you read this book may the Lord equip you to develop and maintain this reality in your own life Philippians 1 29 tells us that a precious gift from our Savior is both to believe in His name and to suffer for His sake It s a package deal Let s be careful how we use His gift
