Eyes A Susan Shader Novel:

Eyes Joseph Glass,1997 A prominent Chicago psychoanalyst attempts to decipher the common thread in a puzzlingly random series of horrific murders **Blood** Joseph Glass,2000-07-12 Dr Susan Shader is the most fascinating and sexiest heroine to come along since Clarice Starling made her debut in *The Silence of the Lambs* Introduced in Joseph Glass's widely praised first novel *Eyes* Susan is a renowned psychiatrist and criminal profiler for the Chicago Police Department whose uncanny gift of second sight has made her a celebrity among law enforcement professionals However Susan is increasingly reluctant to devote her psychic powers to the cause of tracking down criminals Last time her efforts led to the abduction and near death of her eight year old son But when a young woman is found dead in a body bag in Chicago's Lincoln Park Detective David Gold Susan's longtime friend at the Chicago Police Department once again calls upon her psychic powers Traces of foreign blood and strange markings found on the body make one thing certain a killing this ornate could only be the work of a deranged serial killer They call him the Undertaker Susan is quickly drawn in by the bizarre psychology of the killer a man who preys on and prays over beautiful young women like a fanatic executioner Plagued by psychic messages that allude to abortion virginity and seemingly random quotations from *Romeo and Juliet* Susan scrambles for answers When the best efforts of a determined police force fail to solve the riddle Susan Shader's controversial gift may be the only way to stop the madman Combining the disturbing imagery and virtuosic writing of Thomas Harris and the intricate plot twists of John le Carr Joseph Glass catapults the suspense thriller to an entirely new dimension In *Blood* he has fashioned a relentless masterly psychological drama that leads to a most unexpected and bone chilling climax And he has given us Susan Shader a hauntingly appealing heroine we've definitely not seen the last of **The Chicago of Fiction** James A. Kaser,2011-02-01 The importance of Chicago in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on Chicago centered fiction are available they are of little use to scholars researching works written before the 1980s In *The Chicago of Fiction A Resource Guide* James A Kaser provides detailed synopses for more than 1 200 works of fiction significantly set in Chicago and published between 1852 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included
