## **Eyes Of Power Art And Early Tokugawa Authority:**

**The Eyes of Power** Karen Margaret Gerhart,1999-07-01 In this study of the political thrust behind some of the most important officially sponsored art of the early Tokugawa Karen Gerhart takes as her focus the heyday of the rule of the third Tokugawa shogun Iemitsu She analyzes aspects of painting architecture and sculpture created expressly under the patronage of Iemitsu at three major monuments the castles at Nijo and Nagoya and the sumptuous decoration of the great Tokugawa mausoleum Nikko Toshogu In highlighting key examples of artistic production Gerhart brings to the fore significant themes and issues that exemplify political art in the first half of the 17th century

**Eyes of Power** Karen M. Gerhart,2009-12 In the first half of the 17th cent both those who commissioned and those who viewed art in Japan were primarily the elite Art was designed to display authority while shrouding questions of political legitimacy Much of the artistic energy engaged by the political center during that time was directed at the creation of monumental structures decorated with symbolic and complex images initiated or approved by the shogunate to legitimate its own power and to give its rule an aura of cultured sophistication In this study Gerhart focuses on the heyday of the rule of third Tokugawa shogun Iemitsu She analyzes aspects of painting architecture and sculpture created expressly under the patronage of Iemitsu at three major monuments

*Illustrations The Eyes of Power* Karen Margaret Gerhart,1999-07-01 In this study of the political thrust behind some of the most important officially sponsored art of the early Tokugawa Karen Gerhart takes as her focus the heyday of the rule of the third Tokugawa shogun Iemitsu She analyzes aspects of painting architecture and sculpture created expressly under the patronage of Iemitsu at three major monuments the castles at Nijo and Nagoya and the sumptuous decoration of the great Tokugawa mausoleum Nikko Toshogu In highlighting key examples of artistic production Gerhart brings to the fore significant themes and issues that exemplify political art in the first half of the 17th century

*Dismissed as elegant fossils* Lee Bruschke-Johnson,2021-11-22 Konoe Nobutada 1565-1614 was a famous calligrapher and head of a high ranking aristocratic family Nobutada's contributions to the art and culture have frequently been overlooked largely because of the common misperception that aristocrats were too outdated impoverished and powerless to be worthy of discussion *Dismissed as Elegant Fossils* seeks to reinstate aristocrats as key players in the competition for political and artistic supremacy by examining Nobutada's calligraphy and painting his turbulent relationship with Tokugawa Ieyasu and his family's role in marital politics

*Faith and Power in Japanese Buddhist Art, 1600-2005* Patricia J. Graham,2007-09-30 *Faith and Power in Japanese Buddhist Art* explores the transformation of Buddhism from the premodern to the contemporary era in Japan and the central role its visual culture has played in this transformation Although Buddhism is generally regarded as peripheral to modern Japanese society this book demonstrates otherwise Its chapters elucidate the thread of change over time in the practice of Buddhism as revealed in temple worship halls and other sites of devotion and in imagery representing the religion's most popular deities and religious practices It also introduces the work of modern and contemporary artists who are not

generally associated with institutional Buddhism and its canonical visual requirements but whose faith inspires their art The author makes a persuasive argument that the neglect of these materials by scholars results from erroneous presumptions about the aesthetic superiority of early Japanese Buddhist artifacts and an asserted decline in the institutional power of the religion after the sixteenth century She demonstrates that recent works constitute a significant contribution to the history of Japanese art and architecture providing evidence of Buddhism's compelling presence at all levels of Japanese society and its evolution in response to the needs of new generations of supporters [The Routledge Companion to Global Renaissance Art](#) Stephen J. Campbell, Stephanie Porras, 2024-01-22 This companion examines the global Renaissance through object based case studies of artistic production from Africa Asia the Americas and Europe in the early modern period The international group of contributors take an art historical approach characterized by close analysis of form and meaning as well as function and a focus on questions of crosscultural dialogue and adaptation Seeking to de-emphasize the traditional focus on Europe this book is a critical guide to the literature and the state of the field Chapters outline new questions and agendas while pushing beyond familiar material Main themes include workshops the migrations of artists objects technologies diplomatic gifts imperial ideologies ethnicity and indigeneity sacred spaces and image cults as well as engaging with the open questions of the Renaissance and the global This will be a useful and important resource for researchers and students alike and will be of interest to scholars working in art history visual culture material culture and Renaissance studies The Open Access version of this book available at [www.taylorfrancis.com](http://www.taylorfrancis.com) has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license *Japan, a Modern History* James L. McClain, 2002 Japan A Modern History provides a comprehensive narrative that integrates the political social cultural and economic history of modern Japan from the investiture of Tokugawa Ieyasu in 1603 to the present

**Critical Perspectives on Classicism in Japanese Painting** Elizabeth Lillehoj, 2004-01-01 In the West classical art inextricably linked to concerns of a ruling or dominant class commonly refers to art with traditional themes and styles that resurrect a past golden era Although art of the early Edo period 1600-1868 encompasses a spectrum of themes and styles references to the past are so common that many Japanese art historians have variously described this period as a classical revival era of classicism or a renaissance How did seventeenth century artists and patrons imagine the past Why did they so often select styles and themes from the court culture of the Heian period 794-1185 Were references to the past something new or were artists and patrons in previous periods equally interested in manners that came to be seen as classical How did classical manners relate to other styles and themes found in Edo art In considering such questions the contributors to this volume hold that classicism has been an amorphous changing concept in Japan just as in the West Troublesome in its ambiguity and implications it cannot be separated from the political and ideological interests of those who have employed it over the years The modern writers who first

**Japan in Print** Mary Elizabeth Berry, 2006-02-16 A quiet revolution in knowledge separated the early modern period

in Japan from all previous time After 1600 self appointed investigators used the model of the land and cartographic surveys of the newly unified state to observe and order subjects such as agronomy medicine gastronomy commerce travel and entertainment They subsequently circulated their findings through a variety of commercially printed texts maps gazetteers family encyclopedias urban directories travel guides official personnel rosters and instruction manuals for everything from farming to lovemaking In this original and gracefully written book Mary Elizabeth Berry considers the social processes that drove the information explosion of the 1600s Inviting readers to examine the contours and meanings of this transformation Berry provides a fascinating account of the conversion of the public from an object of state surveillance into a subject of self knowledge Japan in Print shows how as investigators collected and disseminated richly diverse data they came to presume in their audience a standard of cultural literacy that changed anonymous consumers into an us bound by common frames of reference This shared space of knowledge made society visible to itself and in the process subverted notions of status hierarchy Berry demonstrates that the new public texts projected a national collectivity characterized by universal access to markets mobility sociability and self fashioning

Japan Emerging Karl Friday,2018-04-19 Japan Emerging provides a comprehensive survey of Japan from prehistory to the nineteenth century Incorporating the latest scholarship and methodology leading authorities writing specifically for this volume outline and explore the main developments in Japanese life through ancient classical medieval and early modern periods Instead of relying solely on lists of dates and prominent names the authors focus on why and how Japanese political social economic and intellectual life evolved Each part begins with a timeline and a set of guiding questions and issues to help orient readers and enhance continuity Engaging thorough and accessible this is an essential text for all students and scholars of Japanese history

**Ogata Kōrin** Frank Feltens,2021-01-01 A lush portrait introducing one of the most important Japanese artists of the Edo period Best known for his paintings Irises and Red and White Plum Blossoms Ogata K rin 1658 1716 was a highly successful artist who worked in many genres and media including hanging scrolls screen paintings fan paintings lacquer textiles and ceramics Combining archival research social history and visual analysis Frank Feltens situates K rin within the broader art culture of early modern Japan He shows how financial pressures client preferences and the impulse toward personal branding in a competitive field shaped K rin s approach to art making throughout his career Feltens also offers a keen visual reading of the artist s work highlighting the ways K rin s artistic innovations succeeded across media such as his introduction of painterly techniques into lacquer design and his creation of ceramics that mimicked the appearance of ink paintings This book the first major study of K rin in English provides an intimate and thought provoking portrait of one of Japan s most significant artists

**Voices of Early Modern Japan** Constantine Nomikos Vaporis Ph.D.,2012-01-06 Based on fresh translations of historical documents this volume offers a revealing look at Japan during the time of the Tokugawa shoguns from 1600 1868 focusing on the day to day lives of both the rich and powerful and ordinary citizens Voices of Early Modern Japan Contemporary Accounts

of Daily Life during the Age of the Shoguns spans an extraordinary period of Japanese history ranging from the unification of the warring states under Tokugawa Ieyasu in the early 17th century to the overthrow of the shogunate just prior to the mid 19th century opening of Japan by the West Through close examinations of sources from a time known as The Great Peace this fascinating volume offers fresh insights into the Tokugawa era its political institutions rigid class hierarchy artistic and material culture religious life and more Sources come from all levels of Japanese society everything from government documents and household records to personal correspondence and diaries all carefully translated and examined in light of the latest scholarship

**Imagined Neighbors** Frank Feltens, 2024-07-30 Welches Bild von China hatten japanische Künstler vom späten 17. Jahrhundert als ihr Land sich gegen die Welt abschottete bis zur Öffnung im Zuge der Modernisierung ab der Mitte des 19. Jahrhunderts Der Band untersucht vorrangig Darstellungen in der japanischen Malerei vom späten 17. bis zum 20. Jahrhundert die China als realen Ort ebenso wie als imaginäres gelobtes Land zeigen In drei Essays renommierter japanischer Kunsthistoriker innen und über fünfzig Katalogeinträgen zu ausgewählten Werken werden die komplexen Reaktionen der Kunst Japans auf die chinesische Kunst Geschichte und Kultur offenbar Eine Handvoll wissenschaftlicher Studien hinterfragt in jüngerer Zeit das etablierte Narrativ das moderne Japan habe sich allein am Westen orientiert Diese verbreitete Vorstellung von einem ausschließlich westlich inspirierten heutigen Japan thematisiert Imagined Neighbors Mit einem nuancierteren Ansatz bemüht sich der Band die schwierige Auseinandersetzung zwischen Alt und Neu im Zuge der Neuerfindung des modernen Nationalstaats Japan zu verstehen

**Vision and Society** John Clammer, 2014-03-26 The sociology of art is now an established sub discipline of sociology But little work has been done to explore the implications not of society on art but of art on the nature and principles of sociology itself Vision and Society explores the ways in which art here mainly understood as visual art structures in fundamental ways the constitution of society the relations between societies and the ways in which society and culture should be theorized Building initially on an unfulfilled project by the French sociologist of art Nathalie Heinich to derive a sociology from art this book pushes this idea in unconventional directions Rethinking the relationships between the study of art and the study of sociology and anthropology this book explores how this rethinking might impact sociological theory in general and certain aspects of it in particular especially the study of social movements social change the urban the constitution of space and the ways in which human social relationships are mediated and expressed

**Printing and Book Culture in Late Imperial China** Cynthia J. Brokaw, Kai-Wing Chow, 2005-03-07 A very useful book on a topic of growing importance and interest Brokaw's introduction is one of the most valuable and best written prefaces to an edited volume that I have encountered in some time Kent Guy author of The Emperor's Four Treasures

**In the Presence of Gods and Spirits** Anne Walthall, 2025-08-12 In the Presence of Gods and Spirits brings to life the early nineteenth century Japanese religious leader and scholar Hirata Atsutane whose fear of Russian incursion onto Japan's soil led him to redefine what it means to be Japanese Atsutane advocated the

study of the Way of the Gods commonly known as Shinto to explain what happens to the soul after death and to cultivate a Japanese identity centered on gods spirits and the emperor His teachings would later attract thousands of followers and feed the movements that led to the Meiji Restoration Drawing on the concept of material religion Walthall demonstrates how Atsutane and his collaborators sought out knowledge of the unseen world and educated others while seeking to bring themselves closer to the gods and spirits This work showcases Atsutane and his community s legacy which has had a profound influence on Japanese society religious belief and culture far beyond his lifetime

**Shinto Shrines** Joseph Cali, John Dougill, 2012-11-30 Of Japan s two great religious traditions Shinto is far less known and understood in the West Although there are a number of books that explain the religion and its philosophy this work is the first in English to focus on sites where Shinto has been practiced since the dawn of Japanese history In an extensive introductory section authors Joseph Cali and John Dougill delve into the fascinating aspects of Shinto clarifying its relationship with Buddhism as well as its customs symbolism and pilgrimage routes This is followed by a fully illustrated guide to 57 major Shinto shrines throughout Japan many of which have been designated World Heritage Sites or National Treasures In each comprehensive entry the authors highlight important spiritual and physical features of the individual shrines architecture design and art associated festivals and enshrined gods They note the prayers offered and for travelers the best times to visit With over 125 color photographs and 50 detailed illustrations of archetypical Shinto objects and shrines this volume will enthrall not only those interested in religion but also armchair travelers and visitors to Japan alike Whether you are planning to visit the actual sites or take a virtual journey this guide is the perfect companion Visit Joseph Cali s Shinto Shrines of Japan The Blog Guide <http://shintoshrinesofjapanblogguide.blogspot.jp> Visit John Dougill s Green Shinto dedicated to the promotion of an open international and environmental Shinto <http://www.greenshinto.com> wp

**Kyoto Visual Culture in the Early Edo and Meiji Periods** Morgan Pitelka, Alice Y. Tseng, 2016-05-20 The city of Kyoto has undergone radical shifts in its significance as a political and cultural center as a hub of the national bureaucracy as a symbolic and religious center and as a site for the production and display of art However the field of Japanese history and culture lacks a book that considers Kyoto on its own terms as a historic city with a changing identity Examining cultural production in the city of Kyoto in two periods of political transition this book promises to be a major step forward in advancing our knowledge of Kyoto s history and culture Its chapters focus on two periods in Kyoto s history in which the old capital was politically marginalized the early Edo period when the center of power shifted from the old imperial capital to the new warriors capital of Edo and the Meiji period when the imperial court itself was moved to the new modern center of Tokyo The contributors argue that in both periods the response of Kyoto elites emperors courtiers tea masters municipal leaders monks and merchants was artistic production and cultural revival As an artistic cultural and historical study of Japan s most important historic city this book will be invaluable to students and scholars of Japanese history Asian history the Edo and Meiji periods art history visual culture and cultural

history     **Tokyo Before Tokyo** Timon Screech, 2024-11-12 A rich and original history of Edo the shogun's city that became modern Tokyo Tokyo today is one of the world's mega cities and the center of a scintillating hyper modern culture but not everyone is aware of its past Founded in 1590 as the seat of the warlord Tokugawa family Tokyo then called Edo was the locus of Japanese trade economics and urban civilization until 1868 when it mutated into Tokyo and became Japan's modern capital This beautifully illustrated book presents important sites and features from the rich history of Edo taken from contemporary sources such as diaries guidebooks and woodblock prints These include the huge bridge on which the city was centered the vast castle of the Shogun sumptuous Buddhist temples bars kabuki theaters and Yoshiwara the famous red light district

Prince, Pen, and Sword: Eurasian Perspectives Maaïke van Berkel, Jeroen Duindam, 2018-01-22 Prince Pen and Sword offers a synoptic interpretation of rulers and elites in Eurasia from the fourteenth to the eighteenth century Four core chapters zoom in on the tensions and connections at court on the nexus between rulers and religious authority on the status function and self perceptions of military and administrative elites respectively Two additional concise chapters provide a focused analysis of the construction of specific dynasties the Golden Horde and the Habsburgs and narratives of kingship found in fiction throughout Eurasia The contributors and editors authorities in their fields systematically bring together specialised literature on numerous Eurasian kingdoms and empires This book is a careful and thought provoking experiment in the global comparative and connected history of rulers and elites
