Pantologia John Mason Good, Olinthus Gregory, Newton Bosworth, 1813 **Tales of Iran** Feridon Rashidi, 2017-01-04

These evocative short stories put together in historical order present a vivid mosaic of the dramatic comic lyrical and tragic. Spanning 100 years the tales are wonderfully diverse: a young girl is forced to marry a feudal lord much older than her; a village dandy falls in love with a beautiful woman in a foreign land; the treacherous role played by the people of Tehran when the democratically elected government of Dr Mosaddegh was overthrown by the help of the CIA; young boys in a remote village are asked to take part in horrific absurd and comical religious ceremonies and festivals; a little boy who becomes intensely preoccupied with the secret lives of marionettes; a deeply religious adolescent who fails to have sex with a prostitute; a woman who is banned from singing under Sharia Law; a pigeon fancier who falls in love with a young woman whose fanatic family cause a lot of problems for him. But together these tales create a sense of separate destinies entwined across time and space.

Chhutkoo: The Brave Little Pigeon Shyamankar Singhari, 2025-09-03

Chhutkoo: The Brave Little Pigeon is a heartwarming tale of courage, compassion, and the extraordinary bond between humans and nature. Inspired by a true incident and expanded into a rich novel, the story follows Chhutkoo, a vulnerable green pigeon who tumbles from his nest in a bustling Indian colony, and Arjun, a curious boy with a passion for wildlife who refuses to look away. What begins as a simple act of kindness grows into a journey of resilience, weaving together Chhutkoo's struggle for survival and Arjun's awakening to the urgent need for environmental care. As the young pigeon learns to navigate the dangers of city life—cats, crows, storms, and even poachers—Arjun and his sister Priya rally their community to protect not only Chhutkoo but also the ancient neem tree that shelters countless creatures. Through alternating perspectives, Chhutkoo's animal voice and the human world, readers witness the interconnectedness of life. Themes of friendship, conservation, and hope shine against the backdrop of a post-pandemic India where change and development threaten fragile ecosystems. Along the way, unexpected allies emerge: a scarred crow named Raja, a feisty sparrow called Tiny, and even children once indifferent to nature. This expanded edition deepens the narrative with layered characters, new adventures, and subplots that resonate with today's challenges of urbanization and environmental responsibility. From daring rescues to community protests, from storms that test survival to small acts of everyday kindness, *Chhutkoo* is both a moving adventure and a call to action. Perfect for readers young and old, the novel inspires us to recognize that bravery comes in all sizes and that protecting even the smallest creature can spark ripples of change. Whether you're a bird lover, an environmentalist, or simply someone who believes in the power of compassion, Chhutkoo's journey will leave you uplifted and inspired.
