Jesus and the Eyewitnesses, 2nd ed. Richard Bauckham, 2017-04-28 A groundbreaking work in New Testament studies expanded and updated Winner of the 2007 Christianity Today Book Award in Biblical Studies this momentous volume argues that the four Gospels are closely based on the eyewitness testimony of those who personally knew Jesus Noted New Testament scholar Richard Bauckham challenges the prevailing assumption that the Jesus accounts circulated as anonymous community traditions asserting instead that they were transmitted in the names of the original eyewitnesses In this expanded second edition Bauckham is adding a new preface three substantial new chapters that respond to critics and clarify key points of his argument and a comprehensive new bibliography

Science, Reason, and Faith Fr. Robert Spitzer, SJ, 2023-09-18 Built into our very nature is a desire to know about the world around us The big questions of human existence are inescapable Who am I Why am I here and where am I going Why is there evil in the world What is the meaning of life This yearning for truth ultimately leads us to our Creator God knows the longings of the human heart and he reveals himself to us through creation through Scripture and ultimately through the Incarnation Because God the Son became man we have a person to look to in our pursuit of truth Jesus Christ himself who is Truth Christ helps us see that truth is not just the object of science and reason but what animates the mysterious and loving power of faith In *Science Reason and Faith* Fr Robert Spitzer SJ explores in depth the Bible and the intersection of three realms that the secular world tells us are separate and incompatible Fr Spitzer draws the modern reader's attention to the many seeming conflicts between science reason and Catholic teaching By tackling these difficult questions he shows that it is precisely through the integration of science reason and faith that we can truly discover ourselves our world and our God

Jesus and the Eyewitnesses, 2d ed. Bauckham, Richard, 2017 Jesus and the Eyewitness argues that the four Gospels are closely based on the eyewitness

testimony of those who knew Jesus The author challenges the assumption that the accounts of Jesus circulated as anonymous community traditions asserting instead that they were transmitted in the name of the original eyewitnesses *Witness the Passion* Richard Exley,2004 You've Read the Gospel Stories about Jesus You've heard plenty of sermons about His life His death and His resurrection And you're sure you know the story inside and out But you've never heard it like this In a dozen riveting vignettes Richard Exley sketches a revealing and intimate portrait of Jesus as he was seen through the eyes of the people he touched during his final days Drawing from the canvases of Scripture history and tradition Exley carefully paints these real life eyewitness accounts in colors so vivid you'll feel you're right there with them You'll see Jesus changing the lives of ordinary people More importantly you'll see how He can change you Book jacket *Social Memory and Social Identity in the Study of Early Judaism and Early Christianity* Samuel Byrskog,Raimo Hakola,Jutta Maria Jokiranta,2016-09-12 The concepts of social memory and social identity have been increasingly used in the study of ancient Jewish and Christian sources In this collection of articles international specialists apply interdisciplinary methodology related to these concepts to early Jewish and Christian sources The volume offers an up to date presentation of how social memory studies and socio psychological identity approach have been used in the study of Biblical and related literature The articles examine how Jewish and Christian sources participate in the processes of collective recollection and in this way contribute to the construction of distinctive social identities The writers demonstrate the benefits of the use of interdisciplinary methodologies in the study of early Judaism and Christianity but also discuss potential problems that have emerged when modern theories have been applied to ancient material In the first part of the book scholars apply social collective and cultural memory approaches to early Christian sources The articles discuss philosophical aspects of memory the formation of gospel traditions in the light of memory studies the role of eyewitness testimony in canonical and non canonical Christian sources and the oral delivery of New Testament writings in relation to ancient delivery practices Part two applies the social identity approach to various Dead Sea Scrolls and New Testament writings The writers analyse the role marriage deviant behaviour and wisdom traditions in the construction of identity in the Dead Sea Scrolls Other topics include forgiveness in the Gospel of Matthew the imagined community in the Gospel of John the use of the past in Paul's Epistles and the relationship between the covenant and collective identity in the Epistle to the Hebrews and the First Epistle of Clement **The New Testament and the Church** John Barton,Peter Groves,2015-12-17 John Barton and Peter Groves present a range of chapters by leading scholarly voices from the worlds of biblical studies and the Church looking at the study of the New Testament within and around the Church and the impact it has had and can have on Christian theology The essays in the volume adopt a style of critical engagement with biblical texts through the prism of a modern and living Church The focus of the volume is thus not only upon the New Testament itself but upon how reading the New Testament is important for dialogue within the Church and within Christian denominations Among the highly distinguished contributors are John Barton Eric Eve Mark Goodacre

Christopher Rowland and Rowan Williams *The Christian World Around the New Testament* Richard Bauckham, 2017-10-20 Most of these thirty one essays by Richard Bauckham a well known New Testament scholar were first published between 1979 and 2015 in journals and multi authored volumes Two are previously unpublished and one has not been published in English before They range widely over early Christianity and early Christian literature in both the New Testament period and the early patristic period reflecting the author s conviction that the historical study of early Christianity should not isolate the New Testament literature from other early Christian sources such as the apostolic fathers and the Christian apocryphal literature Some of the essays develop further the themes of the author s books on aspects of the Gospels such as the intended audiences of the Gospels the way in which Gospel traditions were transmitted the role of the eyewitnesses in the origins of the Gospels the importance of Papias s evidence about Gospel traditions and the relationship between canonical and Gnostic Gospels Some of the essays relate to important persons such as Peter Barnabas Paul and James These include a full investigation of the evidence for the martyrdom of Peter and an attempt to locate the estate of Publius where Paul stayed on Malta There are studies of the Sabbath and the Lord s Day in both the New Testament and patristic periods There are studies that survey most of the main categories of apocryphal Christian literature including apocryphal Gospels and Acts and with a special focus on the non canonical apocalypses such as the Apocalypse of Peter and the Latin Vision of Ezra *DK Eyewitness Krakow* DK Eyewitness, 2018-02-20 Wondering what to do in Krakow Visit Wawel Hill home to the royal castle and stunning Gothic cathedral explore Jewish history in Kazimierz and Podg rze the inspiration for much of Spielberg s Schindler s List or tuck into a plate heaped with pierogi in one of the city s milk bars Beyond the city venture into the intriguing underground world of the Wieliczka Salt Mines or spend the day in quiet contemplation at the emotive Auschwitz and Birkenau concentration camps Whatever you do the DK Eyewitness Travel Guide Krakow helps you to uncover the incredible history and exciting cultural life of this captivating city Packed with fantastic photographs illustrations and maps plus detailed descriptions and useful advice this unbeatable guide is the perfect travel companion With hundreds of full color photographs hand drawn illustrations and custom maps that illuminate every page DK Eyewitness Travel Guide Krakow truly shows you this city as no one else can **DK Eyewitness Spain** DK Eyewitness, 2022-04-12 Discover Spain a compelling country filled with must see sights Whether you want to explore Granada s spectacular Alhambra palace watch swirling flamenco dancers in Seville or walk through lush countryside on the epic Camino de Santiago your DK Eyewitness travel guide makes sure you experience all that Spain has to offer From the golden beaches on the Mediterranean coast to the wild peaks of the Pyrenees Spain s varied landscape is a treasure trove for outdoor enthusiasts But its cities are just as enticing Discover architectural wonders Roman ruins captivating museums and to top it all off a tantalizing cuisine complemented by world class wine Our recently updated guide brings Spain to life transporting you there like no other travel guide does with expert led insights and advice detailed breakdowns of all the must see sights photographs on practically
