Ezekiel Peoples Bible Commentary:

Ezekiel (Understanding the Bible Commentary Series) Steven Tuell, 2012-07-01 The Understanding the Bible Commentary Series helps any reader navigate the strange and sometimes intimidating literary terrain of the Bible. These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers. The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard. Pastors, teachers, and lay people alike will cherish the easily understandable truth found in this commentary series. Eerdmans Commentary on the Bible: Ezekiel John Goldingay, 2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Goldingay's introduction to and concise commentary on Ezekiel. The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible, including the Apocrypha. Reader-friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars, students, and general readers. Rather than attempt a verse-by-verse analysis, these volumes work from larger sense units, highlighting the place of each passage within the overarching biblical story. Commentators focus on the genre of each text: parable, prophetic oracle, legal code, and so on, interpreting within the historical and literary context. The volumes also address major issues within each biblical book, including the range of possible interpretations and refer readers to the best resources for further discussions. **Ezekiel** Millard Lind, 1996-04-05 Millard C. Lind has taught the book of Ezekiel for thirty years in seminary and in the church. He skillfully opens the prophet's message about God's presence, covenant, victorious rule, concern for the nations, and cleansing for worship and obedience. The wheel and dry bones are not just for entertainment. This actor, singer, and instrumentalist is prophesying to a battered people who need the word of the Lord for survival and mission. God has called Ezekiel to be a sentinel for his people to warn them of pending danger. They must not look back to unjust Jerusalem nor join a revolt against Babylon. Instead, they are to turn and live by God's law even in a foreign land. After judging the nations and Jerusalem, God will restore Israel to a renewed land. The people will be given a new heart and spirit; a resurrection. God will defeat international terror and organize Israel as a new temple community with the Lord in their midst. Then all will know that God leads world history not by militarists but through a people serving as a moral exemplar for the nations. Free downloadable study guide available here. **Ezekiel** Ernest Lucas, Naomi Starkey, 2002 Each PBC volume divides the Bible text into sections that are covered in a series of two-page reflections with concluding prayer or point for reflection. An introductory section considers authorship, background, and themes, including a list of books for further study. Believer's Bible Commentary William MacDonald, 2016-08-16 Make Bible study a part of your daily life with the thorough yet easy-to-read commentary that turns complicated theology into practical understanding. The second edition of Believer's Bible Commentary is a one-volume guide that helps the average reader develop basic knowledge of the Bible. This

commentary written by the late William MacDonald explores the deeper meanings of every biblical book and tackles controversial issues from a theologically conservative standpoint while also presenting alternative views Serving as a friendly introduction to Bible study Believer s Bible Commentary gives clarity and context to scripture in easy to understand language Features Introductions notes and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James version **The Broadman Bible Commentary: Jeremiah.**

Lamentations. Ezekiel. Daniel Clifton Judson Allen,1969 *Volume 1 of Ezekiel's Story - The Whirlwind* Robert Fodge,2016-03-07 The book of Ezekiel contains unique information about God s chosen people The whole scope of God s love sovereignty power omniscience righteousness mercy anger wrath and judgment towards saved but rebellious people is revealed God s treatment of His chosen people is a model of the way that He treats with saved but rebellious individuals In 1 Pet 4 17 18 Peter said For the time is come that judgment must begin at the house of God and if it first begin at us what shall the end be of them that obey not the gospel of God And if the righteous scarcely be saved where shall the ungodly and the sinner appear Ezekiel s story of the whirlwind is the account of the reason for God s judgment of the nation of Israel and corresponds perfectly with Peter s statement that judgment must begin at the house of God That nation was outwardly committed to God They maintained that they trusted in God but they were guilty of being like neighboring nations

Egypt as a Monster in the Book of Ezekiel Safwat Marzouk,2015-06-05 Appealing to Monster Theory and the ancient Near Eastern motif of Chaoskampf Safwat Marzouk argues that the paradoxical character of the category of the monster is what prompts the portrayal of Egypt as a monster in the book of Ezekiel While on the surface the monster seems to embody utter difference underlying its otherness there is a disturbing sameness Though the monster may be defeated and its body dismembered it is never completely annihilated Egypt is portrayed as a monster in the book of Ezekiel because Egypt represents the threat of religious assimilation Although

initially the monstrosity of Egypt is constructed because of the shared elements of identity between Egypt and Israel the prophet flips this imagery of monster in order to embody Egypt as a monstrous Other In a combat myth YHWH defeats the monster and dismembers its body Despite its near annihilation Egypt in Ezekiel s rhetoric is not entirely obliterated Rather it is kept at bay hovering at the periphery questioning Israel s identity
