Florine Stettheimer Stephen Brown,Georgiana Uhlyarik,2017-01-01 A new look at the art of one of the most charming and idiosyncratic personalities of early 20th century New York Florine Stettheimer 1871 1944 was a New York original a society lady who hosted an avant garde salon in her Manhattan home a bohemian and a flapper a poet a theater designer and above all an influential painter with a sharp satirical wit Stettheimer collaborated with Gertrude Stein and Virgil Thomson befriended and took French lessons from Marcel Duchamp and was a member of Alfred Stieglitz and Georgia O Keeffe s artistic and intellectual circle Beautifully illustrated with 150 color images including the majority of the artist s extant paintings as well as drawings theater designs and ephemera this volume also highlights Stettheimer s poetry and gives her a long overdue critical reassessment The essays published here as well as a roundtable discussion by seven leading contemporary female artists overturn the traditional perception of Stettheimer as an artist of mere novelties Her work is linked not only to American modernism and the New York bohemian scene before World War II but also to a range of art practices active today Flamboyant and epicurean she was an astute documenter of New York and parodist of her social milieu her highly decorative scenes borrowed from Surrealism and contributed to the beginnings of a feminist aesthetic

Prepare for Saints Steven Watson,2012-09-05 Perhaps the oddest and most influential collaboration in the history of American modernism was hatched in 1926 when a young Virgil Thomson knocked on Gertrude Stein s door in Paris Eight years later their opera Four Saints in Three Acts became a sensation the longest running opera in Broadway history to date and the most widely reported cultural event of its time Four Saints was proclaimed the birth of a new art form a cellophane fantasy cubism on stage It swept the public imagination inspiring new art and new language and defied every convention of what an opera should be Everything about it was revolution ary Stein s abstract text and Thomson s homespun music the all black cast the costumes and the com bustible sets Moving from the Wadsworth Atheneum to Broadway Four Saints was the first popular modernist production It brought modernism with all its flamboyant outrage against convention into the mainstream This is the story of how that opera came to be It involves artists writers musicians salon hostesses and an underwear manufacturer with an appetite for publicity The opera s success depended on a handful of Harvard trained men who shaped America s first museums of modern art The elaborately intertwined lives of the collaborators provide a window onto the pioneering generation that defined modern taste in America in the 1920s and 1930s A brilliant cultural historian with a talent for bringing the past to life Steven Watson spent ten years researching and writing this book interviewing many of the collaborators and performers Prepare for Saints is the first book to describe this pivotal moment in American cultural

history It does so with a spirit and irreverence worthy of its subject NOTE This edition does not include photographs The Miniatures Catalog Boynton & Associates,1979 *Women in Dada* Naomi Sawelson-Gorse,2001 his book is the first to make the case that women s changing role in European and American society was critical to Dada **Catalog of Copyright Entries.
