

The book cover features a dark, atmospheric landscape painting. In the foreground, two circular altars are lit with numerous white candles, casting a warm glow. The altars are surrounded by various objects, including what appear to be small figurines and ritual items. The background shows a vast, dark, and textured landscape under a cloudy sky. The overall mood is somber and spiritual.

The Grove Encyclopedia of American Art Joan M. Marter, 2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries

Committed to Memory Cheryl Finley, 2022-08-30 How an eighteenth century engraving of a slave ship became a cultural icon of Black resistance identity and remembrance One of the most iconic images of slavery is a schematic wood engraving depicting the human cargo hold of a slave ship First published by British abolitionists in 1788 it exposed this widespread commercial practice for what it really was shocking immoral barbaric unimaginable Printed as handbills and broadsides the image Cheryl Finley has termed the slave ship icon was easily reproduced and by the end of the eighteenth century it was circulating by the tens of thousands around the Atlantic rim Committed to Memory provides the first in depth look at how this artifact of the fight against slavery became an enduring symbol of Black resistance identity and remembrance Finley traces how the slave ship icon became a powerful tool in the hands of British and American abolitionists and how its radical potential was rediscovered in the twentieth century by Black artists activists writers filmmakers and curators Finley offers provocative new insights into the works of Amiri Baraka Romare Bearden Betye Saar and many others She demonstrates how the icon was transformed into poetry literature visual art sculpture performance and film and became a medium through which diasporic Africans have reasserted their common identity and memorialized their ancestors Beautifully illustrated Committed to Memory features works from around the world taking readers from the United States and England to West Africa and the Caribbean It shows how contemporary Black artists and their allies have used this iconic eighteenth century engraving to reflect on the trauma of slavery and come to terms with its legacy

Folk and Songs in Japan and Beyond Matt Gillan, Kiku Day, Patrick Huang, 2022-05-10 This volume of essays and research papers is dedicated to David Hughes in honour of his contribution to research teaching and dissemination of the music of Japan South East Asia and other countries over many years Dr Hughes academic output from the 1970s to the present has covered many aspects of Japanese traditional music making in particular the min y folk song genre of which he remains the primary scholar outside Japan His groundbreaking work has also encompassed theories of musical grammars oral notation systems in cross cultural perspective as well as several papers on cultural heritage and preservation societies The contributors to this volume comprise many of David s former students as well as scholars from Japan and elsewhere with whom Dr Hughes has collaborated over the years The papers reflect the depth and breadth of Hughes research output demonstrating his continuing influence over ethnomusicologists around the world

No Space Hidden Grey Gundaker, Judith McWillie, 2005 Focusing primarily though not exclusively on the southeastern United States the book examines works ranging from James Hampton s well known Throne of the Third Heaven of the Nations Millennium General Assembly now part of the Smithsonian collection to several elaborately decorated yards and gardens to smaller scale acts of commemoration protection and witness The authors show how the artful arrangement

and adornment of everyday objects and plants express both the makers own experiences and concerns and a number of rich and sustaining cultural traditions They identify a lexicon of material signs that are frequently and consistently used in African American culture and art and then show how such elements have been used in various individual works and what they mean to the practitioners themselves BOOK JACKET *Mapping Modernisms* Elizabeth Harney, Ruth B. Phillips, 2018-11-01

Mapping Modernisms brings together scholars working around the world to address the modern arts produced by indigenous and colonized artists Expanding the contours of modernity and its visual products the contributors illustrate how these artists engaged with ideas of Primitivism through visual forms and philosophical ideas Although often overlooked in the literature on global modernisms artists artworks and art patrons moved within and across national and imperial borders carrying appropriating or translating objects images and ideas These itineraries made up the dense networks of modern life contributing to the crafting of modern subjectivities and of local transnationally inflected modernisms Addressing the silence on indigeneity in established narratives of modernism the contributors decenter art history s traditional Western orientation and prompt a re evaluation of canonical understandings of twentieth century art history *Mapping Modernisms* is the first book in *Modernist Exchanges* a multivolume project dedicated to rewriting the history of modernism and modernist art to include artists theorists art forms and movements from around the world Contributors Bill Anthes Peter Brunt Karen Duffek Erin Haney Elizabeth Harney Heather Igloliorte Sandra Klopfer Ian McLean Anita Nettleton Chika Okeke Agulu Ruth B Phillips W Jackson Rushing III Damian Skinner Nicholas Thomas Norman Vorano *The Hero with an African Face* Clyde W. Ford, 2000-01-04 In this remarkable book Clyde Ford restores to us the lost treasure of African mythology bringing to life the ancient tales and showing why they matter so much to us today African myths convey the perennial wisdom of humanity the creation of the world the hero s journey our relationship with nature death and resurrection From the Ashanti comes the moving account of the grief stricken Kwasi Benefo s journey to the underworld to seek his beloved wives From Uganda we learn of the legendary Kintu who won the love of a goddess and created a nation from a handful of isolated clans The Congo s epic hero Mwindo is the sacred warrior who shows us the path each person must travel to discover his true destiny These and other important African myths show us the history of African Americans in a new light as a hero s journey a courageous passage to a hard won victory *The Hero with an African Face* enriches us all by restoring this vital tradition to the world
