Face Of Glory:

Seeing the Face of God Puttagunta Satyavani, 2014-09-14 The expression the face of God is a familiar one to Bible scholars and its meaning has long been a point of disagreement especially in its use with the verb to see While some scholars dismissed the expression as merely a metaphor with little significance others have compared it to the face of gods and goddesses of the ANE religious context where worshippers sought an audience with their divine king Scrutinising previous scholarship and based on careful exegesis of several crucial passages in the Pentateuch this publication presents the motif seeing the face of God in an entirely new context of divine self revelation Good Words ,1882 Face to Fac Clayton R. Hall Jr., 2025-09-13 a close look at how the creator of the world eagerly to interact with His creation has taken opportunity to reveal Himself as the Angel of the Lord The Ministry of the Word, Vol. 28, No. 6: The Christian Life Various Authors, 2024-08-02 This issue of The Ministry of the Word contains the six messages from the Memorial Day blending conference held in Bellevue Washington on May 24 27 2024 The general subject of this series of messages is The Christian The Ministry of the Unveiled Face Janet E. Fichter, 2022-02-15 Jesus told His followers to go into the world and Life preach the Good News However many Christians aren t fulfilling this Great Commission The call to evangelize conjures up uncomfortable images of walking inner city streets with a megaphone We don't relish facing possible ridicule so prevalent in society today so we hesitate to reach out But we are called to witness And it isn t that difficult When we anchor in the goodness of Christ we realize that sharing the Gospel is a profound honor The Ministry of the Unveiled Face grounds us in the simplicity of sharing Christ in the everyday The meekness of the call lies in our being responsive and obedient to God's prompting as we interact with others Anchored in persevering prayer we speak scriptural truths into the lives of others as the Holy Spirit leads Like the unveiling of a beautiful bride at her wedding the spiritual veil is removed and Christ's truth and goodness are revealed The Changing Face of World Missions (Encountering Mission) Michael Pocock, Gailyn Van Rheenen, Douglas McConnell, 2005-10-01 The dramatic changes that have taken place both in global society and in the church have implications for how the church does missions in the twenty first century These trends include the rise of postmodernism the spiritual decline in the West and the advance of the gospel in the rest of the world and the impact of technology on society and missions The Changing Face of World Missions is for the mission minded church leader or lay person who wants to understand these trends Each chapter identifies and evaluates a trend examines it in light of Scripture and proposes a practical response Important terms are defined and sidebars help readers think through the issues on their Face to Face Marty Folsom, 2016-08-31 Like falling in love this book argues that a relationship with God begins with own surprise proceeds with discovery and shapes a life that comes to share a story of love This book does not describe God but pursues the nature of personally relating with the triune God Consequently it also engages how we relate with humans made in God's image We finish the Face to Face series with this most mysterious and fulfilling encounter a personal engagement

Robinson, 1882 Yahweh among the Gods Michael Hundley, 2022-01-13 In this study Michael Hundley explores the diverse deities of ancient Near Eastern and biblical literature from deified doors and diseases to the masters of the universe Using data from Mesopotamia Hittite Anatolia Egypt the Levant and non priestly Genesis and Exodus Hundley explains their context specific approach to deity which produces complex and seemingly contradictory portraits He suggests that ancient deities gained prominence primarily by co opting the attributes of other deities rather than by denying their existence or inventing new powers He demonstrates that the primary difference between biblical and ancient Near Eastern presentations lies in their rhetorical goals not their conceptions of gods While others promote divine supremacy Genesis and Exodus promote exclusive worship Hundley argues that this monolatry redefined the biblical divine sphere and paved the way for the later development of monotheism and monotheistic explanations of evil The Bible Treasury ,1868
