Fw Maitland:

F.W. Maitland Geoffrey Rudolph Elton, 1985-01-01 In the eyes of scholars of history and jurisprudence F W Maitland 1850 1906 is among the very greatest of English historians However little has been written about him G R Elton one of the first rank historians of his own generation now remedies this omission with a skilled succinct and vigorous essay that is both biography and critique *Frederic William Maitland* Arthur Liionel Smith, 1908 [The Letters of Frederic William Maitland](#) Frederic William Maitland, 1965 **Equity** F. W. Maitland, Frederic William Maitland, A. H. Chaytor, W. J. Whittaker, 2011-03-03 The lectures given in Cambridge between 1888 and 1906 by the Downing Professor of the Laws of England F W Maitland **Frederic William Maitland** Cecil Herbert Stuart Fifoot, 1971 Renowned as a great scholar teacher and legal historian Frederic William Maitland 1850 1906 advanced the cause of legal history opposing the idea that legal history was law and not history yet believing in the advantage of legal training He was Downing Professor of Law at Cambridge helped to found the Selden Society and himself edited Henry de Bracton s Notebook and four Year Books of Edward II With Sir Frederick Pollock he wrote the brilliant work that is still a standard The History of English Law before the Time of Edward I He edited Memoranda de Parlamento and wrote Domesday Book and Beyond Township and Borough and Roman Canon Law as well as many papers on legal history and law His lectures on Equity on The Forms of Action at Common Law and on Constitutional History of England were published after his death C H S Fifoot has written this biography of Maitland with care and devotion in a style that is lucid and eloquent He traces the origin and development of Maitland s works using them to reveal the man himself and his qualities of mind and spirit Mr Fifoot places his subject in the context not only of his age but also of his family and friends He has drawn on Maitland s letters as well as unpublished letters of his friends private papers manuscripts and recollections much of which would otherwise have perished The many quotations of Maitland he has incorporated are delightful and revealing **F.W. Maitland and the Englishness of English Law** John Hudson, 2007 **Frederic William Maitland, Historian** Frederic William Maitland, 2022-05-27 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1960 **Frederick William Maitland, Downing Professor of the Laws of England** H. A. L. Fisher, 2022-09-16 In Frederick William Maitland Downing Professor of the Laws of England H A L Fisher delivers a profound examination of the life and legacy of one of England s foremost legal historians This biographical work is marked by a meticulous literary style that blends scholarly rigor with accessibility illuminating Maitland s critical contributions to English legal thought and historiography Set against the backdrop of late Victorian England Fisher contextualizes Maitland s intellectual endeavors within the broader currents of legal and social reform revealing how his pioneering perspectives on the common law and its

historical evolution were revolutionary for the time H A L Fisher an esteemed historian and political figure draws on his extensive background in legal studies to present a rich portrait of Maitland His own experiences in academia coupled with a keen understanding of the law s intersection with social change inform Fisher s analysis This work reflects Fisher s deep admiration for Maitland not only as a scholar but also as a thinker whose insights challenged prevailing notions of jurisprudence and shaped future scholarship This book is essential reading for scholars legal practitioners and anyone interested in the evolution of law and legal thought Fisher s comprehensive and engaging narrative invites readers to appreciate Maitland s significant role in the development of legal history making it a vital addition to the canon of legal literature

Maitland: State, Trust and Corporation F. W. Maitland, 2003-11-13 Representing perhaps the most celebrated English historian since Gibbon this collection of a series of F W Maitland s 1850 1906 later essays is designed to bring his thought to the attention of political theorists and political scientists as well as historians The essays are about the historical origins of the state and many of their themes the limits of state power the interrelationship between states and corporations are of continuing relevance today Frederic William Maitland, Historian Frederic William Maitland, 1960

Frederick William Maitland H. A. L. Fisher, 2013-10-31 Originally published in 1910 this is a memoir of the life and achievements of pioneering English legal historian Frederic William Maitland **The Letters of Frederic William Maitland** Frederic William Maitland, 1965 *Law's History* David M. Rabban, 2013 This is a study of the central role of history in late nineteenth century American legal thought In the decades following the Civil War the founding generation of professional legal scholars in the United States drew from the evolutionary social thought that pervaded Western intellectual life on both sides of the Atlantic Their historical analysis of law as an inductive science rejected deductive theories and supported moderate legal reform conclusions that challenge conventional accounts of legal formalism Unprecedented in its coverage and its innovative conclusions about major American legal thinkers from the Civil War to the present the book combines transatlantic intellectual history legal history the history of legal thought historiography jurisprudence constitutional theory and the history of higher education Selected Historical Essays of F. W. Maitland F. W. Maitland, 1957-01-02 Noted as one of the ablest and exacting historians of his generation this selection of historical essays by F W Maitland is designed to render more accessible those shorter writings of Maitland s which have the greatest intrinsic value for students of history While best illustrating his distinctive qualities it thus serves to stimulate a taste for his greater works Except for Essay VII Maitland s notes are given in full with only slight corrections made necessary by the reclassification of historical records or the detection of some small error of fact **F. W. Maitland and the Making of the Modern World** Alan Macfarlane, 2018-02-26 F W Maitland is sometimes thought of as merely a great legal historian of England Yet in over three thousand published pages including his *History of English Law* 1895 with F Pollock of which Maitland wrote all but one chapter his *Collected Papers* in three volumes 1911 *The Constitutional History of England* 1919

and many other works he reveals himself to be one of the profoundest thinkers on how our modern world emerged on a level with Montesquieu and Tocqueville Maitland's works on Trusts on Equity on Government and on the great tradition of English Common Law explain in brilliant and simple prose how the quintessential institutions of successful democracy and capitalism were established in England and then America Alan Macfarlane F B A is an Emeritus Professor of Anthropology at Cambridge University and a Life Fellow of King's College His website is alanmacfarlane.com **The Book Unbound** Siân

Echard, Stephen Partridge, Stephen Bradford Partridge, 2004-01-01 Contemporaries of Erasmus contains biographical information about more than 1900 people mentioned in the correspondence and other writings of Erasmus This paperback edition is a reprint of the three volume set published between 1985 and 1987 The volumes have been combined into a single volume without any editorial changes to provide a manageable and affordable edition of a magisterial work The remarkable breadth of Erasmus contacts throughout his life is reflected in this unique volume Differing substantially from the national biographical dictionaries that restrict themselves to major figures Contemporaries of Erasmus combines the famous with the obscure popes and politicians artists and poets knights and theologians covering every individual mentioned whose death occurred after the year 1450 Well known figures include Martin Luther King Henry VIII Machiavelli Popes Nicholas V and Peter IV and Emperor Charles V Dipping into the pages of this fully illustrated volume will intrigue and delight the casual reader but the combined volume will also be an indispensable tool for those who have searched in vain for a biographical dictionary of the Renaissance and the Reformation Selected Historical Essays of F.W. Maitland Frederic William

Maitland, 1957 **Learning the Law** Jonathan Bush, Alain A. Wijffels, 1999-01-01 The essays in this text deal with aspects of British legal learning It traces the tradition of learning dating back to the Middle Ages and how the inns of court provided the equivalent of a legal university The essays describe how before the middle of the 19th century there was little formal provision of legal education in Britain and that law in the ancient universities was not intended to have practical value and entrance to the bar was not dependent upon written examination **Continuity and Anachronism** P.B.M.

Blaas, 2012-12-06 Several of the themes of this study have been treated in earlier publications some by means of a general analysis and some through a detailed handling of problems raised by a particular theme or historian Both the more general theoretical treatment of the theme and the concrete historiographical treatment are I think indispensable aids to the proper understanding of the development of historical scholarship in nineteenth and twentieth century England There are a number of problems in a concrete historiographical approach there is first the mass of historians to be faced and then the immense amount of historical themes dealt with in various periods As a guideline through the tangle of themes we chose the historiography on the development of the English parliament We can only hope that we have made a responsible choice of the historians concerned Unfortunately it was not always possible for us to give extensive biographies of some of the more recent historians as several papers are still firmly in the possession of families and a number of them must despite of years

still be labelled confidential The Pollard Papers in the London Institute of Historical Research thus remained inaccessible Fortunately the lack was partly compensated by some important material being found apart from these Papers

International Law and the Politics of History Anne Orford, 2021-08-05 As the future of international law has become a growing site of struggle within and between powerful states debates over the history of international law have become increasingly heated International Law and the Politics of History explores the ideological political and material stakes of apparently technical disputes over how the legal past should be studied and understood Drawing on a deep knowledge of the history theory and practice of international law Anne Orford argues that there can be no impartial accounts of international law's past and its relation to empire and capitalism Rather than looking to history in a doomed attempt to find a new ground for formalist interpretations of what past legal texts really mean or what international regimes are really for she urges lawyers and historians to embrace the creative role they play in making rather than finding the meaning of international law
