Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the

diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda,2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We ve seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God s mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God s children and no child of God keeps on sinning after they are born again through Jesus the Anointed One *Christ is God Over All* George Carraway,2013-08-15 This book is written against the background of Christological scholarly thought since the publication of *Kyrios Christos* by Bousset Carraway argues that the syntax of Romans 9 5 suggests Paul meant to refer to Jesus as God and that his statement is not out of place at the beginning of Romans 9 11 He addresses objections to this conclusion responding to those who claim that a monotheist such as Paul would not refer to Jesus as God and to those who point out that Paul does not elsewhere identify Jesus as God After demonstrating that there is a connection between Romans 9 5 and the remainder of Romans 9 11 the argument continues by tying Paul s monotheistic statements regarding the one God of both Jews and Gentiles in Romans 3 the concept of the one Lord of all in Romans 10 5 13 The book concludes that the redeemer from Zion in 11 25 27 is Christ and is the same as the Christ from Israel in 9 5 **ESV Expository Commentary (Volume 8)** Iain M. Duguid,James M. Hamilton Jr.,Jay Sklar,2021-08-16 A Passage by Passage Commentary of Matthew Mark and Luke Designed to strengthen the global church with a widely accessible theologically sound and pastorally wise resource for understanding and applying the overarching storyline of the Bible this commentary series features the full text of the ESV Bible passage by passage with crisp and theologically rich exposition and application Editors Iain M Duguid James M Hamilton Jr and Jay Sklar have gathered a team of experienced pastor theologians to provide a new generation of pastors and other teachers of the Bible around the world with a globally minded commentary series rich in biblical theology and broadly Reformed doctrine making the message of redemption found in all of Scripture clear and available to all Contributors to this volume include Dan Doriani Matthew Hans F Bayer Mark Thomas R Schreiner Luke *1 Corinthians: A Social Identity Commentary* J. Brian Tucker,2024-10-17 Paul s first letter to the Corinthians deals with key aspects of the formation of the Christian community at Corinth Paul uses his correspondence with the Corinthians to address issues of morality of community structure of ritual and

of religious behaviour The letter is a key document for understanding the development of Christianity and for understanding Christianity in its earliest context In this Social Identity Commentary J Brian Tucker provides a comprehensive coverage of the issues and concerns related to 1 Corinthians from the perspective of social identity Tucker outlines his interpretation of the theoretical issues concerned and then applies this to provide a clear overview of historical and critical issues related to the study of 1 Corinthians This provides a clear engagement with the text that will serve as a useful resource for scholars students clergy and people interested in the formation and purpose of the letter The Serpent in Samuel Brian A. Verrett, 2020-02-17 In this study Brian A Verrett argues that 1 2 Samuel contains a serpent motif by practicing biblical theology and literary criticism This motif derives from the serpent in Genesis 3 and its function within the Samuel narrative is to heighten the reader's anticipation in the coming messiah who is the son of David and the seed of the woman from Genesis 3 15 This messiah will defeat the serpent and inaugurate his glorious reign over a renewed world When 1 2 Samuel is read in this way one appreciates previously unnoticed features of the text understands aspects of the text that were formerly confusing and rightly sees that the whole of 1 2 Samuel is a messianic document **How to Prepare Bible Messages** James Braga, 2013-05-15 Give Your Best Sermon Ever Every Time Newly edited for today's readers this time tested book combines recognized public speaking techniques with proven theories of preaching to equip you for the pulpit Author James Braga provides pastors and message givers anywhere in ministry with logical step by step guidance to preparing and delivering effective sermons Each chapter thoroughly defines and describes each critical component of a sermon from the introduction to illustrations and the conclusion 35th Anniversary Edition Updated for the 21st Century A How To That Delivers Since 1969 How to Prepare Bible Messages has been a pastor's most trusted source for preparing and delivering sermons that change lives And for good reason James Braga's clear and logical method combines effective techniques for public speaking with time tested theories of teaching His instructions are so simple even a novice can follow them From the title to the conclusion and the lessons in between Braga leaves no question unanswered How to Prepare Bible Messages is a recognized classic and your key to powerfully conveying God's Word to a hungry people Story Behind the Book When this book was originally published in 1969 James Braga understood that in order for God's Word to impact His sheep in a life changing way the messenger had to do his job exceedingly well Now more than thirty years later the guidance Braga provides pastors youth leaders and speakers of all kinds for preparing and delivering effective Bible messages stands stronger than ever Time tested and true his words provide insight guidance and tangible steps for answering God's call to deliver His message with excellence *Cyclopædia Bibliographica: A Library Manual Of Theological And General Literature, and guide to books for Authors, preachers, students, and literary men.* James Darling, 1859
