Expressive English:

Expressive English James C. Fernald, 2015-06-16 Excerpt from Expressive English It is often held to be a sufficient description or definition of language to speak of it as a medium of communication among intelligent beings Language is that indeed and can never be less than that But that is its lowest office The hen calls her brood by a glad cluck to a fine bit of grain or warns them by a terrifying note of the sweep of a hawk But she has soon gone round the circle of ideas appropriate to her species and the medium of communication has no place in the realm beyond where for her and hers there is nothing to communicate In all human beings however except the most degraded there is a demand for communication of thought and feeling from one to another beyond what language as used by them can yet convey With all mental advance the reach and range and delicacy of thought and feeling evermore outstrip the capacity of words to utter them Language is under a constant impulsion to express ideas and emotions which are still beyond its power It is true that a decaying civilization may shrivel up as it were within a language until it has no use for many words and phrases which were full of meaning to men of a nobler day Such a language is in process of becoming a dead language as the Greek and Latin were becoming in Europe five centuries ago About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Questions of English Jeanne Gerlach, Annette Patterson, Robin Peel, 2002-11-01 The impact and content of English as a subject on the curriculum is once more the subject of lively debate Questions of English sets out to map the development of English as a subject and how it has come to encompass the diversity of ideas that currently characterise it Drawing on a combination of historical analysis and recent research findings Robin Peel Annette Patterson and Jeanne Gerlach bring together and compare important new insights on curriculum development and teaching practice from England Australia and the United States They also discuss the development of teacher training highlighting the variety of ways in which teachers build their own beliefs and knowledge about English

The Emergence of Standard English John H. Fisher, 2014-07-11 Language scholars have traditionally agreed that the development of the English language was largely unplanned John H Fisher challenges this view demonstrating that the standardization of writing and pronunciation was and still is made under the control of political and intellectual forces In these essays Fisher chronicles his gradual realization that Standard English was not a popular evolution at all but was the direct result of political decisions made by the Lancastrian administrations of Henry IV and Henry V To achieve standardization and acceptance of the vernacular these kings turned to their Chancery scribes who were responsible for writing and copying legal and royal

documents Chaucer a relative of the king began to be labeled by the government as a master of the language and it was Henry V who inspired the fifteenth century tradition of citing Chaucer as the maker of English An even more important link between language development and government practice is the fact that Chaucer himself composed in the English of the Chancery scribes Fisher discusses the development of Chancery practices royal involvement in promoting use of the vernacular Chaucer's use of English Caxton's use of Chancery Standard and the nineteenth century phenomenon of a standard or received pronunciation of English This engaging and clearly written work will change the way scholars understand the development of English and think about the intentional shaping of our language **ENGLISH FOR**

EVERYDAY SPEAKING Sutanto Leo, 2021-01-11 It is said that school leavers in Indonesia are not able to speak English confidently They have no courage to speak even though they actually feel that they have something to say in their mind They are afraid to make mistakes when speaking because they never feel happy with their English grammar and vocabulary at school English for Everyday Speaking is directed at those who have learned English and have no courage to speak but want to practice their spoken English This book is not only suitably used by high school students university students language centers English course learners and English speaking club members as a main course book for speaking but also for employees workers staff teachers employers or members of a family as a core handbook for language practice during their leisure time This book covers very common daily topics which everyone is familiar with such as Daily Activities Personal Information Family Life Culture Sport Housemaids Hobbies and Interests Smoking and Drinking Music Health Education School Life Love Holiday Food and Drink Marriage Sex Demonstrations Strikes Terrorism Crime and Prisons Debates etc The questions which are intended to arouse learners to speak are generally simple to answer for ordinary learners They need practical ideas or knowledge but do not need deep academic or scientific knowledge to answer them However if the group of learners have more advanced knowledge about the topics and are interested to delve deeper on the topics there are also some possibilities to do so English for Everyday Speaking is designed by an experienced English teacher In addition these materials have been tried out at STP Bandung STBA Maranatha University the Center at Jl Setiabudhi Bandung and some other language centers Freshman English Frances Campbell Berkeley Young, Karl Young, 1914 **Damn English!** Gary
