*Modern Bodies* Julia L. Foulkes, 2003-11-03 In 1930 dancer and choreographer

Martha Graham proclaimed the arrival of dance as an art of and from America Dancers such as Doris Humphrey Ted Shawn Katherine Dunham and Helen Tamiris joined Graham in creating a new form of dance and like other modernists they experimented with and argued over their aesthetic innovations to which they assigned great meaning Their innovations however went beyond aesthetics While modern dancers devised new ways of moving bodies in accordance with many modernist principles their artistry was indelibly shaped by their place in society Modern dance was distinct from other artistic genres in terms of the people it attracted white women many of whom were Jewish gay men and African American men and women Women held leading roles in the development of modern dance on stage and off gay men recast the effeminacy often associated with dance into a hardened heroic American athleticism and African Americans contributed elements of social African and Caribbean dance even as their undervalued role defined the limits of modern dancers communal visions Through their art modern dancers challenged conventional roles and images of gender sexuality race class and regionalism with a view of American democracy that was confrontational and participatory authorial and populist Modern Bodies exposes the social dynamics that shaped American modernism and moved modern dance to the edges of society a place both provocative and perilous

**Beyond Comfort Zones in Multiculturalism** Sandra Jackson, Jose Solis, 1995-10-24 For peoples whose legal agreements treaties and other accords and conventions with the United States have been violated multiculturalism as a pedagogical tool often becomes suspect of reinforcing the continued reification and abstraction of their cultures and nations with little if any real meaning for educational and social transformation The continued oppression and repression of the exercise of self determination for African Americans the persistence of policies aimed at the destruction of indigenous populations and land the insidious continuation of classical colonialism in the case of Puerto Rico are all vivid reminders to these peoples of the racist classist sexist and homophobic patriarchy that characterizes their status In order to restore people s rights to fully determine their own histories Jackson and Solis point out that it is imperative to destroy the material foundations that breed and recycle the ideology discourse and cultural practices of domination It is not enough to celebrate diversity and difference there must be grand scale social political economic and educational transformation

Diversity and Education H. Richard Milner, 2009 Explicit examples of what these constructs mean and how they are used is provided The book is complemented by an overview of each chapter and section Written by some of the leading scholars in education and beyond this book will be a valuable resource for practicing teachers teacher educators graduate students undergraduate students and educational researchers

Best,2013-10-24 The Great Migration was the most significant event in black life since emancipation and Reconstruction Passionately Human No Less Divine analyzes the various ways black southerners transformed African American religion in Chicago during their Great Migration northward A work of religious urban and social history it is the first book length analysis of the new religious practices and traditions in Chicago that were stimulated by migration and urbanization The book illustrates how the migration launched a new sacred order among blacks in the city that reflected aspects of both Southern black religion and modern city life This new sacred order was also largely female as African American women constituted more than 70 percent of the membership in most black Protestant churches Ultimately Wallace Best demonstrates how black southerners imparted a folk religious sensibility to Chicago s black churches In doing so they

ironically recast conceptions of modern urban African American religion in terms that signified the rural past In the same way that working class cultural idioms such as jazz and the blues emerged in the secular arena as a means to represent black modernity he says African American religion in Chicago with its negotiation between the past the present rural and urban revealed African American religion in modern form

**Constructing (in)competence** Dana Kovarsky,Madeline Maxwell,Judith F. Duchan,2013-06-17 Competence and incompetence are constructs that emerge in the social milieu of everyday life Individuals are continually making and revising judgments about each other s abilities as they interact The flexible situated view of competence conveyed by the research of the authors in this volume is a departure from the way that competence is usually thought about in the fields of communication disabilities and education In the social constructivist view competence is not a fixed mass residing within an individual or a fixed judgment defined externally Rather it is variable sensitive to what is going on in the here and now and coconstructed by those present Constructions of competence are tied to evaluations implicit in the communication of the participants as well as to explicit evaluations of how things are going The authors address the social construction of competence in a variety of situations engaging in therapy for communication and other disorders working and living with people with disabilities speaking a second language living with deafness and giving and receiving instruction Their studies focus on adults and children including those with disabilities aphasia traumatic brain injury augmentative systems users as they go about managing their lives and identities They examine the all important context in which participants make competence judgments assess the impact of implicit judgments and formal diagnoses and look at the types of evaluations made during interaction This book makes an argument all helping professionals need to hear institutional clinical and social practices promoting judgments must be changed to practices that are more positive and empowering

Retaining African Americans in Higher Education Lee Jones,2023-07-21 Retention of African Americans on campus is a burning issue for the black community and a moral and financial one for predominantly white institutions of higher education This book offers fresh insights and new strategies developed by fifteen scholars concerned by the new climate in which affirmative action is being challenged and eliminated This is the first book devoted specifically to retention of African Americans in higher education and is unique in addressing the distinct but inter related concerns of all three affected constituencies students faculty and administrators Each is considered in a separate section The student section

shifts attention from to paraphrase McNairy fixing the student to focussing on higher education s need to examine and where appropriate revise policies curriculum support services and campus climate Responding to the new agenda shaped by the opponents of affirmative action but rejecting the defensive x percent solutions espoused by its proponents this book puts forward new solutions that will provoke debate Section II begins with a survey of the literature on African American administrators and presents a Delphi study of twelve administrators to provide an understanding of pathways and barriers to success The contributors then consider the importance of developing community support and creating alliances the role of mentoring and the setting of clear expectations between the individual and the institution Starting with the recognition that African Americans represent less than five percent of full time faculty the chapters in the final section examine the effects of the dismantling of affirmative action the consequences of faculty salaries trailing more lucrative non academic employment the declining enrollment of students of color the politics of promotion and tenure and issues of identity and culture The book concludes by stressing the roles that parents faculty and administrators must play to empower African American students to take responsibility for their own academic performance This is a compelling controversial and constructive contribution to an issue of national importance     Clarence Major and His Art Bernard W. Bell, 2001-01-01 Offers a collection of Clarence Major s poetry fiction and art providing critical interpretations alongside each selection
