Eye Love You:

EYE LOVE YOU Charlie Toth, 2019-01-18 *EYE LOVE YOU* examines the human condition as a series of experiences that we all share like love loss friendship relationships children parents family pain rage kindness generosity attention dedication service and hard work The answer to most questions is love We just have to be clever enough to figure out the right questions to ask It is ok to say that we love We are feeling thinking and passionate beings As the author Charlie hopes that when you read *EYE LOVE YOU* you can access your thoughts recall deep memories and allow yourself to feel again Feel the word pictures that he paints and remember dream feel those of your feelings which may have laid dormant and have not been accessed in a very long time Some people go through life without ever feeling a kiss caress a warm hug or the love of another human being He would like this book to be that warm hug soft caress or deep passionate kiss that one longs for while daydreaming It is ok to laugh cry and everything in between when you read poetry It is your journey Take your time and enjoy
