Leaving Teaching With Both Eyes Open, Volume Two Marques Vickers, 2016-09-29 Michael McCaffrey continues to wrestle with his own alienation and detachment from the teaching profession direction of his life and personal relationships He is compelled to deal with unexpected loss and abandonment on multiple levels Throughout his ordeals he maintains his sense of humor and perspective His setbacks distractions and inertia make forward progress challenging He observes the similar difficulty and indecisiveness experienced by two of his former university classmates His intentioned departure from teaching following his ninth year does not materialize His ambition towards cultivating a stable relationship evaporates for reasons initially uncertain to him He has difficulty coming to terms with his fragmented life that only periodically offers glimpses of hope and clarity An encounter with a former high school girlfriend prompts him to consider what might have happened had he never left his hometown Another classmate a self professed business success lectures one of classes and illustrates the contrast between McCaffrey's present stagnation and a vocational path he abandoned early in his career As his narrative enters into his thirteenth year of teaching his observations and caustic opinions become more pronounced and unwelcome He is aware of the estrangement with his current faculty peers As his closet confidants leave he realizes St Elizabeth St Ignacious High School has changed irrevocably He is not an integral part of the shift and has become professionally expendable During his tenth teaching year a new Principal Brother Morton Brickell replaces the departed Brother Mumbles Moody McCaffrey compares Moody to a flute and Brickell to a brass trumpet often loudly overstating the obvious Brickell's own tenure and influence becomes abbreviated due to a change in school management During the summer following his eleventh year the financial allure of shifting back to corporate employment coupled by a seemingly healthy relationship nearly changes his fate Despite the promising prospects McCaffrey is destined to continue teaching and remaining alone Brickell's replacement Sister Stoneface Stanley clashes with McCaffrey her initial year following scrutiny of his teaching and religious commitment The frigidity of their interactions prompts him to question how long she will tolerate his continued employment McCaffrey continues his satirical exchanges and pranks with faculty foils and adds additional victims He charts the meteoric influential rise of the maintenance duo of Sid and Barney that culminates in a faculty Christmas party implosion He assists a faculty peer in formatting teaching credential assignments that concludes with him doubting the substantive value of academic professional training McCaffrey documents his lively and playful interactions with his students Tense moments intervene He is confronted by a failing student that nearly erupts into a physical altercation He must also calm the religious proselytizing from one of his zealous students seeking to convert him He attempts to keep his lectures varied and relevant despite his flagging enthusiasm One of his classroom discussions addresses the increasingly

escalating violence in his hometown when one of his students nearly becomes a casualty from a drive by shooting A former favorite student returns on campus basking in an acclaim that eluded him while attending SESI Another returns as a polished and attractive woman completing a teaching internship and introduces complications into McCaffrey s relationship void and loneliness McCaffrey s forebodings about Sister Stanley s motives reach fruition during contract negotiations following his thirteenth teaching year Will McCaffrey survive a decisive effort to get rid of him If he is destined to leave who will ultimately determine the terms of his departure

An Eye-Opening Experience Pastor Dennis Carr,2021-04-27 I wrote this book as a wake up call for anyone who wants a better easier life It addresses physical health what to do and what not to do to keep our bodies healthy and working properly It takes a hard look at our mental health What are we thinking throughout the day Are we even aware of our thoughts This all ties into our spiritual health Are we focused on the world and the world s problems or are we focused on God as Jesus instructed us to do We are to pray without ceasing and understand Jesus s main objective and what his real message was for mankind Why are we being kept in the dark about the most important things that make up our life We need to straighten out our thinking and begin to understand how our bodies work and focus inwardly and seek God and all the attributes that come from being one with God Together let s question what we ve been told reprogram our thinking and pass these simple principles that Jesus was trying to tell us onto our kids and grandkids

Intertextuality and the Reading of Midrash Daniel Boyarin, 1994-08-22 Proceeding by means of intensive readings of passages from the early midrash on Exodus The Mekilta Boyarin proposes a new theory of midrash that rests in part on an understanding of the heterogeneity of the biblical text and the constraining force of rabbinic ideology on the production of midrash In a forceful combination of theory and reading Boyarin raises profound questions concerning the interplay between history ideology and interpretation The Christian Spectator, 1820

Christopher Arulanand, Dr. Santha Christopher, 2021-10-07 For centuries now The Bible has drawn people all over the world to God solaced and strengthened people during their times of trials troubles and tribulations enlightened people on the wonders glories and magnificence of our God and it tells of His wondrous love for all mankind And even more it promises to all the greatest gift man has ever known God s free gift of Salvation and an Eternal Home bought for us at a colossal price with the precious sacrifice of Jesus Christ on the cross of Calvary So when you read a book as interesting as The Bible you keep thirsting to know more and more Questions keep coming to your mind which the Holy Spirit always answers comprehensively This book addresses these questions with insights that fortify your Christian life and ministry May the Holy Spirit take you on a journey to understand and apply the Scriptures accurately in your Christian walk so that the Glory of God be manifest to all

those around you Does Scripture Speak for Itself? Jill Hicks-Keeton, Cavan Concannon, 2022-10-06 Is the Bible the unembellished Word of God or the product of human agency There are different answers to that question And they lie at the heart of this book s powerful exploration of the fraught ways in which money race and power shape the story of Christianity in American public life The authors subject is the Museum of the Bible in Washington DC arguably the latest example of a long line of white evangelical institutions aiming to amplify and promote a religious political and moral agenda of their own In their careful and compelling investigation Jill Hicks Keeton and Cavan Concannon disclose the ways in which the Museum s exhibits reinforce a particularized and partial interpretation of the Bible s meaning Bringing to light the Museum s implicit messaging about scriptural provenance and audience the authors reveal how the MOTB produces a version of the Bible that in essence authorizes a certain sort of white evangelical privilege promotes a view of history aligned with that same evangelical aspiration and above all protects a cohort of white evangelicals from critique They show too how the Museum collapses vital conceptual distinctions between its own conservative vision of the Bible and The Bible as a cultural icon This revelatory volume above all confirms that scripture for all the claims made for it that it speaks only divine truth can in the end never be separated from human politics
