Janakiharana of Kumaradasa C. R. Swaminathan, 2000-12-01 Janakiharana of Kumaradasa is the first Sanskrit Mahakavya so far as the extant literature goes to deal solely with the whole of the Ramayana story Its further interest is that it was produced in Ceylon showing thereby the wider world over which Sanskrit had its sway After manuscripts of the full text of the poem in twenty cantos had to come to light in South India what is now presented was the first systematic and critical study to be undertaken to the author and the text and its position vis a vis other Mahakavyas In addition to the above study and the critical edition of the cantos which were at that time unpublished the book offers an examination of the large number of extra verses found in some MSS of the text and showing them as interpolations
