Eyes Of The Soul:

The Eye of Light Dan Crown,2025-05-28 What if the way you see others is the truest reflection of your soul In *The Eye of Light* Dan Crown delivers a profound and illuminating journey into the spiritual and psychological power of perception Drawing from the timeless words of Christ If your eye is evil your whole body will be full of darkness this book explores how our inner gaze shapes our entire being This is not a book about religion as institution but about vision as revelation When we look at others with envy judgment or contempt we do not just harm them we darken ourselves In seven transformative chapters Crown unpacks how the evil eye leads to spiritual blindness inner suffering and disconnection from truth But more importantly he shows the path back to clarity through mercy humility and the healing of inner vision Whether you re on a journey of spiritual awakening personal growth or ethical reflection *The Eye of Light* offers a clear moral and compassionate framework to Understand how perception becomes identity Recognize how judgment darkens the soul Heal spiritual blindness with divine light Align with the moral structure of the universe Restore your inner peace through the power of mercy This is not just a book to read It is a mirror to look into And perhaps a lamp to guide your path

From the Soul - For the Soul S.R. Dixon,2010-06-25 Words of reality have finally arrived Sorry no fairy tales here This book was written with great hopes to relate to my audience in one way or another In life we all have different experiences trials and tribulations At times we have certain feelings that we may not be able to share or express Maybe there is no one to share them with that can truly relate The intention of *From the Soul For the Soul* is to strike the attention of my readers in a very special way This book is a portal so to speak that you can pick up ingest and use as a personal mental and or emotional outlet The words in this book are put strategically into place in order to confront what is felt and not spoken of Without a doubt the words tackle things seen but not approached Nevertheless this book repeats words that are usually heard of and then forgotten I hope this book touches your mind heart and soul

The Light of the Soul Alice Bailey,Patanjali,2012-05-14 This volume is an original paraphrase with commentary of the Yoga Sutras of Patanjali The Yoga Sutras are of ancient origin first reduced to writing by Patanjali who is considered the founder of the Raja Yoga School Control of the mind and its illumination by the soul are brought about through the practice of Raja Yoga The Sutras have a power and a timelessness about them which demonstrate the accuracy with which they pinpoint the basic truths of human evolution from subservience to personality clamours to the serene freedom of the soul Most human problems today originate in selfish desire the prostitution of the feeling nature to self centred action This is also brought out clearly in the teaching of the Lord Buddha the treading of the Noble Eight Fold path providing the only way out of the maze Right Values Right Speech Right Mode of Living Right Thinking Right Expression Right Conduct Right Effort Right Rapture or True Happiness These are attributes of the soul Patanjali explores exhaustively the means the techniques and the mental posture which create the connecting thread between the form centred personality and these stages towards spiritual achievement and soul fusion

[Repr. of the 1629 ed.] ed. by G. Neil Zachary Boyd, 1831** *Meridian Chronicles: Keepers & The Soul Key* M.D. Fryson, 2020-02-19 What has happened to Aiden Where did Meridian go How will the demons succeed Astaroth has taken on more than she can handle and her obsession has blinded her from the dark one s plan What will come of Lahash Is he under the nymph s spell or is the Earth Nymph falling for the flamboyant demon *The Soul of the Soldier* Thomas Tiplady, The sketches in this book and in my previous one *The Cross at the Front* are attempts to show the soul of the soldier serving in France as I have seen it during the year and a half that I have been with him It is a padre s privilege and duty to be the voice with which in public worship the soldiers speak to God and through which their last thoughts are borne to their friends at home He is their voice both when they are sick or wounded and when they lie silent in the grave He speaks of their hopes and fears hardships and heroisms laughter and tears

As best he may he tries to tell to those who have a right and a longing to know how they thought and how they bore themselves in the great day of trial when all risked their lives and many laid them down Soldiers as a rule are either inarticulate or do not care to speak of themselves and the padre has to be their spokesman if ever their deeper thoughts and finer actions are to be known to their friends To do this he may have to bring himself into the picture or even illustrate a common thing in their lives by a personal experience of his own To reveal life and thought at the Front in the third person and without sacrificing truth and vividness requires a degree of literary power and art which cannot be expected of a padre to whom writing is but a by product and not his main work I have written but little of military operations these things are not in my province Moreover they are not the things which are most revealing The presence of Spring is first and most surely revealed by the flowers in our gardens and lanes and the soldier is most clearly seen in the little things that happen on the march in his billet or in the Dressing Station Some things are not seen at all They are only felt and my opinion about them must be taken for what it is worth One knows what the men are by their influence on one's own mind and life I do not judge the morality and spirituality of our soldiers entirely by their habits and speech for these are but outward and clumsy expressions of the inner life and are largely conventional There is something else to put in the reckoning and to find out what the soldiers are worth to us we must somehow get behind their words and actions and find out what they are worth to God whose terrible wheel of war is shaping their characters I appraise them mostly by the total effect of the impact of their souls on mine I know their thoughts and feelings by the thoughts and feelings they inspire in me Do men gather grapes of thorns or figs of thistles There are certain thoughts and emotions that only come to me strongly when I am with the soldiers or when I am living again with them in memory and so I take these as their gift to me and judge the men by their influence on my character Character is in its influence subtle as Spring Words and actions by themselves are too coarse and conventional to do anything but mislead us in judging the quality of our men By their fruits ye shall know them Not by their leaves Fruit is seed In the seed the tree reproduces itself And reproduction whether in physical moral or spiritual life is the test of vitality To be continue in this ebook [Love and the Soul](#) Robert Sardello,2011-06-28 With economies in peril war in the Middle East genocides global warming and a host of other grim phenomena the world has never seemed so besieged The solution says Robert Sardello lies with the individual In this timely thoughtful book he explains how the soul can engage with the outer world to produce radical change Because we think of the world as a vast mechanism and behave as mechanical objects in it the results are devastation and dysfunction The key is to learn to identify with the plight of the Earth by developing a true sense of individual imagination and conscious awareness of inner purpose and beauty in conjunction with the soul of the world Sardello shows how to achieve this awareness and bring what is inside out into the world inspiring balance and stability Using the Grail legend and the myth of Sophia known as the Soul of the World as well as writings by Jung James Hillman and Rudolf Steiner Love and the Soul helps readers imagine a revitalized Earth by exploring the significance of

grieving the transformative power of radical receptivity the creative power of dreaming and a new basis for community
