The far distant Ships Joseph Schull,1961 *The Far Distant Ships* Joseph Schull,1950 **Far Distant Ships** Joseph Schull,1992-01-01 *Saints, Sinners, and Soldiers* Jeffrey A. Keshen,2007-10-01 It was the Good War Its cause was just it ended the depression and Canada s contribution was nothing less than stellar Canadians had every reason to applaud themselves and the heroes that made the nation proud But the dark truth was that not all Canadians were saints or soldiers Indeed many were sinners In this eye opening and captivating reassessment of Canadian commitment to the cause some disturbing questions come to light Were citizens working as hard as possible to back the war effort Was there illegal profiting from the conflict Did Canadian society suffer from a general decline of morality during the war Would women truly back the attack in new factory jobs and the military and then quietly return home Would unattended youth produce a crisis with juvenile delinquency How would Canada reintegrate a million veterans who policy makers feared would create a social crisis if treated like their Great War counterparts The first ever synthesis of both the patriotic and the problematic in wartime Canada *Saints Sinners and Soldiers* shows how moral and social changes and the fears they generated precipitated numerous and often contradictory legacies in law and society From labour conflicts to the black market to prostitution and beyond Keshen acknowledges the underbelly of Canada s Second World War and demonstrates that the Good War was a complex tapestry of social forces not all of which were above reproach **The Far Distant Ships** Joseph Schull,1962 *The Far Distant Ships* Joseph Schull,Canada. President Gwen Icení believes Midway is their only defense against the enigmas Syndicate training taught her self preservation in a crisis yet she s determined to fight for the star system s fate even if it means joining forces with another former Syndicate CEO and an officer of the hated Alliance Despite General Artur Drakon s misgivings he partnered with Icení to overthrow Syndic forces Now with an enigma fleet menacing their hard earned independence he can ill afford to trust her or lose her support But in the back of his mind there are three words that describe someone who confides in a Syndicate CEO Stupid Betrayed Dead *The Leviathan Songster, Containing a Choice Collection of Comic and Sentimental Songs, Etc*

 deadline The English language is vast enough to supply us with a word for every occasion and this linguistic wunderkammer
