Traumatic Pasts Mark S. Micale, Paul Lerner, 2001-09-04 Traumatic Pasts originally published in 2001 offers a variety of perspectives on mental trauma in war medicine culture and society in modern European and American history Its primary goals are to provide a generous sampling of the best of the historical scholarship about trauma to indicate the empirical analytical and methodological scope of this work and to present some of the conceptual and methodological issues inherent in writing about the subject The book operates on the premise that the historical humanities have something crucially important to say about trauma its essays may be read in part as attempts to introduce a deep historical dimension into ongoing debates and controversies However it is important to stress that these essays are not simply addressed the concerns rather they reflect a shared conviction that trauma opens up fresh perspectives in the study of social and cultural history

Mending the Soul Steven R. Tracy, 2009-05-26 This book provides a well researched biblical and scientific overview of abuse A broad overview it deals with the various types of abuse the various effects of abuse and the means of healing Abuse can be sexual physical neglect spiritual and verbal The chief arguments pursued throughout the book are 1 abuse is far more rampant than most Christians realize but due to human depravity and satanic influence widespread abuse is predicable 2 All types of abuse create profound long term soul damage due to the way abuse perverts various aspects of the image of God 3 God is the healing redeemer Human salvation came through horrible physical abuse 4 Healing must take place in the context of relationships Humans are deeply impacted by others due to being made in the image of God Just as surely as abusive relationships have tremendous power to wound the soul so healthy relationships have tremendous power to nurture and heal the soul Questions answered in the book include How can a genuine believer abuse a child Why would someone abuse a child How can parents and childrens workers identify abusers How can abuse victims heal What does genuine healing look like Is anger appropriate or hurtful for abuse victims Where does forgiveness fit in Helpful sample child protection policy application screening interview and warning signs of potential abusers equip ministry leaders Illustrations case studies and art therapy drawings
