Target Earth Gary W. Babb,2024-09-25 Target Earth is the continuing saga and greatly anticipated sequel of the award winning book Earth is Ours Best Fantasy SciFi 2005 from the prestigious San Diego Book Awards Association The beloved characters developed in the original story evolve and begin an exciting new adventure as they defy monstrous invading aliens dedicated to the total destruction of the human race Amy is a self aware female computer whose only connection to the outside world is through a telepathic link Levi was a dying elderly Indian man who is rejuvenated through this telepathic connection with Amy It is a story of this forced symbiotic relationship dictated by mutual needs for their survival in a world stripped of technology Although they have separate and individual minds they must co exist in Levi s augmented body sharing differing emotions and motivations while simultaneously battling the enemy Female brains and male brawn must unite as one in love and power to create a new entity to lead the fight against the aliens They are aided in this war by human armies and rescued alien slaves but they are still vastly outnumbered in this conflict These affable aliens will touch your heart with their loyalty and action while the enemy will rouse your rage and fear This is truly a Good versus Evil tale but does good always win The male versus female conflict of minds emotions and motivations remain a large portion of the story as it unfolds from both viewpoints The struggle continues against formidable invaders led by an awe inspiring supreme leader In this fast paced and compelling adventure battles wage across the California and Arizona deserts These unique characters and the riveting story are strong and their saga continues into the third book of this series Earth s Dragons The Wheel and Cycling Trade Review ,1888 **Country Cop** S.B Alicea,2019-05-23 Country Cop is the story of Gaven who finishes his tour of duty in the army and moves to the randomly selected town of Cove Iowa with two friends After he gets settled and finds work in law enforcement Gaven finds himself on the trail of an arsonist and possibly a murderer The novel follows his exploits as he tries to solve the mystery of the Betty Boop Bandit *A Home-Concealed Woman* Magnolia Wynn Le Guin,2012-02-01 The world of Magnolia Le Guin like that of countless farm women was defined by and confined to home and family Born in

1869 into the rural white agrarian society of Georgia's central piedmont she raised eight children virtually on her own yet never in her life ventured farther than thirty miles from her birthplace Her situation however extreme was not unique in her day What distinguished Le Guin was her love of writing her need to write about being a wife and mother despite a daunting workload and burden of responsibilities that left her with little free time or energy In a plain idiomatic style these diaries detail some of the most trying but nonetheless fulfilling years of her life At the same time *A Home Concealed Woman* her own self descriptive phrase provides a firsthand view of the hardships of subsistence farming the material culture of rural society and the codes to which Le Guin as a white woman a southerner and an evangelical Christian adhered The most striking feature of Le Guin's world is that it was confined almost entirely to the indoors from the bedrooms where her children were born and where her parents lay ill and died to the stove room where the daily meals were cooked and cleared Her husband's prominence in their small community and the size of their extended families meant that Le Guin hosted an endless flow of callers and overnight guests more than one hundred in the summer of 1906 alone Managing an already busy household under these conditions so occupied her time that she treasured every respite I was truly glad when I felt the sprinkling of the rain I was so glad I couldn't content myself indoors washing dishes sweeping floors making beds etc etc so I just postponed those things and churning too awhile and betook myself out in the misty rain with a new brushbroom and swept a lot of this large yard and inhaled the sweet air scented with rain settling dust Less idyllic sentiments also fill Le Guin's diaries for the anger and anxiety she could not publicly express found a voice in their pages I feel rebellious once in awhile at my lot so much drudgery and so much company to cook for and in meantime my own affairs my own children my little baby all going neglected Though condescending outbursts about her hired help reveal Le Guin's racial attitudes her endemic prejudice is tempered by her many expressions of genuine concern for individual blacks close to her family As writer Ursula K Le Guin suggests in her foreword the diary may be the best suited literary form for approximating the actual gait of people's lives In *Magnolia* Le Guin's diary prayerful entreaties for strength and guidance mingle with daily news about her family providing a constant background against which major events such as births and deaths holidays and harvests take place The reader's admiration for Le Guin will grow as the details of her life emerge and accumulate
