**Our Hopes, Our Future** Andreas M. Krafft, 2023-01-31 How can we overcome crises and shape our common future Since the beginning of the Corona pandemic we have all been put to an immense test This shows how humanity can successfully and constructively deal with such situations and make the best of them And we learn that the future is not something that happens to us but that we can actively and constructively shape it The basic prerequisite for this

is an attitude of openness mutual helpfulness and hope This non fiction book vividly reports on the currently prevailing images of the future and the common longings as well as on people s capacity for hope and action It reveals the power of desirable images of the future and of a collective hope as the opposite of general helplessness or of blind and na ve optimism The central statements of this book are based on the experiences of thousands of people in more than ten countries who participated in the scientific study of the Hope Barometer in 2019 and 2020 In a unique way this combines lived practice with the latest findings of social science futurology positive psychology and pragmatic philosophy Target groups This book is for anyone who wants to look to the future with hope It offers concrete answers to key questions and shows how crises can be overcome while shaping a better future for individuals and society as a whole About the author Dr Andreas M Krafft teaches at the University of St Gallen and at the Free University of Berlin As co president of swissfuture the Swiss Association for Futures Research and as a board member of the Swiss Society for Positive Psychology he leads the international research network of the Hope Barometer

*The Future of the Nineteenth-Century Dream-Child* Amy Billone,2016-06-10 This book investigates the reappearance of the 19th century dream child from the Golden Age of Children s Literature both in the Harry Potter series and in other works that have reached unprecedented levels of popular success today Discussing Harry Potter as a reincarnation of Lewis Carroll s Alice and J M Barrie s Peter Pan Billone goes on to examine the recent resurrection of Alice in Tim Burton s Alice and of Peter Pan in Michael Jackson and in James Bond Visiting trends that have emerged since the Harry Potter series ended the book studies revisions of the dream child in texts and films that have inspired mass fandom in the twenty first century Stephenie Meyer s Twilight E L James s 50 Shades of Grey and Suzanne Collins s The Hunger Games The volume argues that the 21st century desire to achieve dream states in relationship to eternal youth results from the way that dreams provide a means of realizing the fantastic yet alarming possibility of escaping from time This current identification with the dream child stems from the threat of political unrest and economic and environmental collapse as well as from the simultaneous technophilia and technophobia of a culture immersed in the breathless revolution of the digital age This book not only explores how the dream child from the past has returned to reflect misgivings about imagined dystopian futures but also reveals how the rebirth of the dream child opens up possibilities for new narratives where happy endings remain viable against all odds It will appeal to scholars in a wide variety of fields including Childhood Studies Children s YA Literature Cinema Studies Cultural Studies Cyberculture Gender Studies Queer Studies Gothic Studies New Media and Popular Culture

**Imagination and Its Pathologies** James Phillips,James Morley,2003 Madness has been viewed as a faulty mix of ideas by a deranged and violent imagination This study shows that the relation of the imagination to pathological phenomena is as diverse and complex as the human condition The imagination has the power not only to react to the world but to recreate it

Judgments Over Time Lawrence J. Sanna,Edward C. Chang,2006-03-16 Time pervades every aspect of people s lives We are all affected by remnants of our pasts assessments of

our presents and forecasts of our futures Our thoughts feelings and behaviors over time inexorably intertwine and intermingle determining varied reactions such as affect and emotions as well as future behaviors The purpose of this volume is to bring together the diverse theory and research of an outstanding group of scholars whose work relates to peoples judgements over time To date much theory and research on temporal variables within psychology has remained somewhat fragmented isolated and even provincial researchers in particular domains are either unaware of or are paying little attention to each other s work Integrating the theory and research into a single volume will bring about a greater awareness and appreciation of conceptual relations between seemingly disparate topics define and promote the state of scientific knowledge in these areas and set the agenda for future work The volume presents the two main ways of looking at judgments over time looking at how people s thoughts about the future and the past affect their present states and looking at the interplay over time among people s thoughts feelings and behaviors      **Fantasies & the Future** Miranda Lee,1995 *Fantasies The Future* by Miranda Lee released on Aug 25 1995 is available now for purchase
