Far In The Waste Sudan On Assignment In Africa:

Far in the Waste Sudan Nicholas Coghlan, 2005 In 2000 with controversy raging over the presence in Sudan of Canada's largest independent oil and gas producer Ottawa decided to open a watching post in Khartoum Nicholas Coghlan was recalled from his assignment in Columbia another war zone to set up and run the first diplomatic presence in the largest country in Africa In diplomatic circles you cry when you hear you've been posted to Sudan says Coghlan But you cry even more when you leave Far in the Waste Sudan weaves together a personal and political account of Coghlan's three year posting Oil rich and on the front line of the divide between Africa and the Middle East and between the West and Islam Sudan is one of Africa's most inaccessible countries Far in Waste Sudan is as an excellent introduction that takes the reader from Khartoum former home to Carlos the Jackal and Osama bin Laden to the Wadi Halfa desert where Canadian travellers played a key role to lift the siege of 1885 and rescue British General Charles Gordon to the rebel controlled swamps and jungle lowlands of Equatoria where the rebel People's Liberation Army have held sway for twenty years Coghlan explores the mountain ranges of Darfur and the forgotten national park of Dinder and races a fifty year old steel sailing dinghy on the Blue Nile With new conflicts smouldering in Darfur Far in Waste Sudan also explores the moral and ethical dilemmas of delivering aid to a country at war with itself Coghlan's rare first hand account of Sudan offers a unique perspective that leaves an indelible impression

China's Diplomacy in Eastern and Southern Africa Seifudein Adem, 2016-05-23 In contemporary discourse on China Africa relations there are on the one hand the Sino pessimists who see China as a giant vacuum cleaner sucking up Africa's resources in order to fuel its own rapid industrialization and destroying Africa's development potential in the process On the other hand the Sino optimists see China as the ultimate savior of Africa capable of or willing to develop the continent Between the two divergent schools of thought are those sitting on the fence for the time being the Sino pragmatists who are less sanguine for sure about what Africa would gain from China Africa relations but are nevertheless willing to reserve judgment until the dust settles This book is innovative in two ways it introduces a regional approach to the study of China Africa relations by focusing on Eastern and Southern Africa and it puts forward a disciplinary framework disciplinary in both senses of that term for interrogating the burgeoning literature about China Africa relations by conceptualizing the three schools of thought mentioned above

Historical Dictionary of South Sudan Douglas H. Johnson, Kuyok Abol Kuyok, Nicki Kindersley, 2025-04-15 This is the first ever historical dictionary of South Sudan as an independent nation It focuses on the events peoples and cultures of South Sudan that were once treated as marginal to the grand narrative of Sudanese national history but without disentangling South Sudan from wider historical connections across the Nile Valley and Northeast Africa With an interpretive introduction by the three authors it offers new perspectives on historical events and personalities extensive coverage of recent events and current affairs short biographies of leading social and political figures an extensive chronology a comprehensive bibliography and maps based on current research illustrating

specific issues confronting the new nation Building on the classical anthropological and historical studies of South Sudanese peoples as well as new research especially by South Sudanese authors it provides a foundation on which to build new research on South Sudan and new perspectives on its shared history with Sudan and the wider region Historical Dictionary of South Sudan contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about South Sudan

Sudan Looks East Daniel Large, Luke A. Patey, 2011 By successfully turning to China Malaysia and India from the mid 1990s amidst civil war and political isolation Khartoum s Look East policy transformed Sudan s economy and foreign relations Sudan in turn has been a key theatre of Chinese Indian and Malaysian overseas energy investment What began as economic engagements born of pragmatic necessity later became politicized within Sudan and without resulting in global attention Despite its importance widespread sustained interest and continuing political controversy there is no single volume publication examining the rise and nature of Chinese Malaysian and Indian interests in Sudan their economic and political consequences and role in Sudan s foreign relations Addressing this gap this book provides a groundbreaking analysis of Sudan s Look East policy It offers the first substantive treatment of a subject of fundamental significance within Sudan that additionally has become a globally prominent dimension of its changing international politics From [http www amazon com](http://www.amazon.com) July 23 2014

Omar al-Bashir's Sudan, 2nd Edition Diana Childress, 2012-08-01 Omar al Bashir came into power in 1989 Sudan was gripped by famine caused by drought as well as a devastating civil war between the north and south Its economy was in shambles Bashir headed a coup to overthrow Sudan s democratic government and many hoped it would finally bring order to the country After the coup Bashir suspended the constitution and appointed himself head of state prime minister defense minister and commander in chief of the army It soon became clear that his objective was to turn Sudan into a strict Islamic state even though most people in South Sudan are not Muslim He dismissed imprisoned and even executed those who disagreed with his measures and continued the war in the south destroying entire villages and scattering their populations Then in 2003 a crisis arose in the western area of Darfur Drought had brought farmers and herders into conflict over the land Bashir armed pro Arab militia who worked with the military to bring the same destruction of villages to Darfur In 2008 the International Criminal Court issued an arrest warrant for Bashir for crimes against humanity In Omar al Bashir s Sudan learn more about this ruthless dictator and how the international spotlight might help bring an end to his repressive rule

Canada in Sudan Peter Pigott, 2009-02-16 An ancient Arab proverb states When Allah made the Sudan he laughed Had he known the country s future he would have done better to cry To most of the world Sudan means Darfur and the tragedy of atrocities and ethnic cleansing that has occurred there Canada s first involvement in Sudan was in 1884 when Canadian voyageurs were recruited to help rescue General Gordon who was besieged in Khartoum by the Mahdi

Canada in Sudan introduces Canadians to this massive troubled nation telling the story from ancient times through to the modern era and the work of Canadian archaeologists aid organizations and Canadian Forces military observers deployed to Sudan as part of Operation Safari On March 30 2007 Minister for Foreign Affairs Peter MacKay said Sudan is an almost perfect storm of conflict dislocation underdevelopment and brutality Perhaps he was confirming that Canada will be in Sudan for a very long time

The Governance Gap Penelope Simons, Audrey Macklin, 2014-07-11 This book explores the persistence of the governance gap with respect to the human rights impacting conduct of transnational extractive corporations operating in zones of weak governance The authors launch their account with a fascinating case study of Talisman Energy's experience in Sudan informed by their own experience as members of the 1999 Canadian Assessment Mission to Sudan Harker Mission Drawing on new governance reflexive law and responsive law theories the authors assess legal and other non binding governance mechanisms that have emerged since that time including the UN Guiding Principles on Business and Human Rights They conclude that such mechanisms are incapable of systematically preventing human rights violating behaviour by transnational corporations or of assuring accountability of these actors or recompense for victims of such violations The authors contend that home state regulation while not a silver bullet has a crucial role to play in regulating such conduct They pick up where UN Special Representative John Ruggie's Guiding Principles on Business and Human Rights left off and propose an innovative robust and adaptable template for strengthening the regulatory framework of home states Their model draws insights from the theoretical literature leverages existing public private transnational national soft and hard regulatory tools and harnesses the specific strengths of state based governance This book will be of interest to academics policy makers students civil society and business leaders

Afterwords Gar Pardy, 2015-12-03 Afterwords brings together the commentaries speeches and book reviews of Gar Pardy following his retirement from the Canadian Foreign Service The

commentaries and book reviews have been published in a variety of Canadian newspapers and magazines and deal with world events from a Canadian perspective Afghanistan the Middle East migration national security the RCMP CSIS Omar Khadr Maher Arar the courts Canadians in dangers overseas nuclear proliferation and the Arctic are all extensively covered All are written by a person who was on the inside of government but was never part of the system Canada and the World since 1867 Asa McKercher,2019-09-19 This book is a history of Canada's role in the world as well as the impact of world events on Canada Starting from the country's quasi independence from Britain in 1867 its analysis moves through events in Canadian and global history to the present day Looking at Canada's international relations from the perspective of elite actors and normal people alike this study draws on original research and the latest work on Canadian international and transnational history to examine Canadians involvement with a diverse mix of issues from trade and aid to war and peace to human rights and migration The book traces four inter connected themes independence and growing estrangement from Britain the longstanding and ongoing tensions created by ever closer relations with the United States the huge movement of people from around the world into Canada and the often overlooked but significant range of Canadian contacts with the non Western world With an emphasis on the reciprocal nature of Canada's involvement in world affairs ultimately it is the first work to blend international and transnational approaches to the history of Canadian international relations **Empires of Oil** Duncan Clarke,2010-08-06 We might think that the world's oil empires are invincible megaliths dominated by American interests but Duncan Clarke reveals the ways in which these empires will face huge challenges in the twenty first century Based on razor sharp analysis of contemporary geopolitics and a deep knowledge of global history he shows exactly why these empires are declining He explains where the new empires of oil will be around the world which of the hidden threats and unknown enemies are and will be the most serious and where companies have gone wrong and can improve their global strategies Empires of Oil reveals how the world will change because of global battles over the commodity that underpins our lives Canada and the Third World Karen Dubinsky,Sean Mills,Scott Rutherford,2016-03-31 Even though they are aware of the Third World in relation to their daily lives most Canadians know little about the historical foundations and complex nature of their country's entanglements with non Western societies Canada and the Third World provides a long overdue introduction to Canada's historical relationship with the Third World The book critically explores this relationship by asking four central questions how can we understand the historical roots of Canada's relations with the Third World How have Canadians individuals and institutions alike practiced and imagined development How can we integrate Canada into global histories of empire decolonization and development And how should we understand the relationship between issues such as poverty racism gender equality and community development in the First and Third World alike S.S.A. Jesuits in Africa Festo Mkenda SJ,2022-05-02 Jesuits have been in Africa since the founding of their order yet their

history there remains poorly researched Although scholars have begun to focus on specific regions such as Congo Ethiopia and Zimbabwe a comprehensive picture of the entire Jesuit experience on the continent has hitherto been lacking In a condensed yet accessible way Jesuits in Africa fills that lacuna Narrating the story century by century from the time of St Ignatius of Loyola c 1491 1556 founder of the Jesuits to that of Pedro Arrupe 1907 91 in office 1965 83 twenty eighth superior general of the Society this book makes Jesuit history in Africa available to a general readership while offering scholars a broad view in which specialized topics can be conceived and deepened
