Pfister,2022-03-24 Though recognized in the latter part of the 19th century as the greatest Orientalist in Britain the Geneva born Anglican priest Solomon Caesar Malan 1812 1894 was such an extraordinary person that he has defied any scholarly person to write a critical account of his life and works Consequently almost no one has written anything critically appreciative and insightful about him since his death A polymath with extraordinary talent for languages and sketching among other specialized skills Malan focused much of his life on assessing biblical translations in ancient Middle Eastern and East Asian languages while also producing English translations of alternative expressions of Christianity found in north Africa the Middle East and Asia A life long interest of his was comparing the proverbs of his name sake King Solomon with proverbial wisdom from as many cultures and languages as he could find That interest culminated in a three volume work that enshrined his achievements realized through his capacities as a hyperpolyglot within the context of a search for shared wisdom across many cultures In this volume produced by a team of collaborators from a wide range of scholarly interests and varying expertise we have presented a critically assessed account of the life and key works produced by Solomon Caesar Malan In fact it is the first work of its kind on Malan written since his death now having occurred more than 125 years ago Readers will journey through an itinerary that starts in Geneva before it became part of Switzerland moves to Great Britain and ultimately into one of the colleges in Oxford Subsequently it moves us into an exploration of the journey of his life that involved a huge range of places people and languages starting in Calcutta touching unusual figures from Hungary India and China Those seminal experiences led Malan into studies of languages related to even more distant cultural worlds in Central Southeastern and East Asia The historians among us have delved into Malan s life in Calcutta Geneva and Dorsetshire while others have explored the nature of his hyperpolyglossia and tested the quality of his understanding of ancient literature in classical languages that include Chinese Manchurian Sanskrit and Tibetan Notably Malan s personal library was so unique that when he donated it to his alma mater at Oxford University it became one of the major bibliographic precedents for what is now the Oriental Division in

the Bodleian Libraries Yet when one follows the twists and turns of his life s journey and the surprises that occur from documenting the history and content of the Malan Library as well as critically analysing aspects of his opus magnum Original Notes on the Book of Proverbs 1889 1893 we believe both general readers and scholarly specialists will be entranced **Far Side of the Shadow Screen** Thomas Champion,2016-05-18 My name is Peter Grant I didn t start out to save the world it just sort of happened I only wanted to win back the love of the woman who broke up with me She was chosen to work on this anthropological expedition to Bali an excellent place to rekindle the magic of romance I more or less invited myself along That wasn t the kind of magic I found While Gayle my ex was working on her tan beside a Balinese lagoon I was chasing down headhunters in the jungles of Irian Jaya She made the cocktail party circuit I buried the last King of the Torajan And while the lovely Ms O Conner got engaged to the Major Domo Demon of the Underworld I became the sorcerer s apprentice So you tell me how s a guy suppose to win a woman s heart if he can t spend any quality time with her I m a child of my times an amalgamation of nature and nurture I did what any red blooded American male my age has learned to do I battled the evil lord of the universe to stop his union with the woman I love and saved all of mankind in the process You would think that would count for something wouldn t you Man has always known the gods the demons They are as real as the moon and stars From his first taste of the apple man recognized good and evil and honored and feared the gods they represent But someday we must ask how much of this is real and how much is just man s invention For Peter Grant the answer means everything

middle of it anyway because Daniel Adele and their Cinnabar crew would never turn their backs on a fight At the publisher s request this title is sold without DRM Digital Rights Management Praise for the Lt Leary Series Please more Lt Leary soon Andre Norton Updating dashing Horatio Hornblower tactics and vintage John Wayne heroics with formidably battle hardened female NCOs Drake gives a full measure of appealing derring do Publishers Weekly Drake s With the Lightnings once again demonstrates the author s talent for arcane politics and vivid battle scenes a pair of clever and resourceful protagonists action packed space opera Library Journal Drake creates two strong protagonists With the Lightnings is an intelligent page turner the launching of a new futuristic space navy saga Booklist vintage Drake fast paced heroic and ending in a rousing climax Drake remains one of the best of the military SF writers Science Fiction Chronicle With the Lightnings is his best and most fun novel I d love to see a sequel Philadelphia Weekly Press Drake couldn t write a bad action scene at gunpoint and his sense of humor infuses the characters here in Lt Leary Commanding with agreeable qualities Grand fun for lovers of action in high space Roland Green
