

The Seven-Step Decision-Making Process:

*By following a deliberate process, you can help ensure the choice and success of the right decision, and reduce or eliminate second-guessing.
Here is how the process flows:*

1

Articulate the Decision

Identify the issue and what decision needs to be made.

2

Gather Information

Do intensive research of relevant background.

3

Identify Your Options

After gathering the information, tease out the possible and most likely decisions.

4

Evaluate the Information

See how the research and background you've identified aligns to one or more of your decision options.

5

Select Your Decision

6

Implement the Decision

Take all the steps necessary to make sure the decision is made and followed.

7

Review Your Decision

Refine as needed as you go forward, and evangelize results for future needs.
