Genesis T. M. Moore,1981-01-01      The Publishers' Trade List Annual ,1984      *Liberating Black Theology* Demaine Solomons,Eugene Baron,2024-02-14 Current debates on decolonisation call for academic disciplines including the practitioners of Black theology to reflect on its content and curriculum This edited volume actively engages in these ongoing dialogues specifically addressing the pertinence of a Black theology of liberation within the postapartheid landscape It not only delves into the historical underpinnings of this theological framework but also endeavours to establish a conceptual framework for assessing its significance within the current discourse on decolonising theological disciplines In addition to shedding light on the historical importance of Black theology the late Vuyani Vellem poses a crucial question What lessons has Black theology yet to learn This inquiry by emerging South African scholars serves as a guide for navigating the path forward in developing this theological perspective Beyond emphasising the historical context the volume aims to contribute to broader discussions about social cohesion in South Africa where conflicting socio political narratives persist This work adds to the theoretical development by grappling with the history of Black theological thought and influences contemporary engagements with theology Its impact spans various levels encompassing the reconsideration of Black theology s influence on race gender politics community development and more Ultimately this volume serves as a catalyst for understanding and reshaping the discourse on Black theology offering valuable insights for navigating the complexities of theological thought in today s diverse and evolving landscape      *Capital Punishment in the Pentateuch* Simon Skidmore,2022-11-17 Through the application of mimetic theory Skidmore examines the social impact of capital punishment upon the community and explores the cathartic nature of this practice within key Pentateuchal texts Skidmore shows how Mimetic theorists such as Girard advance a view that a community ravaged by vengeance and blood feuds may be saved from extinction by scapegoating one of their own As the community select a common scapegoat and vent their collective violence upon this person peace and order are restored Though an in depth analysis of various passages Skidmore reveals this process in key Pentateuchal texts concerning capital punishment These observations suggest that biblical capital punishment may have functioned as a means of protecting the Israelite community by managing rivalry and violence      **Tyndale Bible Dictionary** Philip Wesley Comfort,Walter A.
