Getting students to want to read is one of the greatest challenges facing middle school teachers and librarians. Determining which are the right books that can spark a child's mental awakening is also difficult. This book from prolific author Nancy Polette furnishes interesting and fun games to pique students' interest in junior novels that are worth reading carefully selected titles that will contribute to their educational and emotional growth. Gateway to Reading 250 Author Games and Booktalks to Motivate Middle Readers is a powerful tool for luring middle school students away from the distractions of 21st century media and introducing them to junior or tween novels that they won't be able to put down. Reading Raps Rita Soltan, 2005-12-30 Book clubs are sprouting up all over and so are book club guides but not all book club guides are equal. Many focus on a specific type of book club or they take a generic approach of one size fits all and most do not take into account the special needs of librarians and educators working with young readers. This guide has it all and it will help you ensure that your book club meetings are both fun and educational. Focusing on children in grades 3-8 and their families the book offers 100 ready-made book club instructions for popular children's and YA titles from newer releases such as Theresa Nelson's *Ruby Electric* and Blue Balliett's *Chasing Vermeer* to perennial favorites and award-winning classics such as Johanna Hurwitz's *Much Ado about Aldo* and Gary Soto's *Baseball in April* and *Other Stories*. Along with thought-provoking discussion questions you'll find all the background information you need to conduct lively book discussions with a variety of readers: plot summary, themes and characters description, genre, reading level, author and award information, related reads and more. The guide describes four types of family-oriented book clubs: family, mother-daughter, father-son, and readers rap as well as a book club for kids only. The author provides practical instructions for making each type of book club successful. For each title she provides a plot summary, characterization sketches, questions to use for provocative discussion, and follow-up bibliographies on similar reads. Notes on genres, themes, and reading levels are also provided. The selected titles reflect some of the best, most current and most popular children's literature. In addition, a broad scope of genres and multicultural titles are included. Perfect for public library programs and after-school book clubs, this is a one-stop resource with practical, ready-made plans that can easily be adapted to multiple environments. Grades 3-8

Following My Own Footsteps Mary Downing Hahn, 1996-08-16 The sequel to the award-winning *Stepping on the Cracks*. Sometimes heart-rending, sometimes funny, Gordy Smith will prove memorable to all who meet him. Booklist starred review. In *Following My Own Footsteps*, sixth grader Gordy Smith comes to grips with the fear that he'll turn out no better than his abusive father. With his father now in jail and one brother hospitalized, Gordy's mother has no

choice but to take the family to their wealthy grandmother's house in North Carolina. There Gordy meets William, a boy who had polio and is now wheelchair bound. Though they become friends, Gordy's plans to help William fail spectacularly. Matters only get worse when Gordy's father is released from prison and his mother is poised to give him a second chance. Gordy must decide where he belongs with his dysfunctional parents or with the grandma who is more than his match in toughness, in courage, and in love. A cast of unforgettable characters inhabit this work seasoned with WW II setting but utterly contemporary in its concerns. Hahn is in top form, proving through Gordy's first person narration that real love can triumph over all kinds of adversity and often does. Kirkus Reviews. The complex characterizations, period setting, and Gordy's brave attempts to break a cycle of violence will hold readers' interest. Publishers Weekly. It's a timeless social issue, really, in any era of having a dysfunctional abusive parent.
