**Religion Matters: Volume 2** P. T. Babie, Rick Sarre, 2024-07-19 This book constitutes the second volume of Religion Matters The Contemporary Relevance of Religion Springer 2020 Offering a fresh and much needed perspective it explores the role of religion in the modern neo liberal world The book acclaims that religion is a contextual and contested term which is extensively discussed in the Introduction Designed to be read selectively this book allows readers to delve into topics and traditions of specific interest without the necessity of reading the entire volume In contrast to volume 1 where contributors critically engaged with religion and various disciplines this book poses a fundamental question Can religion contribute to the discipline under consideration Authors were selected based on their ability to address this question Some chapters concluded that religion may offer very little to the discipline under consideration highlighting the value of volume 1 s critical stance on the place of religion in contemporary society However the project s overall aim remained somewhat unfulfilled leading to the creation of this second volume The primary omission from the first book was a comprehensive exploration of the sciences and health sciences which this second volume aims to rectify Furthermore additional authors were chosen to investigate the nature of connectedness facilitated by religion horizontally through membership within wider communities societies cultures or religious traditions and vertically by examining historical relationships within a particular faith tradition culture community or society This volume also broadens its focus to include non Christian perspectives Indigenous perspectives and an increased representation of female contributors

Bouw, 1992      *Creation, Sin, Covenant, and Salvation* Edward P. Meadors, 2011-06-01 *Creation Covenant Sin and Salvation* is a primer for biblical theology that is accessible to lay readers of all ages This is the ideal book for those seeking a short accessible synopsis of the Christian worldview Sprinkled with anecdotes and illustrations the book eases readers into a succinct yet comprehensive discussion of biblical thought The final chapter explains the authority practical value and intended purpose of Scripture Meadors inspires readers to think critically about the real life believability of the Christian faith especially its intellectual coherence In keeping with biblical theology the book affirms the continuity of biblical revelation from beginning to end before consummating in the resurrection of the dead and God s restoration of all creation

**The Biblical and Observational Case for Geocentricity** Jack a. Mooreman, 2013-07 Just as in the theory of evolution versus the Biblical teaching and the truth of God s creation so there is a controversy whether or not both the Bible and scientific facts teach clearly that the earth is the center of God s creation rather than the sun Dr Moorman has done a masterful job in clarifying this subject for the Bible believing Christians      *Creation, Sin, Covenant, and Salvation, 2nd Edition* Edward P. Meadors, 2024-05-16 *Creation Sin Covenant and Salvation* is a primer for biblical theology that is

accessible to lay readers of all ages This is the ideal book for those seeking a short accessible synopsis of the Christian worldview Sprinkled with anecdotes and illustrations the book eases readers into a succinct yet comprehensive discussion of biblical thought The final chapter explains the authority practical value and intended purpose of Scripture Meadors inspires readers to think critically about the real life believability of the Christian faith especially its intellectual coherence In keeping with biblical theology the book affirms the continuity of biblical revelation from beginning to end before consummating in the resurrection of the dead and God s restoration of all creation

*The Early Earth* John C. Whitcomb, 2011 First published in 1972 The Early Earth has established itself as one of the most illuminating books defending biblical creationism Newly revised in 2011 the 176 page paperback is a companion to Whitcomb s *The World That Perished* and includes dozens of updates and recent citations that strengthen Whitcomb s stellar defense of biblical creationism The book is organized into five sections and includes more than a dozen special illustrations and explanations that will be of interest to both mature and younger readers They include interesting sidelights on such subjects as whales the duck billed platypus dinosaurs bacterial flagellum and more In addition to an 11 page bibliography reflecting the latest scientific information from books and journal articles the revised version also includes extensive subject author and scripture indices

*"Come Out My People!"* Wes Howard-Brook, 2010 A compelling view of two competing religious visions one of creation and the other of empire that run throughout the Bible A remarkable offering for those who care about the interface of power and faith with all the threats and seductions that go with it As I read I felt overwhelmed both by the mass of data and by the cunning of interpretation I could not put it down and expect to continue to be instructed by it Walter Brueggemann Howard Brook undertakes what few dare anymore an introductory primer for the whole Bible This book invites disciples to connect the dots in order to recover our ancient anti imperial identity and to embrace a radical faith and practice that are personal and politica Ched Myers Howard Brook illuminates how ancient empires exercised control and manipulation of people not simply by political and military means but also through the religion of empire Throughout he makes clear that the core message of the God of creation is to call people out of empire to refuse to cooperate with the forces of destruction and domination today Richard Horsley Will become a classic for communities that seek first to receive the gracious gift of God s alternative future to Empire Jarrod McKenna If we who sojourn in America are to be a community that can both name and resist the lure of Empire we need a story more powerful than the story called America Wes Howard Brook knows than the Bible tells such a story May its story be ours as we re set free from our imperial imaginations to dream with our Creator of a new world here and now Jonathan Wilson Hartgrove
