Geography of Marriage Snyder,1889 The Geography of Marriage, Or Legal Perplexities of Wedlock in the United States, by William L. Snyder. 2d Edition William Lamartine Snyder,1889 Public Documents of Massachusetts Massachusetts,1890 *Shakespearean Educations* Coppélia Kahn,Heather S. Nathans,Mimi Godfrey,2011-02-07
Shakespearean Educations expands the notion of education beyond the classroom to literary clubs private salons public lectures libraries primers and theatrical performance This collection challenges scholars to consider how different groups in our society have adopted Shakespeare as part of a specifically American education This book maps the ways in which former slaves Puritan ministers university leaders and working class theatergoers used Shakespeare not only to educate themselves about literature and culture but also to educate others about their own experience Index-catalogue of the Library of the Chicago Law Institute to December 31, 1901 Chicago Law Institute. Library,1902 **Report of the Librarian and Annual Supplement to the General Catalogue** State Library of Massachusetts,1886 The Andover Review ,1889

Transatlantic Literature and Author Love in the Nineteenth Century Paul Westover,Ann Wierda Rowland,2016-09-22 This book is about Anglo American literary heritage It argues that readers on both sides of the Atlantic shaped the contours of international English in the 1800s expressing love for books and authors in a wide range of media and social practices It highlights how in the wake of American independence the affection bestowed on authors who became international objects of celebration and commemoration was a major force in the invention of transnational English literature the popular canon defined by shared language and tradition While love as such is difficult to quantify and recover the records of such affection survive not just in print but also in other media in monuments in architecture and in the ephemera of material culture Thus this collection brings into view a wide range of nineteenth century expressions of love for literature and its creators

Catalogue of the California State Library California State Library,1889 **Extramural Shakespeare** D. Albanese,2010-09-27 This study argues that Shakespeare can now be understood as part of public culture Thanks to the emergence of mass education in the twentieth century Albanese argues that Shakespeare has become a shared property despite the depiction of his texts as elite cultural objects in the film industry **Bulletin of the Pratt Institute Free Library** Pratt Institute.
