**Our Final Salute** Jay Schofield, 2012 Introduction A Trip to Canada September 3 1944 On the above date two brothers Jay and Win Schofield briefly crossed the Canadian border from New York to gather a few documents then return to America Why Each needed naturalized citizen status to join the U S Army Jay at twenty five and Win ten years older were both drafted and eager to serve their country in what would be World War II Two other brothers Llew and Brent had already become eligible The required documentation for Jay and Win were requisites to prove they were born in the province of Nova Scotia Canada some twenty years earlier It would have been a simple matter of simply asking for their respective birth certificates getting sworn in and packing for boot camp It got complicated In Halifax there had been a fire around the

time of their family's migration to America destroying their birth records Jay and Win got their desired status and entered the military My Life Went On That story was related to me back in the 1950s but in typical fashion of a self absorbed teen rebel I saw little value in the story Like most boys that age my immediate focal points were What's for supper or Did the Red Sox win last night or Who'll be my date for Friday's record hop I mean Really that war happened when I was a few months old What value could it have to me How wrong I was The years went by including college marriage family and work Buried in the background of my thinking lingered the question about the brothers Canadian visit and what changes the family had undergone before and after that point It became even more of a topic considering today's America's red hot immigration issue with the Mexican border What would compel family members back then to fight for their adopted country Today Canada has become America's forgotten northern border while our southern Mexican border captures most of the national interest We hear of both electronic and structural fences our National Guard's involvement a drug war with Mexican cartels and wanton illegal crossings bringing murders of America's border states citizens Regrets For Sure In 1980 the urgency to ask my dad family questions became more critical following his cancer diagnosis Hoping to make up for lost time I suggested nine years later I write his life story An endless barrage of questions while he was undergoing the ravages of invasive cancer treatment would prove tiresome Despite repeated chemical invasions he persevered For the first time I witnessed him crying as he related his mother's undying dedication while she helped him memorize his lines before his high school performance The Mikado Even today I can hear my dad's tears on that tape as he confirmed he never missed a line Dad shared his family's work ethic getting to the job despite sickness or hard times They toiled at multiple often menial jobs providing for their four sons and daughter He spoke lovingly of his parents including his dad dying in 1951 and then losing his mom nine years later Those tapes provided me long lasting insights and inspiration I learned elders are eager to share their lives if someone asked the right questions Thrilled to tip over that first domino I knew the interviews had built his story's foundation Although he was a rookie at dying I was a rookie at writing yet we both persisted like veterans In a few months his life story formed I transcribed the interview did parallel research and crafted his memoirs the best an emerging author could The process and the result brought us unparalleled joy Upon completion he read and re read the story then gushed on about how much he appreciated my effort He died knowing his life story would be saved and passed down Infected with a Memoirs Schofield history bug I vowed to carry on Filling In Some Blanks The family questions however gnawed at me I wanted **The Geneva Conference of Heads of Government** United States. Department of State,1955 **Bear River Spirit** Payton Lee,2003-01-21 A widower and widow both of mixed Shoshone blood agree to marry for the sake of the widower's son Their love deepens and they are witnesses to the bloody Bear River Massacre *The Geneva Bible* ,2007 The Bible of the Protestant Reformation Sixteenth century English Protestant scholars were determined to make the scriptures understandable to common people so that as William Tyndale famously put it the boy that driveth the plough should know

more of the scriptures than the educated man However Queen Mary's 1553-1558 persecution of her Protestant subjects caused many to flee to the continent to avoid imprisonment or execution Geneva Switzerland soon became a center for Protestant biblical scholarship It was there that a group of the movement's leading lights gathered to undertake a fresh translation of the scriptures into English beginning in 1556 Published in 1560 the Geneva Bible's popularity kept it in print until 1644 long after the advent of the Authorized Version aka King James Version It was an English Bible that met the needs of both clergy and laity Perhaps the Geneva Bible's greatest contribution was its commentary which undergirded the emerging practice of sermonizing and helped foster scripture literacy The Geneva Bible was the first to feature many innovations in the field of Bible publishing Text printed in readable roman type 7 pt type Smyth sewn Division of the text into numbered verses Italic type used for words not in the original languages Marks placed over the accented syllables to aid in pronouncing proper names Extensive textual and explanatory commentary placed in the margins Words phrases displayed at the heads of pages to promote scripture memorization Maps and woodcuts illustrating biblical scenes included Sold in a variety of sizes so many people could afford a household Bible The Geneva Bible accompanied English settlers voyaging to the new world It is probable that the Geneva Bible came to America in 1607 and was used in the Jamestown colony Thirteen years later the Pilgrims brought it with them on the Mayflower's perilous voyage to religious freedom The Geneva Bible stands as a landmark in the history of English Bible translation Hendrickson's facsimile reproduces one of the finest existing copies of the 1560 Geneva Bible Using quality materials and crafted to last Bible collectors and anyone interested in the history of the English Bible will treasure this volume FAQ Q Does the Geneva Bible come with the Apocrypha A Yes like most Bibles printed before 1800 the Geneva Bible comes with the Apocrypha Q Will it come with a concordance using Strong's numbers A Hendrickson's 1560 Geneva Bible is a facsimile of an original copy of the book Therefore it will not include modern features such as a concordance with Strong's numbers [The American Short-horn Herd Book](#) Lewis Falley
