

The background of the slide is an abstract, textured composition. It features a dense arrangement of organic, flowing shapes in various shades of blue, teal, and cyan, set against a dark, almost black, background. Interspersed among these blue forms are clusters of bright orange and red, which appear as if they are glowing or are a different layer of the same structure. The overall effect is reminiscent of a microscopic view of a complex biological system or a stylized representation of molecular structures.
