H. (William Henry) Pope, 1984 *Study Guide for Essentials of Economics* J. R. Clark, 2014-05-10

Study Guide for Essentials of Economics is a valuable support tool for the student using Essentials of Economics. It provides several important features that contribute to a good course which cannot be included in the standard textbook and if used correctly it will improve understanding of and ability to apply economic principles to everyday decision making. The book contains self test questions, problems and projects and perspectives in economics. Topics covered in the text include economic approaches, tools of the economist, supply, demand and the market process and money and the banking system. An answer key is provided at the end of the book. This text is intended for students of economics.

Study Guide for Microeconomics Paul Krugman, Elizabeth Kelly, Robin Wells, 2008-11-25

The Study Guide reinforces the topics and key concepts covered in the Microeconomics text.
