Follow Me Christian Discipleship For Today:

"Follow Me!": Basics of Christian Discipleship Terry G. Temple, 2012-05-03 Defines the terms disciple and discipleship and describes the practices of a disciple of Jesus Christ **Follow Me** John M. Drescher, 1971 Follow Me John M. Drescher, 2002-07-08 **Follow Me** Miroslav M. Kis, 2001 Follow Me J. Lee Grady, 2022 This book will teach you how to effectively mentor the next generation of Christians You will learn how to disciple others in their faith while getting outside of your comfort zone to increase your relationship with God If we want to change the world with the gospel we must stop focusing on crowds and events and reclaim Jesus method of rel **Thirsting for God** Francis Wagner, 2014-08-26 The monks of Saint Meinrad Archabbey like other men and women who have followed the Rule of St Benedict for centuries dedicate their lives to prayer work and community life based on the Gospel They thirst for God and with Christians everywhere lift up their hands call on God s name and say Lord teach us to pray Thirsting for God Prayers from a Monastery offers a sip from the deep well of contemplation available to us all The prayers poems and reflections shared in this small volume express a yearning not so different from our own Truly our combined thirst for God reveals a cup that overflows

The Comprehensive Unabridged Henry's Commentary on the New Testament ... Matthew Henry, 1870 **The Commands of Jesus** Michael Phillips, 2014-11-29 The noted Christian author shares an enlightening exploration of the Gospels the call to obedience and what it means to live your faith every day Jesus often introduces the subject of obedience with the tiny but significant word if He recognizes that there are always two paths obedience and disobedience He commands obedience But many will not obey In The Commands of Jesus Michael Phillips illuminates the true meaning and vital importance of heeding God s word He identifies 120 commands of Jesus found in the Gospels and discusses how we can incorporate each one into our daily lives **WikiChurch** Steve Murrell, 2011-07-05 Engage Empower and Go Viral Jesus told His followers that He would build His church and then He told them to go and make disciples It s that simple We make disciples and He builds the church But today we often get this exactly backward We work hard to build our churches with programs and promotions while continuing to neglect the essential practice of discipleship And we wonder why we struggle In WikiChurch Steve Murrell shows you how anyone can make disciples through the simple process of Engaging culture and community Establishing spiritual foundations Equipping believers to minister Empowering disciples to make disciples Imagine if every believer not just leaders was actively engaged in your ministry That s the Book of Acts That s a WikiChurch

Are We Really Christians? Harry Underwood, 2006-04-26 This book raises the critical question of what is required to be a follower of Christ It presents Christians with a challenging biblical test of discipleship and salvation The book is unique in that it delivers powerful theological messages direct from the scriptures and summarizes them into the top ten characteristics of Christians It climaxes in turning the theological insights into actions for Christians The book is designed and intended to be a life changing instrument for the readers one that is presented in an easy to use format Serious readers

will further deepen and expand their understanding of what Jesus and the Apostles expected of Christians The book defines responsible Christian living **Advanced Discipleship 301** Ron Hordyk,2019-11-01 There is nothing we can do to coerce the Holy Spirit to reveal Himself in power All we can do is humbly yield our lives to Him and ask that He manifest His power within us A spiritual man knows that the Holy Spirit can do far more than he can ask or imagine Since he believes in the power of the Holy Spirit he acts on God s promises as reality and walk in expectation of their fulfillment **An Exposition of the Old and New Testaments** Matthew Henry,1833 **The Explosive Power of Network Discipling** Ruthven Roy,2006-11 According to Roy every Christian is called to be a disciple and every disciple is called to be a fisher not just a member This discipling volume is a must read for every believer Practical Life **The Meanings of Discipleship** Andrew Hayes,Stephen Cherry,2022-07-22 Discipleship is a foundational concept of Christian life which has become a popular and ubiquitous description of belonging and growth in early 21st century ecclesiastical language Discipleship courses and popular writings abound and the term is used liberally in official church documents and strategies for growth and development particular in a western context But does recent use of the word risk reducing the wide range of meanings of discipleship to something less rich and inclusive than is warranted With contributions from an array of leading thinkers scholars and theologians including Rachel Mann Kirsteen Kim and Anthony Reddie this book argues that there is need for more clarity precision and depth in defining what meaningfully and constructively is construed as discipleship Beginning with an overview of how the concept of discipleship has been understood in history the volume goes on to consider some of the key figures who have shaped our understanding of the concept and finally to reflect on what discipleship might look like in contemporary society Connections: Year C, Three-Volume Set Joel B. Green,Thomas G. Long,Luke A. Powery,Cynthia L. Rigby,2019-05-01 Designed to empower preachers as they lead their congregations to connect their lives to Scripture Connections features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary For each worship day within the three year lectionary cycle the commentaries in Connections link the individual lection reading with Scripture as a whole as well as to the larger world In addition Connections places each Psalm reading in conversation with the other lections for the day to highlight the themes of the liturgical season Finally sidebars offer additional connections to Scripture for each Sunday or worship day This nine volume series is a practical constructive and valuable resource for preachers who seek to help congregations connect more closely with Scripture This eBook set contains Year C volumes 1 2 and 3 **The Last Disciple** David Pafford,2011-11-17 In an era of religious mass production so many church models invest their energies toward gathering a crowd singing songs and preaching good sermons Much of the focus is on the shop window While this is important it is not enough Doing church is not enough Churches that grow disciples don t simply attract a crowd they provide a strategic theological basis for what they do and that requires serious thinking about the methodology of church life The Last Disciple is a book for those interested not simply in doing church but in asking hard

questions about why we do what we do Answers to these hard questions are the very basis of the foundation of the local church s existence Rather than simply attracting a crowd have you evaluated why your church does church Have you ever felt that your church tradition has lost the meaning behind its existence What would it look like if you recaptured your church s meaning Is it possible to do this while bridging the relevancy gap of common culture There will be different answers for different contexts but this book will give you tools for thinking it through by asking the right questions **The Presbyterian** ,1902 **The Message of Discipleship** Peter Morden,2018-11-15 Soon after Jesus began his public ministry he called his first disciples He would teach and train them and then after his death and resurrection commission and empower them to go to the nations to make more followers The risen Jesus is still calling and sending people today If we heed his call the result can be just as transformative and exciting as it was for the first disciples While there are no explicit occurrences of the term disciple outside the Gospels and Acts with only two further biblical references to followers of Jesus it is Peter Morden s conviction that we need the entire Bible if we are going to be whole life disciples He reflects on Scripture and asks How do we live as committed disciples of Jesus today He explores the foundations resources and practice of discipleship in a range of Old and New Testament texts The result is a well rounded and satisfying picture of Christian discipleship one that is wonderfully attractive as well as deeply challenging With a fully integrated study guide suitable for both individuals and groups The Message of Discipleship will help you to see how the Bible s unified teaching on this vital theme can impact your life today The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture **A Biblical Theology of Christian Discipleship** Johnny Turner,2021-06-11 A Biblical Theology of Christian Discipleship is a spiritual resource that examines the biblical and theological doctrines to do ministry amid challenges and oppositions The role of the church is to persuade individuals to establish a philosophy of authentic discipleship This book challenges the church to walk humbly before God as genuine disciples The primary focus is to carefully follow Christ s mandate of the Great Commission in Matthew 28 18 20 Go and make disciples More importantly the book describes how the church can effectively use different methods and principles to better prepare believers for Christ *Discipleship in Education* Joseph Allotta,2018-02-08 Students are often tested to evaluate their academic knowledge but few Christian schools use objective measures to determine if a student has become a true disciple of Christ Unfortunately there are few organizations that provide metrics for measuring biblical knowledge let alone any sort of comparative evaluation of students engaging in the Christian disciplines forming a biblical worldview or actually being impacted spiritually by the programs of the school No matter whose statistics one chooses to believe the inescapable truth is that the church is losing its young men and women at an alarming rate once they graduate from high school The solution to this problem is simple but increasingly difficult to solve with each passing year Discipleship is what is needed for young people to truly identify who they are in Christ so that they can begin to develop godly habits and ultimately

grow in their knowledge faith and desire to serve the Lord and his Kingdom Christian schools have some particular advantages in the area of discipleship however their full potential is at the moment untapped Discipleship in Education is about preparing everyone from administrators teachers pastors and parents to be ready to unleash that potential
