Followed Pacific Ufo Mystery:

Followed Nebojsa Borkovich, 2002 Imagine sailing across the Pacific Ocean in a twenty nine foot sailboat and being followed by UFOs throughout the voyage This is exactly what happened to Neb Borkovich and his sailing companion Donald Begay a full blooded Navajo Indian Followed is a narrative of the encounters with the unknown as well as their struggle to understand who might be behind this what their motives are and what it means to Neb and Don personally and to humankind in general Followed puts the reader at the helm allowing them to see what these men saw and feel what they feel This is a bona fide well publicized case complete with documentation and supported by a thorough research of the subject Combined with their everyday sailing exploits it makes for a great read on many levels The book consists of two equally fascinating parts 1 A description of the actual events as they happened during their voyage from La Paz Mexico to Hawaii and then to San Francisco in the Spring and Summer of 2000 2 An analysis of the case including video enhancements drawings expert opinions and correlations to other similar experiences As with any investigation of this kind each answer only poses more difficult questions With each successive chapter Followed brings the author and reader alike closer to the door of the ultimate and undeniable truth behind the appearances of UFO vehicles in the skies of the planet That which we always took for granted may only be a fleeting illusion What we thought belonged to us may never have This book is not attempting to paint a rosy picture nor does it seek a validation of the author's views but presents you with the hard facts of a reality that is far stranger than fiction
