Fondas A Hollywood Dynasty:

The Fondas Peter Collier,1991 Biographies of the Fonda family Henry Jane and Peter exploring their private lives and relationships as well as their acting careers **Hollywood's Second Sex** Aubrey Malone,2015-04-24 Women stars in Hollywood were invariably in two categories said director Otto Preminger One group was of women who were exploited by men and the other much smaller group was of women who survived by acting like men Beginning with silent film vamp Theda Bara and continuing with icons like Greta Garbo Marilyn Monroe and Raquel Welch this study of film industry misogyny describes how female stars were maltreated by a sexist studio system until women like Katharine Hepburn and Bette Davis fought for parity The careers of Doris Day Brigitte Bardot Carole Landis Frances Farmer Dorothy Dandridge Inger Stevens and many others are examined along with more recent actresses like Demi Moore and Sharon Stone Women who worked behind the scenes writing screenplays producing and directing without due credit are also covered **Hollywood Left and Right** Steven J. Ross,2011-09-06 Ever since the film industry relocated to Hollywood early in the twentieth century it has had an outsized influence on American politics Through a series of gripping chapters on larger than life figures in American cinema Charlie Chaplin Louis Mayer Edward G Robinson Harry Belafonte Ronald Reagan George Murphy Jane Fonda Charlton Heston Warren Beatty and Arnold Schwarzenegger Hollywood Left and Right tells the compelling story of how Hollywood emerged as a vital center of American politics From Chaplin whose movies almost always displayed his leftist convictions to Schwarzenegger s nearly seamless transition from action blockbusters to the California governor s mansion Steve Ross traces the intersection of Hollywood and political activism through the twentieth century and into the 21st Significantly Hollywood Left and Right challenges the commonly held belief that Hollywood is a bastion of liberalism The real story as Ross shows in this passionate yet highly entertaining work is a far more complicated one The Left and the Right each gained ascendancy in Tinseltown at different times but while the Hollywood Left was usually more vocal and visible it was the Right that achieved the most capturing a Senate seat Murphy a governorship Schwarzenegger and ultimately the Presidency Reagan **Margaret Sullavan** Michael D. Rinella,2019-07-25 In 1933 Margaret Sullavan made her film debut and was an overnight sensation For the next three decades she enchanted audiences and critics in any medium she chose film theater television and was regarded as one of the foremost dramatic actresses Off screen she epitomized the Southern Belle beauty hospitality and flirtatiousness Deep down she suffered from crippling insecurity especially as a mother a feeling exacerbated by progressive hearing loss By age 50 she could no longer cope and took an overdose of sleeping pills This biography covers her film career with insightful criticism from the period and details her personal life including her marriage to Henry Fonda her special friendship with James Stewart and her bitter rivalry with Katharine Hepburn *The Man Who Saw a Ghost* Devin McKinney,2025-09-23 The first major biography of the iconic actor Henry Fonda a story of stardom manhood and the American character Henry Fonda s performances in The Grapes of Wrath Young Mr Lincoln The Lady Eve 1

who protested the Vietnam War Mike Davis author of *City of Quartz* The anti Vietnam War movement in the United States is perhaps best remembered for its young counterculture student protesters However the Vietnam War was the first conflict in American history in which a substantial number of military personnel actively protested the war while it was in progress In *The Turning* Andrew Hunt reclaims the history of the Vietnam Veterans Against the War VVAW an organization that transformed the antiwar movement by placing Vietnam veterans in the forefront of the nationwide struggle for peace Misunderstood by both authorities and radicals alike VVAW members were mostly young men who had served in Vietnam and returned profoundly disillusioned with the rationale for the war and with American conduct in Southeast Asia Angry impassioned and uncompromisingly militant the VVAW posed a formidable threat to America's Vietnam policy Based on extensive interviews and in depth primary research including recently declassified government files *The Turning* is a vivid history of the men who risked censures stigma even imprisonment for a cause they believed to be an extended tour of duty

The Life Story, Domains of Identity, and Personality Development in Emerging Adulthood Michael W. Pratt Ph.D., M. The Cinema of Isolation Martin F. Norden, 1994 Filmmakers have often encouraged us to regard people with physical disabilities in terms of pity awe humor or fear Others who somehow deserve to be isolated from the rest of society In this first history of the portrayal of physical disability in the movies Martin Norden examines hundreds of Hollywood movies and notable international ones finds their place within mainstream society and uncovers the movie industry's practices for maintaining the status quo keeping people with disabilities dependent and in their place Norden offers a dazzling array of physically disabled characters who embody or break out of the stereotypes that have both influenced and been symptomatic

of society's fluctuating relationship with its physically disabled minority. He shows us sweet innocents like Tiny Tim, obsessive Avengers like Quasimodo, variations on the disabled veteran, and many others. He observes the arrival of a new set of stereotypes tied to the growth of science and technology in the 1970s and 1980s and underscores movies like *My Left Foot* and *The Waterdance* that display a newfound sensitivity. Nordens in-depth knowledge of disability history makes for a particularly intelligent and sensitive approach to this long overlooked issue in media studies.

First Comes Love Shelley Cobb, Neil Ewen, 2015-08-27 With the prominence of one name couples Brangelina Kimye and famous families the Smiths the Beckhams it is becoming increasingly clear that celebrity is no longer an individual pursuit if it ever was. Accordingly *First Comes Love* explores celebrity kinship and the phenomenon of the power couple those relationships where two stars come together and where their individual identities as celebrities become inseparable from their status as a famous twosome. Taken together the chapters in this volume interrogate the ways these alliances are bound up in wider cultural debates about marriage love intimacy family parenthood sexuality and gender in their particular historical contexts from the 1920s to the present day. Interdisciplinary in scope *First Comes Love* seeks to establish how celebrity relationships play particular roles in dramatizing disrupting and reconciling often contradictory ideas about coupledness and kinship formations.

"Aid and Comfort" Henry Mark Holzer, Erika Holzer, 2015-08-13 Jane Fonda's visit to Hanoi in July 1972 and her pro North Vietnamese anti American conduct especially her pose with an anti aircraft gun used to shoot down American planes and her propaganda broadcasts directed toward American troops angered many Americans. In their eyes she was guilty of treason but she was never charged by the American legal system. Instead she has made millions been the recipient of countless awards and remained an honored American icon. This work investigates Fonda's activities in North Vietnam and argues that she could have been indicted for treason that there would have been enough evidence to take the case to a jury that she could have been convicted and that a conviction probably would have been upheld on appeal. It also considers Fonda's early life and the effect it had on her behavior and beliefs in her later years her audience of American POWs who were forced by the Vietnamese to listen to her broadcasts condemning them as war criminals her arrival in Vietnam and how it was viewed by American servicemen and civilians the crime of treason throughout history and the only Congressional inquiry into her actions which resulted in the government's decision to take no legal action against her. Texts of Fonda's radio broadcasts to American servicemen comprise the appendix.
