Operations. Intergovernmental
Relations Subcommittee**

Food And Drug Administration Advisory Committees:

Food and Drug Administration Advisory Committees Institute of Medicine, Committee to Study the Use of Advisory Committees, 1992-02-01 Like many other agencies of the federal government the Food and Drug Administration FDA relies extensively on external advisory committees for independent scientific and technical advice Recognizing that the existing advisory committee system is essentially sound this volume recommends ways of enhancing the use of these committees in the evaluation of drugs biological materials and medical devices strengthening the agency's management of the system and increasing the accountability of the system to the public In doing so it examines and makes recommendations on such issues as the recruitment of committee members the FDA's management of financial conflict of interest and intellectual bias among members and the operations and management of the advisory committee system
