late work

Any assignment handed in late will lose 50% of the assignment's original worth. **NO** late work will be accepted after the completion of a quarter. Students will receive one "golden ticket" each quarter. The "golden ticket" can be used during that quarter for any one late assignment. Using the "ticket" will allow that one late assignment to be graded at full credit.

make-up work

Students will be allowed two days to make up any homework given on the day(s) of absence. It is the student's responsibility to find out what they missed upon their return by checking the absent bin in class.

REQUIRED SUPPLIES:

Extra credit? Extra credit will be offered occasionally throughout the year. And when offered, extra credit will be equally available to all students.

Come to class on time, everyday. Much of the learning that takes place in this course comes through the discussions and activities that occur every day in class. Therefore it is vital to your success to be here. Any excessive tardiness or absences will result in disciplinary action as stated in the handbook. School excused absences will not be counted against you.

Extra credit will be offered sporadically throughout the year. When offered, extra credit is usually to foster school involvement for a special activity. And when offered, **extra credit will be equally available to all students.** If you are attending class and putting forth your best effort, you will not need extra credit.

Rules and ROUTINES

Cheating is turning in work that is not your own effort, giving your work to others on a test or individual assignment or using a cheating device. Plagiarism is taking the ideas or written words of another and claiming them as your own work. Both are unacceptable. **Assignments will be given zeros with no chance for a redo, and consequences will follow the guidelines as stated in the handbook.**
