Fools Rush In Nina Munk, 2024-05-21 Eminently enjoyable *Fools Rush In* is a gossipy in depth look at a deal doomed from the start Grade A Entertainment Weekly Every era has its merger every era has its story For the New Media Age it was an even bigger disaster the AOL Time Warner deal At the time AOL and Time Warner were considered a matchless combination of old media content and new media distribution But very soon after the deal was announced things started to go bad and then from bad to worse Less than four years after the deal was announced every significant figure in the deal save the politically astute Richard Parsons had left the company along with scores of others Nearly a 100 billion was written off and a stock that once traded at 100 now traded near 10 What happened Where did it all go wrong In this deeply sourced and deftly written book Nina Munk gives us a window into the minds of two of the oddest men to ever run billion dollar empires Steve Case the boy wonder who built AOL one free floppy disk at a time was searching for a way out of the New Economy Meanwhile Jerry Levin who d made his reputation as a visionary when he put HBO on satellite distribution was searching for a monumental deal These two men more interested in their place in history than their personal fortunes each thought they were out smarting the other Marrying exemplary reporting with lively lucid writing Munk makes a devastating case that Levin wrecked the legacy of Henry Luce The New York Times Book Review

Fools Rush In Gwynne Forster, 2009-08-01 After a devastating tragedy sent her into a severe depression Justine Montgomery gave up her newborn daughter for adoption Realizing her mistake too late she discovered her daughter had been adopted by divorced journalist Duncan Banks and that he was looking for a nanny Without revealing her identity Justine took the job and was determined that securing her child s future would be the only passion in her life But she never anticipated Duncan s growing suspicions about her or the powerful attraction between them A poverty ridden childhood and a failed marriage left Duncan Banks unwilling to trust in anyone but himself It didn t take him long to realize that there was something not quite right about his daughter s otherwise perfect nanny But in trying to uncover Justine s secrets Duncan soon found his own vulnerabilities were at stake With divided loyalties and an unexpected passion threatening their fragile relationship Justine and Duncan must risk revealing more than they ever imagined to achieve what they never dreamed possible

Fools Rush In Gail R. Delaney, 2018-10 Because it s hard to talk when your heart is pounding and your palms are sweating and you are almost positive you just walked into your future Despite all personal evidence to the contrary Daniel Marsden believed not only in the forever kind of love but in the possibility of love at first sight All you have to be is open to the possibility when it walks through your door What s a hopeless romantic born and raised in Vegas to do but own the First Last Everything Wedding Chapel He facilitated love every day but had yet to find that forever feeling for himself

Despite the evidence in her own family that the exciting forever kind of love not only existed but could happen at a glance Tessa Spalaris has given up on feeling that instant unmistakable undeniable truth She wants a certain kind of future and she thought she was willing to compromise and accept one form of love offered when another was all she wanted Two people who would never have met under any remotely normal circumstances have to decide each for themselves to stay safe or take the leap The song said fools rush in but what if the fool is the one who walks away

Boller Jr., John George, 1990-06-14 Abraham Lincoln never said You cannot fool all the people all the time Thomas Jefferson never said That government is best which governs least And Horace Greeley never said Go west young man In *They Never Said It* Paul F Boller Jr and John George examine hundreds of misquotations incorrect attributions and blatant fabrications outlining the origins of the quotes and revealing why we should consign them to the historical trashcan Many of the misquotes are quite harmless Some are

inadvertent misquotes that have become popular Shakespeare actually said The best part of valor is discretion others the inventions of reporters embellishing a story Franklin Roosevelt never opened a speech to a DAR group with the salutation My fellow immigrants But some of the quotes such as Charles Darwin s supposed deathbed recantation of evolution falsify the historical record with their blatant dishonesty And other chillingly vicious ones filled with virulent racial and religious prejudices completely distort the views of the person supposedly quoted and spread distrust and hatred among the gullible These include the forged remarks attributed to Benjamin Franklin that Jews should be excluded from America and the fabricated condemnation of Catholics attributed to Lincoln An entertaining and thought provoking book They Never Said It covers a great deal of history and sets it right Going beyond a mere catalog of popular misconceptions Boller and George reveal how rightists and leftists and atheists and evangelists all have at times twisted and even invented the words of eminent figures to promote their own ends The ultimate debunking reference it perfectly complements handbooks of quotations *Fools Rush In* Ed Gorman,2013-12-31 DIVDIV On the eve of the March on Washington racial tensions flare in McCain s small town divDIV In the summer of 1963 freedom riders are crisscrossing the South Martin Luther King is preparing for a march on Washington and the people of Black River Falls Iowa are about to go to the polls Senator Williams is cruising to reelection when a blackmailer starts sending him photos of his daughter arm in arm with a handsome black student To save his campaign Williams hires private investigator Sam McCain to talk sense into the crook but the blackmailer is nowhere to be found until McCain discovers him behind his shack dead in the dirt with a handsome black corpse beside him divDIV TV crews arrive with the police to broadcast the horrible scene across the state As Black River Falls threatens to erupt into all out race war Iowa will have much more to worry about than Election Day Searching for the savage killer McCain learns that quiet prejudice can be the most dangerous kind of all div div *Fools Rush in* Ginna Gray,1988
