

One night I dreamed a dream.
I was walking along the beach
with my Lord. Across the
dark sky flashed scenes from
my life. For each scene, I
noticed two sets of foot-
prints in the sand, one

to my Lord. When the last scene of my life shot before me I looked
back at the footprints in the sand and to my surprise, I noticed that
many times along the path of my life, there was
only one footprint... I realized

footprints

that this was the lowest and saddest times of my life. This
always bothered me and I questioned the Lord about my dilemma:

"Lord, you told me when
I decided to follow You,
You would walk and talk
with me all the way. But I'm
aware that during the most
troublesome times of my
life there is only one set of
footprints. I just don't under-
stand why when I needed You
most, You leave me." He
whispered, "My precious child
I love you and will never leave
you never, ever during your
trials and tribulations. When you
saw only one set of footprints
it was then that I carried you."
