The Transformation of Capacity in International Development Avidah K. Mayville, 2019-11-30 The Transformation of Capacity in International Development exposes the transformation of capacity within the development discourse through a discursive analysis of USAID projects in Afghanistan and Pakistan between 1977 and 2017 As development agendas increasingly call for human rights approaches to development and the foreign policies of donor states sound alarms over global security threats capacity development has emerged as the solution to the complex problem of development Through this examination of USAID's attempts to build capacity in Afghanistan and Pakistan the book exposes how Western notions of progress constructed by institutions government officials scholars and private sector actors are obscured by the transformation of capacity As agendas are translated into projects they perpetuate historical relationships of global inequality that have corrupted and compete with indigenous models of governance The Transformation of Capacity in International Development has implications for those considering the future of human rights based approaches to development the international management of global security threats and the sustainability of donor investments

Health Policy in a Globalising World Kelley Lee, Kent Buse, Suzanne

Fustukian,2002-08-08 Increasing recognition of the impact that globalisation may be having on public health has led to widespread concern about the risks arising from emerging and re emerging diseases environmental degradation and demographic change This book argues that health policy making is being affected by globalisation and that these effects are in turn contributing to the kind of global health issues being faced today The book explores how the actors context processes and content of health policy are changing as a result of globalisation raising concerns about growing differences in who can influence health policy what priorities are set what interventions are deemed appropriate and ultimately who enjoys good and bad health Bringing together a distinguished international group of contributors this book covers a comprehensive range of topics and geographic regions and will be invaluable for all those interested in health social and public policy and globalisation *Southern Perspectives on the Post-2015 International Development Agenda* Debapriya Bhattacharya,Andrea Ordóñez Llanos,2016-11-03 At the turn of the millennium the unanimous adoption of the Millennium Development Goals MDGs by the United Nations General Assembly marked a new chapter in international development However voices from the Global South were noticeably absent in shaping the agenda Fifteen years later the global context has changed so much that it would have been inconceivable not to have taken voices from the South into account when planning the new Sustainable Development Goals SDGs Since its inception in 2012 the Southern Voice on Post MDG International Development Goals Southern Voice a network of 48 think tanks from Africa Asia and Latin America has generated a substantial body of original research to feed into various aspects of the post 2015 development agenda such as the missing dimensions of the MDGs ways to mitigate existing challenges in delivering on aspired outcomes and new issues goals targets and indicators that are crucial for the next global development framework *Southern Perspectives on the Post 2015 International Development Agenda* consolidates this research and stitches together development realities and policy experiences from the Global South infusing unique local perspectives to the global debate on the post 2015 agenda The compendium addresses the overarching themes underpinning the new international development framework by focusing on issues such as sustainability and growth inclusion and social policies governance and capacities and financing of the new agenda Southern Voice seeks to challenge the knowledge asymmetry afflicting the global knowledge system by channelling evidence based policy analyses produced by centres of excellence located in the Global South This is a valuable resource for academics and researchers policymakers and practitioners and concerned students in search of alternative views on sustainable development *The Palgrave Handbook of International Development* Jean Grugel,Daniel Hammett,2016-06-10 International development is a dynamic vibrant and complex field both in terms of practices and in relation to framing and concepts This collection draws together leading experts from a range of disciplines including development economics geography sociology political science and international relations to explore persistent problems and emergent trends in international development Building from an introduction to key development theories this Handbook proceeds to examine key development questions relating to the changing donor and

aid landscape the changing role of citizens and the state in development the role of new finance flows and privatization in development the challenges and opportunities of migration and mobility emerging issues of insecurity and concerns with people trafficking the drugs trade and gang violence the role of rights and activism in promoting democracy and development the threats posed by and responses to global environmental change and the role of technology and innovation in promoting development *Handbook on the Politics of International Development* Deciancio, Melisa, Nemiña, Pablo, Tussie, Diana, 2022-05-24 This innovative book sets out to rethink corporate social responsibility CSR in global value chains
