Votes for Women Jennifer A. Lemak, Ashley Hopkins-Benton, 2017-11-21

The work for women s suffrage started more than seventy years before the passage of the Nineteenth Amendment at the Seneca Falls Convention in 1848 when Elizabeth Cady Stanton Lucretia Mott and one hundred supporters signed the Declaration of Sentiments asserting that all men and women are created equal This convention served as a catalyst for debates and action on both the national and state levels and on November 6 1917 New York State passed the referendum for women s suffrage Its passing in New York signaled that the national passage of suffrage would soon follow On August 18 1920 Votes for Women was constitutionally granted

Votes for Women an exhibition catalog celebrates the pivotal role the state played in the struggle for equal rights in the nineteenth century the campaign for New York State suffrage and the ratification of the Nineteenth Amendment It highlights the nationally significant role of state leaders in regards to women s rights and the feminist movement through the early twenty first century and includes focused essays from historians on the various aspects of the suffrage and equal rights movements around New York providing greater detail about local stories with statewide significance The exhibition of the same name on display at the New York State Museum beginning November 2017 features artifacts from the New York State Museum Library and Archives as well as historical institutions and private collections across the state

A Woman's Heart Angela Maas, 2020-09-24

DID YOU KNOW women are 50% more likely to be misdiagnosed following a heart attack more than twice as many women die from coronary heart disease than from breast cancer in the UK two thirds of clinical research into heart disease focuses on men Coronary heart disease remains the single

biggest killer of women worldwide yet it is still not seen as a woman's problem Every day the female heart patient is measured by male standards which leads to confusion unclear diagnosis and often the wrong treatment In fact women are incomparable to men down to each body cell which has consequences for both health and disease When it comes to medical science cardiology is the most prominent example in which gender matters In *A Woman's Heart* Professor Maas explores how the female heart works and provides practical advice for women including The biology of the female heart how it works and ages differently to a male's The effects of female specific issues such as menopause Heart attacks in women Lifestyle tips to prevent heart disease This vital book is the result of decades of international research It exposes the gender bias in cardiology and paves the way for better heart health for women everywhere **Woman's Missionary Friend**, 1903
