For Guys Only Michael Kast, Standard Publishing, 1997-07-01 The world defines manliness much differently than God does God's idea is best This five session elective course can help your junior and senior high guys become real men everything that God intended them to be **What's in Your Room?** Michael Kast, 2005 This 30 day devotional guide shows teens that their rooms are full of reminders from God to help them get through each day Each day includes a short devo that takes a look at an object from their bedrooms What's in Your Locker? Michael Kast, 2005 This 30 day devotional guide shows teens that their lockers are full of reminders from God to help them get through each day Each day includes a short devo that takes a look at an object from their lockers **Twelve Lectures delivered before the Young Men's Christian Association, in Exeter Hall, from November 1849 to February 1850** Young Men's Christian Association (England), 1850 Lectures Delivered Before the Young Men's Christian Association Young Men's Christian Association (England), Young Men's Christian Association (England), 1850 **Lectures Delivered Before the Young Men's Christian Association, 1845-1846--1864-1865** Young Men's Christian Associations (London, England), 1850 *Educational Work of the Young Men's Christian Association* William Frederick Hirsch, 1923 Annotations Upon the Holy Bible. Wherein the Sacred Text is Inserted, and Various Readings Annex'd, Together with the Parallel Scriptures. The More Difficult Terms in Each Yerse Explained. Seeming Contradictions Reconciled. Questiond and Doubts Resolved. And the Whole Text Opened Matthew Poole, 1700 God Speaks to Us, Too Susan M. Shaw, 2021-10-21 Raised as a Southern Baptist in Rome Georgia Susan M Shaw earned graduate degrees from the Southern Baptist Theological Seminary in Louisville Kentucky was ordained a Southern Baptist minister and prepared herself to lead a life of leadership and service among Southern Baptists However dramatic changes in both the makeup and the message of the Southern Baptist Convention during the 1980s and 1990s a period known among Southern Baptists as the Controversy caused Shaw and many other Southern Baptists especially women to reconsider their allegiances In *God Speaks to Us Too* Southern Baptist Women on Church Home and Society Shaw presents her own experiences as well as those of over 150 other current and former Southern Baptist women in order to examine the role identity and culture of women in the largest Protestant denomination in the country The Southern Baptist Convention was established in the United States in 1845 after a schism between Northern and Southern brethren over the question of slavery Shaw sketches the history of the Southern Baptist faith from its formation through its dramatic expansion following World War II to the Controversy and its aftermath The Controversy began as a successful attempt by fundamentalists within the denomination to pack the leadership and membership of the Southern Baptist Convention the denomination's guiding body with conservative and fundamentalist believers Although no official strictures prohibit a Southern Baptist woman from occupying the primary leadership role within her congregation or her own family rhetoric emanating from the Southern Baptist Convention during the Controversy strongly discouraged such roles for its women and

church leadership remains overwhelmingly male as a result. Despite the vast difference between the denomination's radical beginnings and its current position among the most conservative American denominations, freedom of conscience is still prized. Shaw identifies soul competency or the notion of a free soul that is responsible for its own decisions as the principle by which many Southern Baptist women reconcile their personal attitudes with conservative doctrine. These women are often perceived from without as submissive secondary citizens but they are actually powerful actors within their families and churches. *God Speaks to Us Too* reveals that Southern Baptist women understand themselves as agents of their own lives even though they locate their faith within the framework of a highly patriarchal institution. Shaw presents these women through their own words and concludes that they believe strongly in their ability to discern the voice of God for themselves.

The Christian Witness, and Church Member's Magazine: ,1845 **The Christian guardian (and Church of England magazine).** ,1823 **It's Not About You--It's About God** Rebecca Florence Osaigbovo,2010-02-04 It can hurt to hear someone tell it like it is. But sometimes you need to get the truth straight up. And the truth is that it's not about you; it's about God. Maybe you have relied on your own strength for far too long. You haven't been able to count on other people, so you just do your own thing. But God has bigger plans for you. God wants to use you to change the world. Rebecca Osaigbovo, conference speaker and author of *Chosen Vessels*, shows how black women can stand up to Satan's lies and face tough problems not in your own strength but by finding God's strength in the midst of your weaknesses. She says this to women who want to be the keys to change in their homes, churches, and communities. If you want things to be different, then stop going your own way and follow God's lead. Lean not on your own understanding, and he'll make your paths straight. **God's Being in Reconciliation** Adam J. Johnson,2012-03-01 One of the most pressing issues in the doctrine of the atonement today is the question of the unity and diversity of the work of Christ. What are we to make of the diversity within the biblical witness and the history of doctrine when it comes to explanations of the meaning and significance of Jesus' death and resurrection? Without a grasp of the unity of his work, our understanding and use of the diversity runs the risk of becoming haphazard and disordered. Proposals regarding the unity of Christ's work today tend to focus on the metaphorical nature of language, the role of culture, and various possible conceptual schemes rarely reflecting on unity and diversity proper to the being God. To fill this gap, Johnson draws on Karl Barth's integrated account of the doctrines of God and reconciliation, harnessing the resources contained within the doctrines of the Trinity and divine perfections to energize a properly theological account of the unity and diversity of the atonement. **Christian Literature and Review of the Churches** ,1894 *The Works of the Rev. John Wesley* John Wesley,1811 **The works of John Wesley** John Wesley,1811 The Instruction of Youth in Christian Piety ,1850 **Christian Masculinity** Yvonne Maria Werner,2011 In the mid-nineteenth century, when the idea of religion as a private matter connected to the home and the female sphere won acceptance among the bourgeois elite, Christian religious practices began to be associated with femininity and soft values. Contemporary critics

claimed that religion was incompatible with true manhood and today's scholars talk about a feminization of religion. But was this really the case? What expression did male religious faith take at a time when Christianity was losing its status as the foundation of society? This is the starting point for the research presented in *Christian Masculinity*. Here we meet Catholic and Protestant men struggling with and for their Christian faith as priests, missionaries, and laymen, as well as ideas and reflections on Christian masculinity in media, fiction, and correspondence of various kinds. Some men engaged in social and missionary work or strove to harness the masculine combative spirit to Christian ends, while others were eager to show the male character of Christian virtues. This book not only illustrates the importance of religion for the understanding of gender construction but also the need to take into consideration confessional and institutional aspects of religious identity.
